The recent annual festival in Portland was attended by several from Roseburg. Among those were Mr. and Mrs. Frank Duncan, Mr. and Mrs. Zella Hostess, Mr. and Mrs. Clarence Rand, Mr. and Mrs. Earl C. Smith, Mr. and Mrs. Norman J. Smith, Mr. and Mrs. Carl R. Smith, Mr. and Mrs. Milton Schwan, Mr. and Mrs. Del Cornutt, Mr. and Mrs. Curley Reynolds, Bill Craybill and Bern Flory. All of the guests came from the Roseburg-Seward District Club.

Reuben Boshop, first called to the Portland Symphony orchestra and who has played in various bands with the Roseburg Symphony, and also conducted a orchestra here for strings for two weeks, is leaving by plane June 10 to Hollywood to join his wife and two children, who have been there the last couple of months. They will vacation together until July 21, when they will return to their home in Portland. Arrangements were made for the trip by William Clark of the Lewis Travel Service.

Mr. and Mrs. L. W. Metzger returned to their home Tuesday night, following a trip to Corvallis to attend the 50th anniversary of the former's graduation class from Oregon State College. Of the 47 members of the 1907 class, 16-30 were present for the reunion. One couple came from Illinois for the occasion. The class president, Attorney Mark Westford, of Albany, had just received a telegram of a heart attack and was unable to be present, however, his wife was there to read a message from him. Fiftieth anniversary diplomas were presented to the 47 present. Mr. Metzger had not seen several members of the class since commencement exercises in 1907. The Metzgers went on to Portland to spend a few days and then returned here via the coast route.

... Chevrolet with Turboglide!

COLORED PICTURES—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. GET A DEMONSTRATION! The Bel Air Sport Coupe with Body by Fisher.

Chevy's coming with the newest, sweetest, smoothest automatic drive—Turboglide. It's the first and only triple-turbine transmission!

Turboglide is something really new and different in automatic drives. In the first place, there's only one forward-speed position on the control panel. There's no "Low" needed.

Turboglide handles everything with the oil-smooth action of triple turbines. You travel from a standstill to top cruising speeds with never a lurch or lag to mar your motion.

When you see a steep downhill stretch ahead, you set the selector at "GR" (Grade Retarder) and Turboglide helps slow you down. Try Chevy's new, nothing-like-it automatic drive. It's optional at extra cost—and worth it.
