

## Horseshoe Tournament Delayed By Deer Season

The annual city horseshoe tournament sponsored by the Roseburg Lions Club has been postponed until after the start of the hunting season, according to Bert Shoemaker, tournament chairman.

Registrations are still being accepted at the city hall and will continue up to starting time. The new dates have been set for Oct. 13 and 14. It was originally scheduled for Sept. 29 and 30.

## Washington State Grid Transfers Flood Campus, But Season Outlook Stays Grim

By KEN JACKSON

PULLMAN, Wash. (AP) — Each fall, in spite of last season's record, football hope is reborn here at Washington State, nestled in the rolling Palouse hills that are rich in wheat and peas but poor in player prospects.

This year the Cougar roster is beefed up with sophomores and junior college transfers, so newly arrived on campus their names and dimensions aren't included in the press book.

Some of the fans have pinned their dreams on Jim Sutherland, WSC's confident, hard-working new coach, as the man to weave a new kind of football fabric.

Sutherland and aides have worked 16 hours a day and have driven just as hard on the recruiting trail as on the practice field. Aggressive Jim reminds many of Forest Evashevski, who brought WSC one of its better seasons before moving on to Iowa.

California Represented

The transfer talent, drawn mostly from Southern California where Sutherland once developed players like Ronnie Knox, should provide Washington State with a better than expected season and other PCC coaches trouble in the future.

A general who believes in air attack, Sutherland says passing "is the best and easiest way to

move a football." So WSC opponents will see lots of footballs in the air. They will also see more backfield speed.

Sutherland, refusing to single out individual players in the green squad, says he will be able to substitute any position without weakening the team. And observers are almost ready to agree with him after watching day after day of strenuous sessions, including 2½ hours of straight scrimmage the Saturday before the Sept. 22 opener against Stanford at Spokane.

Transfers Toss Passes

Bunny Aldrich, a junior transfer from Honolulu, and sophomore Bob Newman of El Cerrito, Calif., have both looked amazingly accurate in practice passing. Aldrich, because of his two years of junior college experience, has the quarterback edge over the slightly larger Newman.

At fullback is a bruising, knock-down type runner in 210-pound Jim Frankson of National City, Calif., who may not play in the opener because of an injured ankle. Another standout at full is a surprise sophomore, 175-pound Ed Stevens who played only 8-man football at his small high school at Lind, Wash.

At left half is Rey Alvarado, a junior letterman from Los Angeles and one of the better backs

last season, and transfer Chuck Morrell, a change-of-pace runner from Downey, Calif.

Backfield Men Swift

Filling out the speedy backfield are two transfers at right half, Dick Windham of North Hollywood and Dave Jones, The Dalles, Ore.

The line is not bulky, as some large lettermen were cut during spring practice, but it has plenty of mobility.

Bill Steiker, a converted 6-foot halfback from Olympia, Wash., and Don Gest, 6-foot-4 junior from Spokane, have both put on spectacular pass catching displays at left end. Sophomores Don Ellingsen and Jack Banning of Spokane are matched at right end.

Among transfers who shine in the line are Don Nelson of North Hollywood, a 6-foot-2, 225-pound tackle, and center Jack Atwood of Compton, Calif., who stands 6-foot-2 and weighs 200.

The confidence and aggressiveness of Sutherland and staff has spilled over onto the players and charged them with that intangible thing called "spirit."

The Cougars should improve last season's record of one victory, seven losses and two ties.

## Sports In Brief

### GOLF

OKLAHOMA CITY — Bob Toski of Holyoke, Mass., came up with a 4-under par 68 to lead the first round of the Oklahoma City Open.

INDIANAPOLIS — Joanne Gunderson of Seattle, Anne Quast of Everett, Wash., Mrs. Anne Casey Johnstone of Mason City, Iowa, and Marlene Stewart of Canada advanced to the semifinals of the Women's National Amateur Tournament.

### TENNIS

LOS ANGELES — Ken Rosewall of Australia overpowered Art Larsen, 6-2, 6-3, 6-2, in the quarterfinals of the Pacific Southwest Tournament.

## Standley Holds Wide Lead In Last Week At Speedway

By SHIRLEY FLYNN

Tonight will wind up the hardtop auto racing season for 1956 and it seems almost certain that the champion this year will be Jim Standley.

Standley gained another four points over last week's total and now leads contender Art Pollard by 34 points. He is well over the 400 mark now. Pollard has a comfortable lead over the third-place driver, and even if scores tonight should quit in second place.

Del Graves, after a low scoring night last Friday, has dropped into fourth place while Harry Hagen, who has been dogging him right along all season, has stepped ahead to fill the vacated position.

Unable to alter their positions any last week, though raising their scores, were Bob Willhite, fifth, and John Wilverding, sixth place.

Dropping one peg each were Whitey Dage and Leonard Kress, who now sit in eighth and ninth places respectively. They relinquished their spots to make way for the high scorer for the week, Leroy Sifers, who chalked up a score of 34 points. Sifers now rests in seventh.

Champ at the Roseburg Speedway since its opening four years ago, Louis Donelan, has to relinquish his crown, and unless he drives and makes a good score tonight, he relinquishes his seat among the top 10 drivers. Donelan dropped from the 10th spot to make way for Bill Metzger, who was among the top 10 earlier in the season.

Action starts tonight at the regular time, 7:30, for time trials, and races one hour later. Trophies for the champions will be presented after the A main.

Radio stations will broadcast information in the event a cancellation must be made due to heavy rain during the day.

## Sports Calendar

### FRIDAY

FOOTBALL: Roseburg at Medford, 8 p.m.; Myrtle Creek at Myrtle Point, 8 p.m.; Creswell at Drain, 8 p.m., Emerald League.

RACING: Hardtops, 7 p.m., Roseburg Speedway.

## YESTERDAY'S STARS

By THE ASSOCIATED PRESS

PITCHING

Bob Friend, Pirates — Frustrated the pennant-pushing Braves on four hits, beating them for third time this season 2-1 in 10 innings for his 16th triumph.

HITTING

Roberto Clemente, Pirates — Lined a two-out single to drive in the run that beat the Braves 2-1 in 10 innings.

Fri., Sept. 21, 1956—The News-Review, Roseburg, Ore. 7

## Mrs. E. Oldfield Wins Ladies' Fairway Event

"Sweepstakes on the front nine" was the order of play during ladies' golf day at the Roseburg Country Club this week. Winners of the weekly action was Mrs. E. Oldfield in class A, Mrs. Robert Harris in class B, Mrs. Donald Swick and Mrs. Glenn Anderson who tied for class D scoring laurels.

Mocabee said those golfers not playing in the Fall Handicap should make their own pairings or next week. The play for the day will be "Sweepstakes on the front nine." She also said those that have matches to play in the tourney, should play them as soon as possible. The deadline for all first round bouts must be played on or before next Tuesday.

Tournament Chairman Donna

Ford tandem axle BIG JOBS are rated to carry more payload than comparable tandems of any of the leading manufacturers. T-800 model has max. GVW of 45,000 lb.—GCW is 65,000 lb.

Ford's F-100 Custom panel is one of the top load carriers in its class. It provides 155.8 cu. ft. of cargo space in a smooth, fully lined interior and hauls up to 1,535 lb. of payload.

The hardest-working, biggest-saving "two-tonner" of them all is the Ford F-600. Only Ford offers a Short Stroke Six and three Short Stroke V-8's in this field. Max. GVW is 19,500 lb.

FOR BIG JOBS... SMALL JOBS... ALL JOBS

# Ford Trucks cost less

And low first cost is only your first saving

Ford's F-100 pickup with 8-ft. box is the biggest in the half-ton field—up to 19 cu. ft. more loadspace than the others. Regular 6½ ft. box with a full 45 cu. ft. capacity also available.

COME IN TODAY!

Before you buy your next truck, look at both sides of Ford's story of value. Check what you get and what it costs. You'll like what you see.

Look at the costs. Ford's first cost is low. Resale value is high. Modern Short Stroke engines—V-8 or Six—are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for rugged long life. And a 10-million truck study proves Ford trucks last longer.

Look at what you get and you'll see you get more in a Ford. For example, more horsepower per dollar—proved by a comparison of factory-suggested list prices and net horsepower of all truck lines. You get more comfort with a Driverized Cab, and more safety with Ford's exclusive Lifeguard features.

Look carefully... consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal more for your money—see your Ford Dealer.

## FORD TRUCKS LAST LONGER

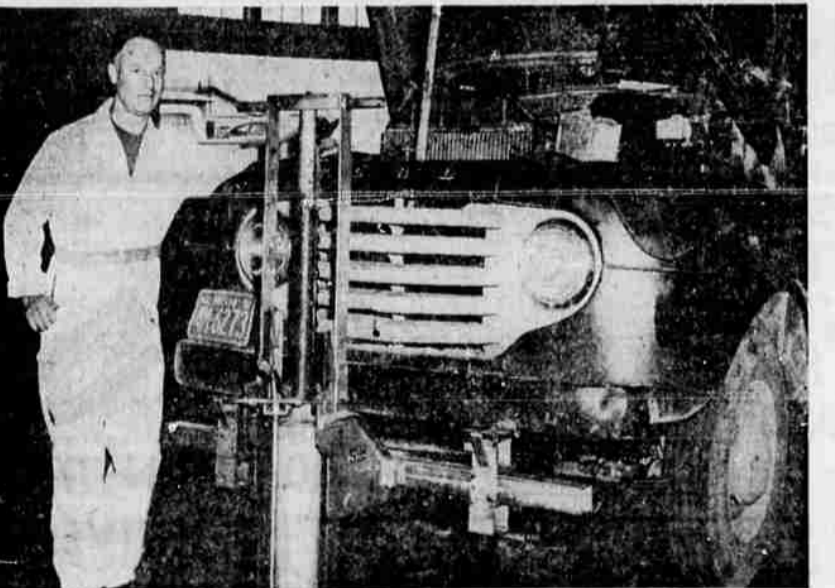

Using latest registration data on 10,502,351 trucks, insurance experts prove Ford trucks last up to 9.9% longer.
