

**PRIZE WINNING PHOTOGRAPH**—This picture by W. L. Christensen, 1452 SE Lane Ave., appeared on the cover of the national publication of the Episcopal Church, "Forth." Christensen, better known as "Chris of the Photo-Lab," was winner in the professional division of a nationwide photography contest sponsored by the church. His efforts netted a \$100 award.

#### Washington's Governor Asks Balanced Budget

OLYMPIA (AP) — Albert D. Rosellini, Washington's new Democratic governor, Wednesday echoed the words of his predecessor and called for a balanced state budget with no added taxes.

Rosellini was sworn into office in a colorful ceremony attended by members of the state Legislature, state officials in the executive branch of government, and black-robed members of the State Supreme Court.

Chief Justice Matthew W. Hill administered the oath of office in the House chambers in the presence of the state dignitaries. Rosellini succeeded Republican Gov. Arthur B. Langlie who made his farewell appearance before members of the 35th Legislature Tuesday. He presented them with a balanced state budget which, he said, will require no new state taxes.

**DISTRICT GOVERNOR** William C. (Bill) Rohlfing of Lions Dist. 36-E will make an official visit to the Roseburg Lions Club Thursday at 6:30 p.m. in the Hotel Umpqua.

#### Farmers Union Head Seeks Need For Step-up

INDIANAPOLIS (AP) — President James G. Patton of the National Farmers Union said Wednesday "we would have to find ways to increase our production instead of worrying about the so-called surpluses" if the nation had proper distribution of farm products.

It might be necessary to ration food "if our entire population got really enough to eat and were properly clothed," Patton told the annual convention of the Indiana Farmers Union. He said: "If our country, acting through its government, exercised the same imagination and good management which farmers have shown in producing the abundance, we would not be constantly hearing arguments about whether we had a hundred thousand too many bushels of wheat in storage or a million too many bales of cotton."
