ROADMASTER 75

Custom Built by Buick **NOW ON DISPLAY**

A NEW CONCEPT in motorcar excellence awaits your inspection in the Roadmaster 75 just introduced.

You will see what we mean the first time you glimpse the interior.

The impeccable tailoring and taste of the rich appointments are as obvious as the comfort is opulent.

The seats, for example.

They are meticulously fashioned in glove-finished fabrics of broadcloth or Nylon, with backs topped in supple, hand-buffed leather. They are thickly layered with contoured foam rubber. They are wide, deep, superbly soft.

The doors present a new standard of luxury and restfulness—fully uphol-

stered and softly cushioned from floor line to window.

The instrument panel, below the safety cushion, is chromed from end to end. The deep-pile carpeting is backed by foam. The integral armrests are fully in keeping with the spacious grace of the car.

The complete interior is matched by the mechanical excellence that is Roadmaster tradition.

Indeed, nowhere else among the world's fine cars can you enjoy superb performance quite like that of a Roadmaster 75—from the instant response of its brilliant new Dynaflo, to the smooth obedience of its all-new air-cooled aluminum front brakes—newest and the finest in the fine-car field.

Your Buick dealer is ready to show you this magnificent new automobile. See him this week.
