

Oregon Products Cross the Nation with SAFEWAY

Oregon's Largest Agriculture Customer

As a food retailer doing business in 24 states, the District of Columbia and 5 Canadian Provinces, Safeway has played a dominant role in spreading the fame of Oregon products from coast to coast. And through this wide-spread distribution, we contribute upwards of \$100 million each year towards Oregon's economy as a "return" to Oregonians from direct purchases of their products and services.

Take potatoes, for example. In 1956, we purchased 1,286 freight cars of Oregon potatoes . . . over 15% of the total Oregon commercial crop. We shipped Oregon potatoes to such far away markets as Newark, New Jersey; Winnipeg, Canada; Dallas Texas; Little Rock Arkansas, and Kansas City, Kansas. We also shipped thousands of cases of Blue Lake Variety green beans, Oregon Peas, corn, peaches, and pears to our distribution centers scattered throughout the nation.
