One of the most interesting affairs of the week was the annual Amelia Earhart dinner of the Roseburg Zonta Club held at the Woman's clubhouse Wednesday evening with Mr. and Mrs. Gordon Howard as guests of honor.

Johnson, of the Roseburg Branch of the

Friendship Is The Best Asset!

BY JACK WEST

I suppose at least ten thousand books have been written on the subject of friendship — man's humanity to man. And that brings up the old question "What is a friend?"

The best definition I ever heard of a friend is this: It's someone who knows all your faults and still loves you or respects you. I like that. It covers just about everything.

In this town there are a lot of people whom I consider my good friends. Most of them, I suspect, know that being a human I am not perfect. But they still keep on liking me and a great many of them keep on coming in here and buying jewelry from me.

During the years that I have conducted this jewelry store I have tried faithfully to give you folks honest value for every penny you spend here. I have tried sincerely to stock and display those things which will do the most for you and your family as far as jewelry goes.

In other words, I have tried to win friends and build them. And I believe the friendship folks have for this store is by all odds the best asset we have. It's something that can't be stolen or appropriated. It's essentially ours — and I can tell you that we guard it with all our might. Come in. Browse around. I like to talk to folks whether they buy or not.
