

RESCUED BOY ON MEND
 MANORVILLE, N.Y. (AP)—Seven-year-old Benny Hooper Jr. says he feels better and wants to go fishing.
 But first, said his doctors, he'll need another week or 10 days to shake off several respiratory ills. Benny was trapped almost 24 hours in neck-high sand after he fell to the bottom of a narrow well in his back yard. Rescuers pulled him from the 24-foot pit Friday evening.

According to Yoder, delegates represent Douglas County as a whole, and plan to present the views of the county on education, to the best of their ability. He also stated, the county is allowed seven delegates and one position is still open, with the northeast section of the county having the power of appointment.
 This is the centennial year of the NEA and the representative assembly, of which the delegates are a part, will meet June 30 through July 5 in Philadelphia. Last year's assembly was held in Portland.
 Yoder reported that OEA-NEA membership in Douglas county was highest in its history, with 94.4 per cent of the teachers being members. He credited the leadership of past president, Anton Bryant, principal of Myrtle Creek Elementary School, and membership chairman Dale Skewis, principal of Drain Union High School, for the rise in membership, reports correspondent Jean Yoder.
