X-RAY UNIT HERE — Jim O'Neil, center, KYES announcer, was one of 618 people X-rayed Saturday when a mobile unit spent the day at Nielsen's Market in Roseburg. Aiding were Ken Broyles, left, head technician, and technical Del Hansen, right, in the project, co-sponsored by the Douglas County Tuberculosis and Health Assn. and County Health Dept. With six weeks yet to go in Douglas County, two units so far have X-rayed 10,947 people, compared to 19,108 in 1954, and predictions are for a total examination of 30,000 persons. Mrs. Edward Tauscher, association executive secretary, credits early success to the patch tests given to some 13,000 school children in the county this spring, bringing a public awareness of the units being here. According to Ira Crisp, Jr., president of the group, the post hole digger contractor has been contacted and will make the necessary holes shortly. The street cleaning project, postponed because of bad weather, will be continued as soon as the signs are erected and weather permits.

The group planned tentatively to hold summer meetings jointly with the JC Jills at Sunday picnics.

Tour Roseburg

About 40 children of the Canyonville third grade classes of Mrs. John Davidson and Rosemary Whitbeck took a field trip to Roseburg last week. The children visited the fire station, where personnel demonstrated interesting equipment, and also toured the Umpqua Dairy and the Pepsi Cola bottling company. A noon picnic was held at Umpqua Park.

Mothers assisting the teachers included Mrs. James Hancock, Mrs. Pitts, Mrs. Frank Pockrus and Mrs. Robert Wheaton.

The two classes entertained their mothers at special teas last week, demonstrating the amenities of serving a formal tea. They also presented a program to the guests.

Attend Convention

Mrs. William Preston, and Mrs. R. E. Cassidy, of the Bertha Rebekah Lodge of Canyonville, attended the state convention last weekend at Bend. They were joined by Mrs. Mary Sagaberd, of Gardiner.

The Canyonville school music department concluded the year with a spring concert last week at the gym, with Gene Southwell, music director, in charge. The band and high school triple vocal trio gave a program of both classical and popular music.

Switzerland Forces French Agent's Recall

BERN, Switzerland (AP) — Col. Marcel Mercier, chief of French intelligence services in Switzerland, has been ordered home at the Swiss government's request.

Mercier was accused of buying secret recordings of Egyptian embassy telephone conversations from Swiss Police Inspector Max Ulrich, now under arrest.

The information thus obtained is believed to have led to the arrest of numerous Algerian nationalist leaders in Algeria and France. Atty. Gen. Rene Duhois committed suicide March 23, after his department was implicated in the dealings with Mercier.
