

Local Adventists Name Dr. Pearson Church Lay Elder

A new slate of church officers will take over at the Roseburg Seventh-day Adventist Church Jan. 1.

Members voted last Saturday on names submitted by the church nominating committee of which Miss Helen Richards was chairman.

Leading the list of 1957 officers is the lay elder, Dr. R. W. Pearson. Assisting him in his work will be Dr. A. B. Munroe, Otis Edwards, J. Elton Hanson, and one

still to be selected. Lay elders give direct assistance to the pastor.

Eleven deacons and ten deaconesses were elected to serve for the coming year. Head deacon will be Malcolm Moreno, and head deaconess Mrs. Gladys Wilson. Deacons and deaconesses are charged with responsibilities for the physical needs of the church and its services.

Church treasurer for 1957 will be Mrs. Julia Shaffer; church clerk, Albert Marx; medical secretary, Dr. J. M. Hutson; choir director, Dr. Duane Fletcher; public relations secretary, Mrs. Inez Hitchman; organist, Mrs. Emily Bird, and Civil Defense secretary, John Howard.

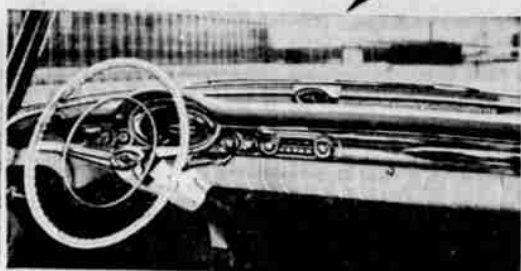

Leading in Sabbath school work will be Mrs. Vaneta Pearson as superintendent, with Mrs. Nila Olson and Dr. A. N. Boyd as her assistants. Leaders in the various departments will be as follows: Cradle roll, Mrs. Lorraine Thomas; kindergarten, Mrs. Pearl Balentine; primary, Mrs. Anise Webb; juniors, Mrs. Hilda Wood, and another still to be supplied.

Pathfinders will be led by Floyd Matula, assisted by Mrs. Opal Miller, J. Elton Hanson, Mrs. Peggy Konrack, Bert Mehling, and a number of counselors.

Mrs. Lela Wood will again lead the Dorcas Welfare work with Mrs. Anna Murray, Mrs. Judy Aldred and Mrs. Lulu Birdsell assisting her.

Melvin Whiting will act as service men's secretary; Mrs. Allie Paulson will head the social committee, and Dr. Hutson will act as chairman of the church school board of Roseburg Junior Academy.

ALL that's NEW is OLDS!

NEW STRUT-MOUNTED INSTRUMENT PANEL

... everything easily accessible, yet safely out of the way!

Fashionable focal point of Oldsmobile's new Tech-Style interiors is the smartly styled Strut-Mounted Instrument Panel. Operating controls are easily reached, yet recessed for safety. Instruments are clustered in a single unit for at-a-glance reading.
