

Celebrate with these Big Savings!

# WASHINGTON'S

## ONE DAY ONLY - STARTS 9:30 A. M. FRIDAY!

The most talked about sale of the year! It's Miller's fourth annual George Washington's Birthday Sale, one day of tremendous savings for you while we clean up odds and ends of merchandise we don't want and hope anyone will take home at most ridiculous prices. Once a year, we let the clerks look under and behind the counters in all the nooks and crannies and then let our imagination run riot in writing an ad that we hope you will not only want to read, but that will keep you laughing from the first item to the last. The result—a lot of good quality merchandise that you can have for "pittance" prices just to get it out of the store. Get the family gas buggy warmed up tonight so you won't lose a minute getting here tomorrow. Doors open 9:30 A.M. and please don't trample the manager. He's sensitive.

### GEORGE WILL "STUFF" YOUR METER (LEGAL HOLIDAY - PARK FREE)

#### MEN'S WEAR

Main Floor

Men's suits made in the state of the union. **MEN'S UNION SUITS**, that is. We have 7 of these in sizes 36 to 40, including one half and half (half wool, half something else). Come and take these for **99c, 1.00 and 1.19**.

If you are a uniformly built man with 2 arms, you can wear these **UNIFORM SHIRTS**. Uniformly made in sizes 15 and 16 1/2 and we have only 5. Here's hoping we'll soon have none at **59c each**, 8 pair **MEN'S BRIEFS**, size 30, briefly — **29c**.

We found one pair of **LUMBERMAN'S RUBBERIZED PANTS**. Now there's a stretch to behold, a rubberized lumberman. You can stretch your money a long way by getting these size 42 pants, an 8.50 value for only **ONE BUCK**.

2 only — **MEN'S RAIN HATS**. A small man's special, size 7 1/8. A 1.75 value, the price is now shrunk to **86c**.

Used to be only the surety had a fringe on top. The fringe has spread to these **MEN'S TIES** with 2 rows of fringe on top. This is our special for building main. A 2.50 value, assorted colors, now **29c**.

You can go formal at a shoestring price if you can wear one of these **TUXEDO SHIRTS**. Only 4 of these, sizes 14 1/2-3, 17-3, and 17-5. We asked 5.95 for these but you can put up a bold white front for just **99c**.

If you feel you're a good sport, take a chance on one of these 2 **SPORT COATS**. Only **4.89** gets you a regular, 22.95 value. They're both size 40 regular. How can you lose?

This **MAN'S SPORT SHIRT** has been used on the dummy in the window so long it's grown permanently attached to it. We're tired of looking at this shirt. You can have this 5.95 value for only **99c** if you're the dummy type.

**MEN'S SHORTS** — 13 pair in sizes 34 to 40. So we can get rid of 'em shortly — **38c**. Values to 1.00.

23 **MEN'S T-SHIRTS**. Will fit small and medium men to a T. Fine combed cotton yarns of the kind that George never spins. Take these 1.00 values for a light fitting **69c**.

For a would-be, big-headed cowboy, one **WESTERN HAT**, size 7 1/8. This is our annual George Washington rodeo special, 10 gallons of pure air for **49c**.

The next time this department buyer goes on a buying spree, we hope he has an original idea. In the meantime, 5 **UNIFORM HATS**, worn by practically nobody anymore, go out of this place at a uniform **29c each**. Sizes 6 1/2 and 6 3/4.

Here's a bracing subject. Four pair of **MEN'S BLACK-SUSPENDERS**. They're king size, 42 inches long but maybe the Mrs. can shorten 'em a mile if they're too long. We don't even know the original price so come in and **MAKE AN OFFER**.

For the man with a good understanding, one pair of **SLIPPER SOCKS**, size 13. If you will slip in early tomorrow, and slip us **69c**, you can slip out with this 3.50 value, no questions asked.

We can't prove it, but we think the help in this department has been sleeping on the job. How else could this pair of **RAYON PAJAMAS** get faded so bad. They must have been washed, then put back in stock. **99c** gets you these slightly used pajamas, a regular 4.50 value. (Size A).

The items that we were handed says 2 pair of **MEN'S WHITE SERVICE STATION CAPS**. We didn't know caps came in pairs. Must be just 7 caps. They have trim in George's favorite colors, red, white and blue. These are snafus, too. (Somebody here must have a part-time service station job.) For each one, give us **29c**. Sizes 7 to 7 1/2.

Here's another baffling description. **P. O. SHIRTS**. Does it mean pull-over or pulled out? On asking, we found they are **UNDERSHIRTS** in sizes 36 to 46. Full one of these 1.00 values over your head every morning for only **19c**.

#### RECORDS-RADIOS

Downstairs Store

One **RCA VICTOR PERSONAL RADIO**, without batteries. It's yours color and we'll let you have this 36.95 value for **819**, then catch you on the battery. That'll give you a jolt, we'll bet.

Two of your present collection of records? Break the whole mess over your mother-in-law's head tonight, then get some of these new **78 and 45 RPM RECORDS**. New prints, walls, screams and means galore for only **15c each**.

**LONG PLAY ALBUMS**, too, recorded by famous long-hair artists who didn't know what else to do. Both 10 and 12-inch, values to 5.95 going into, going twice, all gone we hope for **51 each**.

**45 RPM EP ALBUMS**. No, not Elvis Presley, we don't want to incite a riot. These are **EXTENDED PLAY**, invented by a lazy music lover, who hated to get up and change records. Come in and lend an ear for just **98c**. The values are to 2.98.

#### FASHIONS

Second Floor

Some of these **FORMALS** have been here so long they're back in style again! Come and get one quick before they go out of style. Almost every color you can imagine and a few that nobody has thought of yet. Sizes run from 10 to 20 with one 20 1/2. Values to 49.95 but you can go formal for a scrumpy **4.99**.

These **LADIES' SUITS** no longer suit us. Maybe you can find one to suit yourself. There's one grey stone cutter and one is rusted. Only 7 suits in all in sizes 10 to 16. The former prices suited us at up to 55.00 but you weren't about to be fooled. Now take these suits for **35 and 51.00**.

If the weatherman said fair weather these **RAIN COATS**. We're looking for 18 ladies in sizes 9 to 14 who will take these 18 raincoats and sally fourth, rain or shine. Every color and pattern from the sublime to the ridiculous, values to 34.95, going for **12.37**.

Here's one place you get a lot of roominess for a tiny price. **MATERNITY SKIRTS** in navy blue and black, broken sizes 10 to 20. Former prices to 5.95, the prices have now been taken in to a small **99c**.

Here's our mid-winter special — **LADIES' SHORTS**. You'll be sensational at this time of year in faded blue denim or navy shorts. Values to 3.95 but now you can afford to hurry the season at a shortened **99c**.

**MATERNITY SUITS** — With a definite heir appeal but they don't appeal to us. Styles direct from a collector's closet, but we no longer want these to collect around here. Sizes 12 and 14 only, values to 10.95. The price is now deflated to **99c**.

Another 99c special — **LADIES' SOCKS**. Only 8 of these, some printed (by a counterfeiter) some plain colors and one faded in last week's crap game. "Busted" sizes 10 to 18. Values to 7.95, but now you can get a smock at a "smocking" **99c**.

It's a good thing the salesman told us what these are. They're **DRESSES**, most of them made by a maker so original in styling that they are no longer in business. You'll find some of George's favorite styles in this group. Sizes — well, come and look for yourself. Values to 24.95, now a stripped **2.99**.

#### LINGERIE

Second Floor

Here's something that won't let you down — an assortment of **BRAS**. And what an assortment! Black strapless (for trusting souls) cotton, nylon, 1 cotton halter and 1 "busted" (side style) not to mention the inevitable youngster's dinner napkin, a nursing bra. It did cost up to 4 bucks admission but now you can get a lift for a **PICTURE OF GEORGE**.

Worth only a brief pause — **RAYON BRIEFS** — cool, comfy, white, sizes S-M-L — briefly **3 for \$1**. Were 49c.

We offered these **BLACK TAFFETA FORMAL SLIPS** at a ridiculous price last year at this time but still have 2 left. The slick salesman who sold us these crazy looking things no longer calls on us or we would make him take them. Get a 4.50 value black taffeta for **\$1**.

#### COSMETICS

Main Floor

Here's a real stinkarinal **4-OZ. MIAMATI COLOGNE** that's priced regularly at 3.75. If you can stand the odor . . . it's yours for only **99c** (you pay the tax). "Hi-Hi Stinkal".

If you happen to be a Mohawk Indian you will appreciate these genuine **MOHAWK HAIR BRUSHES**. Heap good for scalping. At least you'll feel scalped after using one. Regular price, 1.99. We have them for bucks and squaws. Ugh! Only **1.29** . . . such!

SORRY PLEASE  
NO PHONE  
OR MAIL

#### SPORTSWEAR

Second Floor

**16 JERSEY BLOUSES**. Now who ever saw a Jersey wearing a blouse, much less a yellow, radiant rose, turquoise or black, Jersey? Washable orlon and wool, sizes 30-38. We tried at 5.95 and 8.95. Now hard the whole lot away for **3.99 and 5.99**.

**PARTY-TIME BLOUSES** — Party-time did we say? These like they have been through a New Year's celebration. Black and blue, pink and white, also boucles. Were 8.95, now hung over at **3.99**.

**LADIES' COTTON SHRUGS** with built-in medium or large shrugs, depending on how bad you want to get rid of him. They shrugged at 2.95. Now you can have one for **1.49**.

**3 SWIM SUITS**, size 10. Two of these are 2-piece; we can't guarantee the others. Formerly sold for 10.95 to 15.95. Now a timely special . . . floating around at **4.99**.

One size 14 faded blue **SATIN LASTEX SWIM SUIT** in the popular (1920) bloomie style. Faded . . . well, what can you expect after all these years? . . . the model's not too sharp anymore, either. Was 25.00, now in style for **3.99**.

Two dozen **SAI-CLOTH HATS** . . . styled by Omar the tent-maker. Prints and solid colors. Buy one of these and then the old man will have to buy you a boat to go with them or to ship you off in. Were 1.95, now shipwrecked at **50c**.

14 trim **CINCH BELTS** with contrasting sailcloth white. A cinch to sell, we were told, at 1.95. They weren't, so we have notched them down to **19c**.

A size 14 **NAVY LINEN SUIT** with lime and white trim. The lime has eaten most of it away but you can have what is left of a 14.95 suit for **4.99**.

#### LINENS

Downstairs Store

Now here's something that we don't exactly know ourselves what it is. There are 42 of them . . . all non-slip and non-rain models. We find a little tag that says "Texture-Trend", so maybe that's what they are. The price? Don't know that either.

We're at odds and ends over 10 **PLACE MATS**. They're odd enough that we'll give you your choice, right to the end. The regular price is 79c and 98c. Now place these mats on your table at the nominal charge of only **20c**.

4 only **KITCHEN TOWELS**, specially designed for wiping your feet in the kitchen. They're even colored black and brown so the dirt won't show. Also, the knife and fork pattern is guaranteed not to cut your tender footies. The price was 59c until it became evident they weren't worth that much, so now you can get them for **19c each**.

Here's 3 **LUNCHEON CLOTHS** with the map of Oregon all over them. See where you're going while you eat your lunch . . . that's the motto! Or . . . "Please pass the beans that are setting on Sutherland", 54" x 54". Were 1.98. Now that the Democrats are in . . . just **59c**.

**NAPKINS** — only a dozen left. Real top-notch slubber-catchers. Never be caught drooling! Food stains blend in well with our assortment of colors. Were 35c. Only used by the help . . . now **10c each**.

Your dresser will look 10 years younger when wearing one of these **DRESSER SCARVES**. Assorted lengths for assorted dresses. Questionable values up to 2.95. Here's your chance to have the best-dressed dresser in town for only **69c**.

**QUAKER LACE NAPKINS**. Bought in 1776 for the Quakers, but they never got this far . . . so we're stuck with them (the napkins, that is). Could double for lace nose-blowers and selling for only **35c each**. (Were \$1.00)

We don't give a damask for these **RAYON DAMASK TABLECLOTHS** anymore so you can have 'em for just **6.98**. Now mind you, that price includes 4 damask **NAPKINS**, too. Another thing, the price was \$10.00, which you didn't give a damask for, we know!

#### SUB-TEEN DEPT.

Second Floor

**PLAID JUMPERS** in washable flannel. Only 3 of these, sizes 8, 10 and 14. Nobody could catch them for 11.95; they're pretty jumpy. Bring your lasto and if you can catch one, it's yours for only **7.95**.

**WASHABLE FLANNEL SKIRTS** — in plaids and 4 solid colors. Sizes 8-14. This flannel was harvested in the non-linting time of the year to be fully washable. Were 6.95 and 7.95, now a washed out **4.99**.

**COTTON QUILTED JUMPERS** — ideal for early spring track meets. Only 3, sizes 8, 10 and 14. Were 10.95. Now can be hurdled for only **6.95**.

#### SHOES

Main Floor

**287 PAIR WOMEN'S, CHILDREN'S AND BOY'S SHOES**, former values to 19.95. Honest George, ain't nothing wrong with them except that nobody seems to wear the sizes we have left. At this price, you can use them to throw at the neighbor's cat. So even if you don't wear shoes, come in and bow them around a while. 'Cause some of them still look brand new. We're kicking them out at **\$5 a pair** and if you can find 2 pair you like, they're yours for **\$9**. Happy lookin'!

#### Sewing Machines

Then you can whip up all the crazy looking fashions you can want for the cheap price of a few yards of our better quality cheesecloth. Hurry **COMPLETE TV DEPARTMENT**.

#### BOYS' WEAR

Main Floor

We just can't imagine why these **BOYS' SLACKS** haven't been sold. Maybe the color has something to do with it — orchid and pink. (Whoeeeee) Our buyer's face is red now. They're gabardine, in sizes 14 and 16, and we have only 3 pair of these technical productions. Bring your boy in, no wait. On second thought you better surprise him with a 7.50 value for **1.49**.

This **BOYS' SPORT COAT** has a spot on it which no amount of scrubbing, dry cleaning or rubbing will remove. So this is our spotted special, one only, size 16 spot. And we'll spot you 14.95 off the original price. Yours for **3 BUCKS**.

Valley's special — **BOYS' FURNISHED WEKITS**. "Weskit" isn't given in our dictionary, so these must be a B. R. creation — you know, "Before Revolution". We had 5 at this time last year and still have 5 to sell. Sizes 10 and 12, red and green plaids. Only **88c** gets you a 2.95 value.

Foul weather coats for fouled up boys — **BOYS' RAIN COATS**. These fine quality raincoats will shed water like boys shed Dad's shouted orders. The sizes are broken and so is our spirit. You can keep your boy dry for **\$1**.

**BOYS' LEE JACKETS** — These were used by General Lee's boys in the Civil War and got shrunk in the process. Now they will only fit boys who are sizes 6, 8 and 14. We surrender, too, and you can have these 2.49 jackets for a flag of truce and **\$1**.

#### HOUSEWARES

Downstairs Store

These imported **BONE CHINA CUPS & SAUCERS** were made in the Orient before China became Red China. If the salesman who sold us these was here, we'd break a few bones in his head, you can be sure. You didn't want them at 1.49. How about **79c**?

This **COTTON BARK CLOTH** is too noisy and is driving the cats wild. We have to get this material out of here. Makes drapes that will wow 'em for only **98c** a yard. Assorted patterns and colors, a 1.98 value.

Are you a Moslem? Secure one of these non-skid **COTTON RUGS** for your daily devotions at a tear-jerking price. Priced now according to size at **99c, 2.49 and 2.99**. Values to 4.95. Blue, rose, green, yellow or white, they're all rug and all yours, we hope.

We don't wish you any bad luck but just in case the kids have ripped up a curtain or two, consider these **DACRON PANELS**. They let in lots of light, nose neighbors can peek in and everybody's happy. You'll be happier when they're gone at **1.09** each. Rose, white, green, yellow or blue, size 42 x 81". Reg. 1.98.

#### YARDAGE

Main Floor

This rose and grey tweedy **FLEECE COATING** was marked down to 6.98 but didn't sell. No wonder, who wants to be rose and grey and look "tweedy" at the same time. There's only one piece, for which we are grateful, and it was originally 6.98. Take it for **1.99** and good riddance.

This **AVOCADO ORLON AND WOOL** was grown in **JERSEY** and shipped to us by refrigerated freight. It's cool, man! Only one piece of this enchanting (D) material remains and it has never been on sale so this is an original bargain for a change. The 3.19 price has been ripped down to **1.99**.

Here's a loud special — **EMBOSSED COTTONS** with a bright pink, satin stripe. So don't show a yellow streak — make it pink and be in style. Only 1 piece of this fashion creator's nightmare, regular 1.19, with the price pinked off to **79c**.

#### ACCESSORIES

Main Floor

Never can tell what will turn up in one of these Washington's Birthday Sales. Here's a conglomeration of stuff one of the more alert clerks dug up somewhere. **BOBBY PINS**, card 1c; **HAIR BANDEAUS**, cover curlers, pins, etc., the answer to under-ear early morning appearance, 15c; **BAR-ETTES**, 8c; **BRAID HOLDERS**, card of 2, 1c; and 6 **TOOTH BRUSHES**, fugitives from a drug-store, 6c. You'll find these irresistible . . . we hope.

These **LADIES' GLOVES** are both soiled and damaged. We can't say for sure but probably they got that way when the salesgirls wore them in resisting a high-pressure salesman. A stitch here, a stitch there and a wash machine and you've got new **BLACK GLOVES** for 19c.

3 only — **GLAZ VEVET STOLE**. After dark they may ever feel like fur. Steal a regular 8.95 stole for a measly **2.99**.

All aboard for bargains. You can look like a swab with one of these 5 **SAILOR COLLARS**. They're pure white linen, the kind that George always liked, with navy and red trim. Now they're sailing out of here for **89c**. A regular 1.95 value.

You can be snug as a bug in a rug in a **WOOL JERSEY SHRUG** if you can part with only **4.78**, and your shoulders are size 12, 14 or 16. Hurry, girls while we still have all the colors, red, black, beige and white. These were 7.98. Also 2 **WHITE SHRUGS**, casualties from our last sale (damaged) so these 2.50 values are now **\$1**.

Since so many things are being run on credit these days, you should have a **CHARGE PLATE HOLDER** for your credit card. Flash your card in the best Dromed fashion and the sky's the limit. So what if you can't afford it? Reg. 1.00 value for **89c**. (P.S.)

**RHINESTONE BAPETTES** — Trimmed with stones picked up by a Dutchman along the Rhine — or is it just good old cut glass? Well, lude for yourself at only **69c** plus tax. Only 4 of these, regular 1.00 value.

What next — a **JEWELLED MAGNIFYING GLASS**. If you had it now, it would come in handy to read this small sign on a toilet. Use for inspecting friends' noses, restaurant plates, etc. Really a handy item for only **69c**. A 1.00 value.

Forget the rhinestones! We'll get rid of this **KEY CHAIN PIN** somehow. This handsome "flamingo" enamel ornament is yours for **89c**. Quick! It's a 1.19 value.

Make us a visit in front of our eyes. Oh **POLKADOT RYE** — 6 of them for a new middle-somewhat for **79c**, a regular 2.50 value.

Small quantities include the Kleenex and a **SATIN KLEENEX HOLDER**. Your old writer doesn't know if these mount on the wall, in the car or carried in your pocket. Guess! A 1.00 value for a wiped **39c**.

Some of these **FLOWERS** have been here so long they're getting wilted and the leaves are falling off all over the place. A large group, non-allergic, non-toxic and non-selling, either. **29c** gets you a posse value to 1.00.

Only 1 pair of **TERRY CLOTH SCUFFS**. These have been around a long time. For **89c** and the ring of the cash register, they come out doing a boogie-woogie shuffle. Small size, regularly 2.00.

Here's a steal on another **STOLE**. Martha would have liked these two; they're lace, something like fish netting. **1.99** nets you a lace stole, regular 4.95 value.

#### LUGGAGE
