The Roseburg High School 100-piece marching band is looking forward to attending the annual Shrine Hospital football game Aug. 24 at Portland, reports Harold Withnell, band director. Last year the band attended also. This is the last band trip that graduating seniors may attend. Marching practice will be announced at a later date.

Glide Seniors See Show In Bus At Bargain Rate

Member of the Glide High School senior class got a bargain when they went on their annual "skip day." Taking advantage of "buck" night at the Starlite Theatre, a bus load of students rolled up to the gate. As advertised, the whole load was allowed to enter for \$1. Paul Frenness, manager of the theater, allowed the bus to park sideways for better viewing and even added free popcorn to the evening's entertainment. The bus had returned from the coast where the senior class had taken its "skip" day.

CHURCH HONORS

Twenty-three graduating seniors from Roseburg High School and two from Glide High were honored guests at the First Presbyterian Church in Roseburg recently. Following the morning services, the entire church congregation was invited to the social room for an informal coffee hour and reception by the host group, the high school Westminster Fellowship.

SCIENCE WORK NOTED

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made

astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name *Preparation H*. At your druggist. Money back guarantee.

As with any completely redesigned automobile, there were some early-season production delays on Mercury/57. But now dealer shipments are at their peak—higher than they will be again this year. This means that your Mercury dealer has a big stock to operate on a high volume, low margin basis. This, plus your present car's higher trade-in value, means that now is the time to make the year's best net deal on your new Mercury/57.

YEAR'S BEST DEAL LOWEST NET PRICE, NOW, ON MERCURY/57

Look at them all! Compare Mercury/57 with competition, say with Car "B" and Car "O". Only Mercury has been completely redesigned from the tires up. Mercury is inches larger, inside and out. Only Mercury offers a choice of 3 great engines and such exclusive

features as Keyboard Control, Floating Ride, Thermomatic Carburetor, optional dual headlights, many others. Point-for-point, Mercury's extra values make it easily the top choice in the medium-priced field.

And what a beauty she is! Clean, functional styling unlike any other car on the road. Size? Comfort? Mercury/57 is built on the biggest size increase in the industry, with a new Floating Ride suspension system. This, plus new power, new performance, countless new features. Enjoy the fun of owning and driving your new Mercury now on weekend jaunts, your vacation trip. It is now available at the year's lowest net price.
