## Pirates Top Springfield In Grid Test

By THE ASSOCIATED PRESS  
Oregon's big high school football powers rolled closer to the class A-1 playoffs with victories Friday night.

Marshfield, ranked No. 1 since the start of the Associated Press poll this season, handed Springfield, No. 8, its first defeat, 27-7, in a crucial district 5 game. The defending state champions now are unbeaten in 29 games, with a 20-20 tie with Medford on record this season.

Medford, No. 2, bolstered its role as district 6 favorite by trouncing Klamath Falls, 47-19, with fullback Loren Christian scoring five times on short runs and Eldon Francis making a 78-yard touchdown punt return.

Eugene Edges Albany  
Eugene, No. 3 and now Marshfield's major foe for the district 5 title, came from behind to defeat Albany, rated sixth and a favorite in district 8, by a 7-6 score.

Beaverton and Gresham, ranked No. 4 and 5 and co-favorites in district 3, preserved their perfect records. Beaverton defeated Hillsboro, 27-13, and Gresham outscored Milwaukie, 31-21.

McMinnville, No. 7, also remained unbeaten and untied with a 24-12 victory over Lake Oswego in district 4.

Grants Pass, ranked ninth, remained in the district 8 running with a 35-0 win over Ashland.

The Dalles Dropped  
Pendleton, seeking its second straight district 7 title, spoiled The Dalles' perfect mark with a 13-6 victory. La Grande, another leading contender in the district, routed Milton-Freewater, 35-12, in the Portland city league.

Whittick went high into the air, between two Roseburg defenders, and came down with the ball on the Indian 40. He waltzed down the sidelines and outran both safety men. Jimmy Brown gave forth with one last attempt to nail him on the 25, but to no avail. The big fellow was just too fast and

The final aerial show offered by Hargens, however, was more than enough to compensate for Oerding's offensive works. The smooth pitching quarterback accounted for 190 yards in the air.

After both teams staged short drives, Roseburg took over their own 45. Eleven plays later, two on passes, Brown ripped over left tackle to score. The clock showed 8:09 left in the second period.

The passing game in football, especially the long ones, can be a mighty important weapon, as those persons present at Finlay's Field Friday night will attest.

The feature District 5-A-1 League skirmish saw the visiting North Bend Bulldogs utilize the airways to good advantage as they came from behind to score a narrow 20-19 victory over the Roseburg Indians.

Three times the Bulldogs cut loose with the long range artillery and three times they made it pay off, including the game-winning marker.

One of the lengthy aerials covered 50 yards, another traveled 51 yards and the final, which broke the locals' backs, went for 70. The latter came midway in the fourth period, after Roseburg had taken a 19-13 lead late in the third.

Indian Drive Stopped  
Bob George's Indian tribe had driven to the North Bend 45 where they were forced to punt out of danger. Bill Oerding was rushed in his kick and he booted out of bounds on the 20.

The Bulldogs took over, and on the first play, quarterback Gary Hargens faded deep and then cut loose with a mighty heave to his runningmate, Charles Whittick.

Whittick went high into the air, between two Roseburg defenders, and came down with the ball on the Indian 40. He waltzed down the sidelines and outran both safety men. Jimmy Brown gave forth with one last attempt to nail him on the 25, but to no avail. The big fellow was just too fast and

he sailed into the end zone. PAT Attempt Good  
This knotted the count at 19-19. Hargens was nominated by Coach Frank Akins to do the kicking honors in the big PAT attempt. The veteran player took two steps forward after the ball was snapped and split the uprights with what proved to be the game-winning margin.

The contest was evenly matched throughout. What Roseburg lacked in the air they more than made up for on the ground. In fact, most of the game statistics favored the home eleven.

Oerding was terrific both on offense and defense during the contest. The halfback packed the

mail on 17 trips to total 158 yards for a 9.3 average per carry.

Another Aerial Tossed  
The Indians booted, and the ball was returned to the 35. Five plays was all that the fired-up Bulldogs needed to punch it across. Again it was the long pass that set it up. This time it was a 51-yard aerial from Hargens to fullback Cliff Landess. He was halted from behind on the 16.

The first line play failed to gain, but the next saw Whittick driving over tackle for the 16 yards to go standing up into the end zone. Hargens passed to Carver for the PAT and a 13-6 margin.

Both teams had a chance with the ball and then Roseburg commenced its second TD march from their own 20. The full distance was covered on 14 plays and with one eye on the clock.

Oerding Boots Point  
Oerding was given the nod on the PAT try. The veteran came through like a champion with a perfect boot between the uprights and a halftime count of 13-13.

A pass interception on the part of Oerding set up the next drive. He speared the intended sphere on the 39 and was downed immediately. Seven plays later, which included a 24-yard run by Oerding and another good for 24 yards, they were over to score. The final 15 yards came on a pass from Oerding to end Fred Skeels. Skeels took the ball on the 5. Two men were between him and the goal, but big fellow downed his head and carried both into the end zone with him to boot.

The kick was blocked. Each team had one more series of plays before the winning 70-yard TD pass by Hargens took place. Roseburg had one more chance with the pigskin, but were unable to get it past the midfield stripe. North Bend took over and ran out the clock.

## Washington Baseball Club Brass To Study Coast Move

WASHINGTON — The question of whether the Washington Senators will be moved to another city this year may come to a head next Friday when the club's directors hold their next regular meeting.

Calvin Griffith, president of the American League club, said Friday night that "if I have a concrete proposition, I will submit it to the board at that time."

Griffith conceded Murphy could "slap an injunction on us and delay any shift of our franchise."

Murphy and Griffith are members of the five-man board, which could approve a club move by majority vote. It appears only Murphy would cast a "no" vote.

# Bulldogs Drop Tigers; Drain Thumps Vikings

## Blocked Punts, Fumbles Hurt Myrtle Creek

The Drain Warriors rebounded from their humiliating defeat last week against St. Francis and out on the visiting Myrtle Creek Vikings.

They blasted the charges of Coach Earl Miller for a lopsided 31-6 loss by scoring a single TD in the opening period, three more in the second and capped the onslaught with a single in the last.

The Vikings managed to hit for their lone tally on the last play of the game from scrimmage, to keep from being blanked.

Blocked kicks and fumbles were the Vikings' downfall during the contest. They chalked up three costly fumbles and had four out of five punts blocked by hard-charging warrior linemen.

Drain Starts Drive  
Drain took the opening kickoff and drove 70 yards to score. Eddie Burns was the main cog in the scoring march when he broke loose on the 50-yard line and sprinted into the end zone. The PAT was short.

The three scores in the second period came in rapid fashion. A pass from Rusty Painter to Frank Jacobs accounted for one after they had recovered a Myrtle Creek fumble on the 8.

The next tally came shortly after when Paul Reel blocked a punt on the 20. He picked it up and scooted into the end zone. The final first half TD was a 65-yard march that saw Charlie Copeland collecting scoring laurels on an 18-yard jaunt. Bob Black managed to score the only PAT on a placement.

Another Punt Blocked  
Neither team was able to dent the goal line in the third period. In the fourth, another blocked punt by Reel set it up on the 25. It took five line plays to cover the distance with Eddie Burns picking up 18 on the final play.

Myrtle Creek pushed across its lone touchdown on the last play from scrimmage. It came when quarterback John Bardwell hit the open arms of end Wayne Bartley in the end zone. The pass covered three yards. Bardwell's run for 10 points was short.

The Vikings kicked off just as the horn sounded.

Both teams managed six first downs. Total net yards favored the winners 246-89. Drain scored 24 yards through the air and Myrtle Creek gained 66 of its 89 on passes. The Warriors completed three of eight passes and the Vikings hit 6 of 14.

Pirates Stopped By Eagle Point  
The Eagle Point Eagles continued their winning ways in district 6-A-2 play Friday night at Glendale with a routing 39-12 victory over the host Pirate eleven. It was the second straight lull win for the Eagles.

The high-scoring contest turned into a one-man show by Eagle halfback Fred Greb. The fleet-footed pigskinner scored four of his teams six TDs, passed to another and aided his scoring total with three PATs.

The winners scored touchdowns in every period and added additional ties in the second and fourth. The Glendale scores were posted in the first and second frames.

## Stillwell Goes Over 4 Times, Passes To 5th

Skip Stillwell scored four touchdowns and passed to a fifth as he led the Sutherlin Bulldogs to a 33-6 win over Creswell in a non-league clash Friday night. The game was played before a good-sized home town crowd in threatening weather.

Sutherlin took the opening kick, and with Stillwell doing most of the ball packing, moved 60 yards in six plays. The big play of the series was a 30-yarder by the ace scatback. He was pushed out of bounds on the 5. Two plays later he drove off tackle to paydirt.

The conversion try was stopped short for a 6-0 lead.

The Bulldogs utilized a Creswell fumble on the 2-yard stripe on a bare punt from center on fourth down for the big score. Stillwell went over on the initial line smash. He added the PAT with an end sweep.

Sutherlin scored one more touchdown before the half ended after driving 60 yards. Again, it was Stillwell who broke loose at the 27 and went all the way.

The extra point was short and the half ended at 19-0.

Ralph Dyson's lads lost little time in hitting for two additional counters in the third frame. They took over on downs on their own 40. Line smashes by John Mustion and Jerry Norris covered 47 yards to the Creswell 29 from where Stillwell slanted off tackle and called the final distance.

The PAT was short and the Bulldogs led 23-0.

They scored again when Stillwell took a pichout and uncorked a 30-yard aerial to end Warren Slayton. The play covered 47 yards and was good for a 31-6 score. A PAT run was halted.

Sutherlin kicked off to the Tigers and drove them back to the goal line. On fourth down, Creswell attempted to boot out of the end zone, but Bulldog linemen Slayton and Jerry Norris broke through and blocked the kick for a safety and two more points.

Coach Dyson cleaned the bench in the final period and Creswell lost no time in driving 60 yards to score their only counter. The goal line plunge was made by Jack Lidyard on a sneak. The conversion try was fumbled.

The visiting Tigers were held to a mere net 30 yards in the first half. Stillwell added to his yardage total for the night with 169 yards, 47 of it coming on passing.
