

**COMES TO LIFE**—Mount Vsevidof, dormant for 200 years, returned to life on the island of Unmak (arrow, bottom map) in the Aleutian chain following earthquake which caused tidal wave rolling across Pacific. News-map (top) shows the volcano, almost 7000 feet high, in relation to village of Nikolski whose 25 inhabitants fled believing it ready to "blow its top."

**Crosby To Sell Summer Home At Hayden Lake**

**SPOKANE** — Crooner Bing Crosby says he plans to sell his summer home at Hayden Lake, Idaho if he can get the right price for it. The Chronicle said he's asking \$95,000.

"I do like it there very much, but it looks like my opportunities to be in that area will be less and less in the next few years and it seems like quite a bit of money to have tied up in a place that I get so little use out of," Crosby said.

Bing wrote Monday to Bob Emahiser, the Chronicle drama critic and a personal friend, and said he still plans to be at Hayden this summer as usual. He said he will go there after a fishing trip in July to British Columbia with comedian Phil Harris.

The singer's twin sons have returned to school after Army duty. Dennis at Santa Monica, Calif. City College and Philip at nearby Washington State College. Two other sons, Gary and Lindsay, are now in the Army.

The boys frequently accompanied Bing to Hayden Lake for summer vacation. Although Crosby said his lake home is for sale, he also wrote:

"There is a chance that one of the boys may want to live up there in years to come. They have a great many friends in the area and should they decide to settle there, it would be a very good place for them."

The lake home was built at a cost of \$65,000 to \$70,000 in the summer of 1935 and Bing has often referred to it as "just a modest little place." A Hollywood decorator designed special furniture and fixtures.

The Chronicle said the rambling cedar log cottage on English Bay at the lake is listed with a Coeur d'Alene investment company.

**Thornton Challenges Pay Increase Legality**

**SALEM** — Atty. Gen. Robert Y. Thornton said Monday there is a "serious question" as to whether the Legislature can increase its salaries by law.

He was referring to a bill that would double the legislators' \$600 annual salaries.

He pointed out that the Constitution fixes the \$600 salary and said that the Legislature doesn't have power to fix its own salaries. The Constitution can be changed only by the people.

**Agriculture Director Plans To Resign Post**

**SALEM** — State Agriculture Director J. F. Short announced Monday he is quitting at the end of this month to become a ranch broker.

Gov. Holmes has appointed state Rep. Robert J. Steward (D), Baker County rancher, to succeed Short as soon as the Legislature ends. But the end won't come until May or June.

Short recommended that one of his division chiefs be appointed to serve from the time Short quits until Steward takes over.
