Wildlife Division Created Under Bill

WASHINGTON (AP) — The Senate Friday passed a compromise bill creating a new fish and wildlife division within the Interior Department. The unit has been the Fish and Wildlife Service.

The measure, a combination of House and Senate bills, provides greater recognition of both the fishery and wildlife activities of the federal government by creation of an assistant secretary of the interior for fish and wildlife.

Under the assistant secretary there will be a commissioner for fish and wildlife. The measure then sets up two separate agencies, each with the status of a bureau administered by a director. These bureaus will be the Bureau of Sport Fisheries and Wildlife and the Bureau of Commercial Fisheries.

The compromise also provides for indefinite continuance of the three million dollars a year fishery research and market development program now scheduled to expire June, 1957, and sets up a ten million dollar revolving fund for loans to fishermen.

College All-Stars Begin To Work Out

EVANSTON, Ill. (AP) — Coach Curly Lambeau sent his College All-Stars through their first scrimmage and saw his offense, led by All-Americans Hopalong Cassidy and Earl Morrall, stopped cold.

The collegians, pointing for their Aug. 10 date with the Cleveland Browns, National Football League champion, wound up their 12th day of practice with a defense-dominated 30-minute scrimmage.

The All-Stars put up a formidable backfield with Morrall, the former Michigan State quarterback; halfbacks Cassidy of Ohio State and Don McIlhenny of Southern Methodist; and Notre Dame's Don Schaefer at fullback.

But that foursome and other outstanding collegians hardly dented the defenders sparked by Maryland's Bob Pellegrini, Tony Sardisco of Tulane and Preston Carpenter, the defensive back from Arkansas.

"Silent Joe" Childress, Auburn's fullback, and Hal Burnine, the 1955 NCAA pass-receiving champion from Missouri, made the only appreciable gains for the offensive unit.

Childress, voted the collegian most likely to succeed in pro football after last year's Senior Bowl game, smashed the middle of the defense's bulky line for a 10-yard gain. Burnine took a 10-yard pass from Morrall.

Hampton Poole—former Los Angeles Ram coach—worked the

backfield and ends on a series of running and passing plays before the scrimmage.

Morrall, Jerry Reichow of Iowa and Navy's George Welsh flipped long and short passes to halfbacks and ends. Burnine, Army's Don Hollender, Larry Ross, the 6-5 end from Denver, and All-American Ron Beagle of Navy impressed observers with their sharp pass reception.

Saxton-Basilio Go Set In September

NEW YORK (AP) — The New York State Boxing Commission has given world welterweight champion Johnny Saxton the go-ahead and so he'll give Carmen Basilio a chance to reclaim the crown in Syracuse Sept. 12 or 19.

Saxton, who lifted the title from Carmen in Chicago by decision last March 14, previously had been banned in New York State since the commission headed by Julius Helfand had refused to license his manager, Frank (Blinky) Palermo. The ban was lifted when Helfand decided it was preventing Basilio from trying to re-win the title.

Saxton, 26, was allowed to set up the fight by himself, although Helfand in the past has criticized such arrangements.
