

Oakland Scouts, Cubs Observe Anniversary

By EDITH DUNN
About 100 persons attended a joint boy scout-cub scout meeting Thursday night in the Veterans Memorial Building in Oakland. A

joint program was presented by Scout Troop No. 29 and Cub Pack No. 29 in observance of the 47th anniversary of the Boy Scouts of America.

Mike Lutz and Nelson Somerville were awarded den chief emblems at the meeting. Other cub scout awards were presented to Dennis Parker, Clinton Somerville, Joe Ocumpaugh, Mike McDonald, Jon Lamoreaux, Donald Finley, Bruce Stuwe and Bill Ocumpaugh. Two Oakland boy scouts, Gary Hart and Bobby Webb, attended a sky watch in Roseburg over the weekend with other scouts from the Umpqua Council. They camped out and were on watch from midnight Friday to midnight Saturday.

EAGLE SCOUT Steve Rogers McCarthy has badge of his rank pinned on by his mother, Mrs. Gerald S. McCarthy, as proud father looks on. The award was actually presented by Phil Todd, district Explorer commissioner. The Fullerton PTA presented him with a bracelet for his achievement. A cake decorated with an Eagle was served at the recent court-of-honor. (Wilson Studio).

Rose City Transit Co. To Terminate Service

PORTLAND (AP)—The Rose City Transit Co. served formal notice on the City Tuesday that it would cease its city bus operations March 22, at the end of the day's schedule.

The latest development in the rate fight between the San Francisco-owned company and the City Council came late in the morning when the cease-operations notice was filed with Auditor Will Gibson.

Earlier in the week the firm had threatened to quit unless the city granted its rate demands.

The City Council accepted that challenge with a prompt refusal of any increase.
