Nixon Said He Didn't Question Demos' Loyalty

EUGENE (AP) — Vice President Nixon told a news conference here Wednesday he had never questioned the loyalty of Democratic leaders, but only their judgment.

Nixon, who addressed a GOP rally at McArthur Court on the University of Oregon campus Wednesday night, was told at the press conference that Sen. Estes Kefauver had called on Nixon to apologize for uncomplimentary remarks about Democrats.

Scientists Try To Learn Age Of Man Said 167

MIAMI, Fla. (AP) — A leathery little man with jet black hair is en route to New York where scientists may determine if he is the world's oldest living human.

Juan Pereira, who stands 4 feet 4 and weighs only 75 pounds, arrived last night from his native Colombia en route to Cornell Medical Center. There he will undergo physical scientific and historic testing.

Estimates of his age range as high as 167 years, but the spry little Indian cannot read or write and does not know how old he is. He agrees, however, that the 167 figure is about right.

Dr. Jose Miguel Restrepo, an authority on human age, estimated Pereira's years at more than 120.

One report has it that an 86-year-old woman in Pereira's native village remembers him as an old man when she was a child.

Doctors who examined him in San Vicente de Paul Hospital at Medellin, Colombia, reported that while his wrist joints and radial artery were those of an extremely old man, his blood circulation was that of a youngster. His heart action and blood pressure showed unusual vigor, they added.

Pereira, said his interpreter Flavio Correa, recalls events which happened in the days of Simon Bolivar, who died in 1830. Bolivar was a South American hero.

Pereira, according to Correa, "drinks when he can get it, smokes when he can and has out-lived five wives."

Japanese Leader Tells Reds' Plan To Oust U. S.

TOKYO (AP) — A retired Japanese military leader just back from Peiping told Wednesday of a proposal by Mao Tze-Tung that Red China and Japan unite to "oust the United States, our common enemy," from Asia.

"We only laughed in his face, so loud that the meeting was suspended for awhile," reported former Lt. Gen. Akio Doi.

Doi was one of 15 retired wartime generals and admirals who toured Red China for a month at the Peiping government's invitation. A former military attache in Russia and China, he reported on the trip to a private meeting of 500 Japanese civilian and government leaders.

Doi said Mao, the Chinese Communist chairman, proposed a Tokyo-Peiping solidarity agreement directed mainly against the United States and secondarily at British and French influence.

The former general quoted Mao as saying:

"The operation would not involve war, but other means. The United States still occupies Japan and also a part of my country, Formosa. It is our common enemy and we must be united to oust it."

After the Japanese laughter, Doi said, Mao toned down his proposal.

Doi said: "Mao then said with a straight face, 'We really want a friendly relationship with Japan. What do you think is the major deterrent?'

"I answered that it was international communism more than any American pressure."

Doi said Mao replied, "If a great China emerges, its effect on its neighbors is inevitable."

Final Rites Held For Archbishop

KANSAS CITY (AP) — Final solemn rites for Archbishop Edwin V. O'Hara began Tuesday morning with a pontifical requiem mass in the Cathedral of the Immaculate Conception.

Burial will be made in a crypt beneath the chapel sanctuary at the Benedictine Convent of Perpetual Adoration.

More than 13,000 persons passed before the bier after the archbishop's body was laid in state in the cathedral.

Attending the services for the longtime leader of the Roman Catholic faith were about 300 clergymen, including archbishops, bishops, abbots and priests from many parts of the United States.

Archbishop O'Hara, who died in Milan, Italy, last Tuesday of a heart attack, had been bishop of the Kansas City diocese since 1939. He had been a priest at Portland and at Eugene, Ore.

The mass was said by Archbishop Joseph E. Ritter of the archdiocese of St. Louis, and the funeral sermon preached by Archbishop Edward D. Howard of the archdiocese of Portland.
