

Don White Resigns Job As Baseball Coach Here

The resignation of Don White, head baseball and jayvee basketball coach at Roseburg High School for the past two years, to accept a post at the new James Madison High School in Portland, was learned Friday.

White has accepted a position at the new school as head baseball coach. He may also coach in other sports and will probably teach general science classes as he has done here, he said.

Roseburg Principal Harry Jacoby said that he had no one in mind to present the vacancy, the only one presently in the athletic staff, White will be moving back to Portland, where he was graduated from Washington High School in 1948.

The Roseburg position was the second coaching position he has held, having come here from Lebanon after discharge from the Air Force. He was graduated from Oregon State College in 1952.

A successful left-handed pitcher in semi-pro baseball while playing for the Roseburg Chiefs in 1955 and the Medford Cheney Athletics last season, the 6-2, 165-pounder hopes to resume playing in the Portland semi-pro league this summer.

While coaching Roseburg jayvee basketball teams he compiled records of 13-7 and 10-9 and his 1955 Indian baseball team finished second in District 5 A-1 with a 3-3 record. So far, this season his Roseburg team has won two and lost one game.

White is 27 years of age, married, has a family of three children. He will move from here in June.

Rain Cancels Games, Tennis Match Friday

Rain in Eugene and North Bend Friday forced the postponement of both the Roseburg-Oregon Rose baseball game and the Roseburg-North Bend tennis matches.

Roseburg will attempt to make up the Frosh game, according to Coach Don White, but no date has been set.

The Indian tennis team was slated to depart this morning for Marshfield for matches there on the second half of their annual coast swing, and Coach Al Hoffman revealed the possibility that the North Bend matches might be made up in the afternoon. The Marshfield match is set for 11 a.m.

A second baseball postponement in the county moved the scheduled Drain-Creswell game up to next Monday because of wet field conditions at Drain Friday.

Darrell Swezey Sets Spear Record In Class C Division

Four Douglas County athletes in the Class C division of the Hayward Relays brought home first place ribbons led by Darrell Swezey's record javelin throw as local entries made a good showing in the annual relay event at Eugene Friday afternoon.

Days Creek and Yoncalla entries made the best team showings with a tenth-place tie among them and Monroe at 12 points apiece, Canyonville placed 15th with 8 1/2 points; Camas Valley was 17th with 5 1/2 points; Drain was 18th with five points; Glendale scored 4 1/2 points.

A seventh county team, Oakland did not score.

In addition to the four first place ribbons, county entries came home with a part or all of four second places, one third, three fourths, two fifths and two sixths.

Swezey uncorked a 165-foot 5-inch throw to set a new Class C Hayward Relays record in the javelin. His throw was one of the best in the state this season and gave the Eagles needed point strength to stay among the top teams.

Other Yoncalla pointmaking came on Frank Curtright's second place broad jump of 19-10 and Leroy Noffsinger's fourth place discus throw of 112-0.

Douglas High Gains Second In Hayward Relay 'B' Show

Scoring in six events, including first place in the distant medley relay event, Douglas High's Trojans took 25 points Friday afternoon to cap second team place among Class B teams at the 20th annual Hayward Relays at Eugene.

The Trojans led a field of three Douglas County teams into the 24-team field and came in second to the winning Oakridge team which compiled 33 1-3 first-place points. Myrtle Creek, entering 21 athletes, got a sixth place point

and Sutherland with 17 entries failed to score.

Nudges Scappoose
Douglas barely edged out Scappoose, which had 24 1-3 points, and Myrtle Point, with 24 for third. The champion Oakridge team received a trophy and the second through fourth places each received a plaque.

The Trojans, coached by Russ Hawk, walked off with three individual event second places, a fifth in the two-mile relay event and a sixth in the shuttle hurdles in addition to their point-making in the distance medley.

Spectacular come-from-behind running by Cliff Thomson in both the distance relay events provided Troy with the places which ultimately gave it second place in the meet. The defending state A-2 champion in both distance relay events anchored the Douglas team by overtaking five runners in each event when he took over.

Earlier in the meet, which was delayed and hampered by heavy rainfall much of the time, discuss thrower Bob Carlson picked up a second place with a throw of 124 feet 5 inches. Terry Counts took second in the javelin on a throw of 149 feet 6 inches and Fred Newton took second in the broad jump with a leap of 19-11 1/4.

Counts placed behind a winning new record javelin toss of 175-2 by Wayne Christian of Eagle Point and Carlson was second to Christian's record 147-2 discus throw.

In the shuttle hurdle relay event, the Trojans barely edged into the scoring with a sixth place finish off the running of Russ Prock, Terry Counts and John Erbe.

Douglas scored in both the distance relay events with the same four runners.

In the two-mile relay Coach Russ Hawk's thinlads took fifth place as Thomson ran the state's fastest half mile this season in the time of 2:03 to move in the scoring after having taken the baton in tenth place.

Thomson ran a 4:39 anchor leg mile to overtake four runners in the distance medley after Jack McLennan had run a 4:40, John Burt had raced a half mile and
