

STRIKES HIT ITALY

ROME (U)—Two strikes hit Italy at home and in her world communications Wednesday. Gas workers went on strike against private firms, shutting off supplies in homes and hospitals for three days. Despite a union plea, telephone employees walked off their jobs Tuesday night in a 24-hour protest for higher pay.

27,000 Firms Will Be Covered By Compensation

SALEM (U)—More than 27,000 firms will be covered by the Oregon unemployment compensation law at the end of this month, the state Unemployment Compensation Commission reported Wednesday.

This will be \$600 more firms than were covered a year ago. The increase is caused by the fact that the 1955 Legislature extended coverage to firms hiring two and three persons. Prior to the enactment of the new law, there was no coverage for firms hiring fewer than four persons.

SPECIAL VISITORS

The high school visitation team, made up of students from the several universities of higher education in Oregon, visited Canyonville High School last Tuesday.

Seattle Transit Grants Raise To Operators

SEATTLE (U)—The Seattle Transit Commission, whose employees halted a 10-day strike under court order, granted coach operators a 6-cent hourly wage increase Tuesday.
