

FAIR BOARD—Cleo Tipton, Homer Grow and Jim Myers, left to right, have worked as a team as the Douglas County Fair Board for several years. Under their guidance, the fair has grown in the past four years from a 4-H and FFA affair to a countywide function which citizens from all walks of life participate in and patronize.

Crafts Exhibits Set For Display

A host of new features will greet Douglas County craftsmen at the 1956 County Fair. Mrs. Jack West, general department superintendent, has announced. Increased space between exhibits and additional lighting in the new community building will greatly improve displays in the craft department, she said. Mrs. West emphasized the entry closing date of Aug. 19. All entries must be on hand at the Fairgrounds by that time. Entries are open to all county residents since the Fair is about the only chance most people have of showing their work publicly, the superintendent noted. Division heads under Mrs. West are: Mrs. Earl Wiley, fine arts; Mrs. Harry Brubaker, ceramics; and Mrs. W. Frank Brown, misc. arts.
