

Saturday Mail Deliveries May Be Eliminated

WASHINGTON (AP)—Postmaster General Summerfield Tuesday reported planning to eliminate Saturday mail deliveries and make other cuts in postal service unless his department gets more money. Summerfield went before a House Appropriations subcommittee with a list of what he said might have to be done if his department doesn't get an extra \$149½ million dollars for the fiscal year beginning July 1. The list was not made public immediately but it was reported to include: Elimination of Saturday deliveries, closing of first and second class post offices on Saturdays, ending sales of money orders in first and second class post offices, closing of some 2,000 small fourth class post offices, a freeze on establishment of any new services during the year and a curtailment on star rural routes. Rep. Gary (D-Va.), chairman of the subcommittee, told reporters after the morning session that Summerfield had "submitted a list of things that will have to be done according to his statement." Armada Jockeys For Position On Review Eve

NORFOLK, Va. (AP)—An armada of incomparable size jockeyed for position today on the eve of the most spectacular international naval review in history. More than 100 ships from the United States and 17 foreign countries, ranging in size from tiny auxiliary craft to the largest warship afloat, the USS Saratoga, began moving from their piers. By 5 p.m., they were scheduled to be in anchorages that formed a double column stretching 14 miles from Hampton Roads to Cape Henry. Every available tug in the harbor took part in the mass movement. The formal review will get under way Wednesday. It is a major attraction of Virginia's 1957 Jamestown Festival, commemorating the 350th anniversary of the first permanent English settlement in the new world. The reviewing ships will be led by the guided missile cruiser Canberra, followed by the guided missile cruiser Boston and the tactical command ship Northampton. Aboard the Canberra will be Secretary of Defense Charles E. Wilson, embarked as the representative of President Eisenhower. Wilson's military host will be Adm. Jerauld Wright, commander in chief of the Atlantic Fleet and supreme Allied commander at Atlantic (NATO).

GUIDE TO MEET
The Guild of the Episcopal Church of the Holy Spirit of Sutherlin will meet Wednesday at 7:30 p.m.
The meeting will be held at the church with Mrs. Wilson Swift and Mrs. Ray Parker as hostesses. Reports correspondent Mrs. Brittain Slack.

Sutherlin Council Mulls Problems, Sets Budget Dates

The Sutherlin City Council Monday night discussed water problems, officially opened a municipal parking lot, opened bids on a piece of equipment and set the hearing and election dates for the proposed 1957-58 budget. The budget hearing will be at 8 p.m. July 8 in the city hall, and the election on \$28,925.18 outside the 5 per cent limitation, will be noon to 8 p.m. July 9. The budget total is \$241,426. The parking lot, located next to the jail, will have 12 rental spaces. The council established rates of \$2.50 a month or \$25 a year to be paid in advance. Five bids were received on a tractor, loader and back hoe. Mayor C.A. Petherick appointed a committee to study the bids and make a recommendation for awarding a contract. A complaint that a chlorine taste in ice used in fountains was investigated by the water superintendent. He reported that it wasn't caused by excessive chlorine, but that he had traced it to an ice machine which supplies fountains in the city. A second investigation by the superintendent disclosed that turbidity in the drinking water last week was caused in a Roseburg Lumber Co. logging operation on Hinkle Creek. City Manager Dean Smith said that turbidity in the water supply usually is beyond the control of the filter plant operator. John Bratton was confirmed as a member of the city budget committee to succeed Mayor Petherick, who took office recently. Mrs. Claude Kesner, widow of the late mayor, presented the council a gavel in memory of her husband. It bears a silver plate inscribed: "To the common council of the City of Sutherlin in memory of Claude Kesner, mayor of Sutherlin from 1950 to 1957." Mayor Petherick opened the meeting with the gavel.

Million Dollar Shortage Found

CHICAGO (AP)—Auditors checking records in the Cook County treasurer's office Monday announced a shortage of funds that may exceed a million dollars and involve the entire tax foreclosure structure. State Atty. Benjamin S. Adamowski said of the discovery: "It is our understanding that this case dates back into the entire tax foreclosure picture." He said, "in our opinion we have the makings of a scandal which far exceeds what was called to our attention two weeks ago." At that time, treasurer Herbert C. Paschen reported that at least \$444,000 was missing in a case "with overtones of similarity with the Hodge scandal." Orville Hodge, ousted Illinois state auditor, is serving a state sentence of 12 to 15 years in prison on his plea of guilt to charges stemming from the theft of more than two million dollars of public funds.

To Plant Poplars
Farrell informed the McCarthys that a row of Lombardy poplars would be planted as soon as possible along the west fence. Another row of slower growing trees will be planted in back of the poplars to replace the faster growing but short-lived poplars.
In other news, the council: Voted to notify LeRoy Kaer that he must demolish a fire gutted structure at 854 SE Kane St. within 30 days or condemnation proceedings will be commenced by the city. Accepted an offer of \$1,875 cash for a street sweeper which was put out of service when the city bought a new one. The bid was made by the Fullerton Equipment Co. of Ukiah, Calif. Approved a payment of \$1,668.69 on the paving contract for Kane Street. The payment to Roseburg Paving Co. is for work done in May.

Bourges-Maunoury Puts Together New French Government

PARIS (AP)—Maurice Bourges-Maunoury today put together a new French government pledged to continue generally the nation's foreign and Algerian policies. He is scheduled to go before the National Assembly tomorrow to present his Cabinet and officially request Assembly approval. Success, now all but certain, will put the 42-year-old Bourges-Maunoury in office as the nation's youngest premier since 1883.

ROME (AP)—President Giovanni Gronchi today started a search for a new Christian Democratic premier to lead Italy out of its most bewildering political jungle in its postwar history. Gronchi scheduled a series of consultations with party leaders after the resignation last night of 69-year-old Adone Zoli, who refused to remain in office because his 22-day-old minority government was dependent on Fascist votes in Parliament. There was no indication who might get the nod, but 55-year-old Giuseppe Pella, a former premier, was mentioned frequently.

Sutherlin Man Passes Monday

Louie Palmer Johnson, age 69, died at his home in Sutherlin early Monday morning. He was born May 10, 1888, at La Center, Wash., and had been a resident of Sutherlin for 15 years. During his active years he was employed as a logger. Survivors include his mother, Tilda, of Seattle; his widow, Effie, of Sutherlin; three daughters, Mrs. Alice Lucas, Mrs. Edna Robbins, both of Sutherlin, and Mrs. Georgia Schwesinger, of Oakland; four sisters, Mrs. Emma McDonald and Mrs. Martha Baker, both of Kirkland, Wash., and Mrs. Sylvia Volberg and Mrs. Barbara Gauffin, both of Seattle; three brothers, Ted of Spokane; Mike, of Seattle, and Peter, of LaCenter; and eight grandchildren. The body has been removed to Stearns and Little Mortuary, Oakland. Funeral arrangements will be announced later.

Missing Man Turns Up Alive; Body Identified
GOLDENDALE, Wash. (AP)—The body of a man found in the Columbia River near here May 21 was not that of Paul Sandman of Hood River. Klickitat County Sheriff E. C. Keiser Monday renewed efforts to establish identification after the earlier clue failed. Sandman, who earlier had been identified as the victim, turned up alive in Milton-Freewater, in northeastern Oregon. Keiser had based the previous identification on information obtained from a worker at the Duwayne and Don Sullivan ranch near Hereford, Ore. Keiser had taken a boat and a watch from the body and showed them to a ranch employee who said they might have been Sandman's.

Mrs. Blaine Flora Will Preside Over State Emblem Clubs

MRS. BLAYNE J. FLORA ... to preside

Mrs. Blayne J. Flora, president of the Oregon State Assn. of Emblem Clubs, leaves Wednesday to preside at the first annual state convention of the association, being held in Portland, Thursday through Saturday. Registration begins at 8 a.m. Thursday at the Elks Temple, where all convention activities will be held. Thursday's activities include committee meetings, welcome luncheon, memorial service for deceased sisters and a banquet honoring presidents of all Oregon Emblem Clubs. Brookings Emblem Club will host the banquet. Between Friday business sessions will be a birthday luncheon, marking the first anniversary of the state association, hosted by Hermiston Emblem Club. Scheduled for Saturday is the state Ritual contest, drill team contest and bowling contest, climaxed by a banquet honoring charter President Mrs. Flora. Hosting will be the Coquille Emblem Club. The convention ends Saturday night with formal installation of officers. Mrs. Conley Davis of Ontario will be installed as president.

Drain Council Member Passes

A Drain city councilman who had been a pioneer Alaskan dentist, Dr. Homer A. Blyth, died Sunday at a hospital in Seattle at the age of 71. Blyth had been an insurance and real estate dealer in Drain for about seven years. He had practiced dentistry in Alaska from 1911 to 1943, when he retired at Fairbanks. He had also lived in Portland and Seattle. Survivors include his widow, Lulu V., and a daughter, Mrs. Dena M. Scott, both of Drain, and two sisters and a brother in Montana. Masonic funeral services will be held in Seattle Wednesday. Burial will be in Seattle.

Repair Business Changes Location

An automobile repair shop that started in 1926 as a Hudson-Exaco agency moves today to a new location. Jim Bartley, the present owner, started as an employee when the company opened. Bartley's new shop under the name of J. M. Bartley, will be at the corner of SE Court and Jackson streets, formerly occupied by Kool Motor Co. The old shop at 629 SE Rose St. will be taken over by Trowbridge Electric Co. for storage. Trowbridge's repair department occupies the other half of the building, recently vacated by Orchard Auto Parts Co. Only two other garages and one automobile dealer are in business now that were operating when Bartley and a partner, Sherman Fancher, bought the shop in 1929, Bartley recalls. He bought out Fancher in 1939.

AP And Telegraphers Extend Agreement

NEW YORK (AP)—Commissioner Walter Magglio of the U. S. Mediation and Conciliation Service, announced Monday that The Associated Press and the Commercial Telegraphers Union had agreed to extend their contract until Wednesday midnight. The contract was due to expire at midnight Monday night. The federal service had summoned both parties to a meeting in an effort to settle a wage dispute. Magglio said in a statement that at his request "the parties have agreed to extend their contract to midnight, Wednesday, June 12." Another meeting was scheduled for Tuesday.

Senator Johnson Ready To Support Foreign Aid Bill

Washington (AP)—Sen. Lyndon B. Johnson (D-Tex.) said Tuesday he will support the \$3,837,100,000 foreign aid bill "right down the line." The Democratic leader's support of the measure was seconded by Sen. William F. Knowland of California, the Republican leader. His comments sharply increased prospects the measure will clear the Senate late this week without any substantial change in the total.

The Senate Foreign Relations Committee, in reporting the measure out to the Senate floor, cut administration requests by 227 million dollars. In a statement, Johnson said: "On the basis of the facts now before us, I am hopeful that the Senate will approve the authorization bill without further reductions."

Johnson held open the possibility that the program will undergo some cuts when the appropriation bill to provide the actual money comes up for action. The authorization measure simply sets ceilings. "It may be that a detailed study by the Appropriations Committee will demonstrate some downward adjustments that can be made," Johnson said. "But this is a problem which we can solve when we consider the appropriations bill with its detailed justifications."

Umpqua River Scanned For Drowning Victim

to the south bank of the river to fish. One, Spencer Purcival, Roseburg, came back safely the same way shortly before 4 p.m. Fishermen, who started across next, started to drift about midstream. He grabbed for a rock, and the current washed the boat from under him. The victim was an employee of Montgomery Ward Co., Roseburg. He is survived by his mother, Mrs. Sally Taylor, Chicago, and by five brothers and three sisters. With the exception of Smith and another deputy sheriff, the search was almost taken over entirely by the disaster squadron, organized about a year ago for just such occasions as Monday's.

Council Adopts Revised Fare Rate For Taxicabs

(Continued from page one)
Co. rates and operating expenses was made by Clarence O. Boe, manager. He said the rates presently in effect for the firm provided approximately a 10 per cent increase in gross revenue. Roseburg Cab has been granted temporary approval for rates calling for 50 cents for the first half-mile and 10 cents for each additional quarter-mile. Extra passenger charges and waiting time were the same as those recommended by the committee. Roseburg's rates amounted to 20 cents per mile (for the first mile) more than those asked by Ellis. His fare schedule called for 50 cents for the first mile, 10 cents for each additional quarter-mile and \$4 per hour waiting time.

Too Much Increase
Jim Knudtson, taxi committee chairman, said his committee felt that Roseburg Cab's rates, amounting to a 40 per cent hike over the zone charges previously used, was too much of an increase at this time. He stated that it was his belief that the committee's recommended fares should be set "on a probationary basis" and that in a few months the council should request reports on operations from taxi firms and final approval to rates. Ellis told the council he still feels his sought-after rates would have been satisfactory but is willing to accept the council recommendation. He said he felt it best if both operators had the same rates.

Ellis also said he thought taxi operators should be allowed to sell reduced fare books to regular riders. These would benefit low income bracket riders who regularly use cabs since there is no bus service in the city. Such books would be non-transferable, he said. When the vote was taken on the committee report, Sid Moon and Ken Ellison joined Myers in voting against it.

Deathrow Author Chessman Granted Hearing On Record

SAN FRANCISCO (AP)—Lawyers for both sides agreed today that because of a U. S. Supreme Court ruling, death row author Caryl Chessman will get a new hearing concerning the record of his original trial. Chessman, who has been in San Quentin Prison nine years, said the ruling Monday opens the way for "what I wanted in the first place—a new trial."

He was convicted at Los Angeles May 22, 1948, on 17 counts including robbery, kidnaping with bodily harm, sex perversion and attempted rape and sentenced to death under California's "Little Lindbergh Law." That law provides a death penalty for kidnaping with bodily harm. The U.S. Supreme Court in a 5-3 decision, ruled he had been denied due process of law because neither he nor his counsel was present when the official transcript of the trial was prepared and because the transcript had been "seriously questioned." Justices noted the transcript had been prepared by Stanley Frasier from notes taken by Ernest R. Perry, court reporter who died before he could transcribe them. Frasier, justices also noted, is a relative by marriage of the deputy district attorney who prosecuted Chessman.
