

Wheat Growers Vote June 20 On Quotas Issue

Wheat growers will vote June 20 from 8 a. m. to 7 p. m. in the Douglas County Court House, Room 214, in the national referendum to decide on continuance of wheat marketing quotas.

The soil bank program has caused a slight change in the eligibility rule for voting, explained J. F. Bonebrake, chairman of the county Agricultural Stabilization and Conservation Committee.

Two-thirds of the eligible voters must approve quotas in order to put them into effect on the 1958 wheat crop.

If quotas are approved, farmers who exceed the allotment will be subject to a penalty of 45 per cent of the parity price on their excess wheat, and the support price for the 1958 wheat crop will be available to farmers who comply with their wheat allotments at a national average of \$1.78 per bushel, which represents 75 per cent of parity.

Noted Rodeo Clown Has Varied Career

regular performer failed to show up during a show.

Slam worked with the great clown and bullfighter, Holmer Holcomb, for a year as second clown. When Holcomb was hurt in 1946, Pickens took over at rodeos for the rest of the year and by year's end was well established in his own right.

In 1950, Pickens got a crack at motion pictures when a Hollywood director spotted him. He passed a screen test and a brand new career was undertaken that lasted six years.

Soldier Tells About Scattering Shell Casings

Mrs. Naka Sakai, 46, in the back. She died almost instantly.

A Japanese district court attached the Nickel statement, if it does exist, would not in itself be cause for any Japanese charges against Nickel.

Even if the contents of such a statement are verified, this source said, "it would not tend to incriminate Nickel because it is not proof that Nickel knew of Girdard's intention to fire shots."

The Army said Nickel has been restricted to his camp at his own request to avoid reporters. His mother said he had written her: "Now I am an associate to the fact and am facing a court-martial."

A. N. Orcutt, Retired Attorney, Dies At 79

the completion of 50 years as a member of the Oregon bar.

He was a past member of the Oregon State Bar's board of governors, a member of the Arlington Club of Portland and the Elks Lodge and Shrine Club in Roseburg.

Survivors are two daughters, Mrs. O. R. Fisher of Seattle and Mrs. Charles W. Fox of Portland; a sister, Mrs. B. W. Cooley of Portland; three grandchildren; and five great-grandchildren.

Man Fatally Wounded In Grants Pass Quarrel

GRANTS PASS — A 43-year-old man was wounded fatally Wednesday night after a quarrel at rental cabins in Grants Pass.

Oran Chastain, assistant police chief at Grants Pass, said Chapin was standing over the body, a small-caliber revolver in hand, when police arrived at the scene after being called by the owner of the place.

Chastain said the shooting climaxed a long-standing dispute between the men over Swisher's drinking. Both men lived at the cabins.

Senator Morse Attacks Foreign Aid Spending Bill

WASHINGTON — Sen. Morse (D-Ore) said Thursday "a senseless waste of millions" on foreign aid has contributed to "a rising tide of anti-Americanism throughout the world."

Morse joined Sen. Long (D-La) in an attempt to cut 300 million dollars from the \$5,637,000,000 foreign aid bill over the opposition of both party leaders.

In the Senate's second day of debate, Morse described a committee - recommended cut of 227 million dollars in administration requests as "but a spit in the ocean of foreign aid waste."

Morse said the administration is seeking to "perpetrate a gigantic hoax on the Senate and the people of the United States" by its proposals for long-range, flexible spending authority.

And, he said, the administration is hiding from the people under the label of top secret, the full story on its use of the funds.

"They are to be spent to supply arms and ammunition to nations from one end of the globe to another," Morse said. "They will be used to build up armed forces of both democratic nations and totalitarian nations."

He said Congress "should insist on a greater degree of public disclosure of the facts concerning the places where the money is spent and the purpose for which it is to be spent."

Democratic Leader Lyndon B. Johnson of Texas told his colleagues he hopes for final action on the bill by Saturday night.

Johnson said earlier he thought it would be "dangerous" to make any "meat axe cuts" in the authorization bill since a subsequent appropriations bill providing the money to finance the program would be "revised downward."

Sen. Long, leading the effort to cut 300 million dollars from the bill's total, filed a written report arguing that those opposing cuts "are too willing to tolerate widespread waste and inefficiency."

Railroad Rates Reduction Given For Fresh Meats

CHICAGO — The Transcontinental Traffic Bureau Thursday approved railroad rate reductions, varying from 7 to 22 per cent, on fresh meats shipped from India, California, Chicago and other mid-west points to the Pacific coast area.

The executive committee of the bureau also approved slight reductions in packing house products shipped westbound but refused a proposal, submitted by livestock interests and Pacific Coast meat packers, on livestock shipped in the same direction.

Charles Hennings, a staff member of the bureau, said the new rates were based on a minimum weight of 30,000 pounds. Old railroad traffic rates still apply on a minimum weight of 21,000 pounds, he added.

"The adjustment on fresh meats and packing house products was necessary to meet motor carrier competition," said Hennings.

Subject to 3 per cent tariff rates, Hennings said 100 pounds of fresh meat shipped from Chicago to the Pacific Coast would now cost \$2.69. The old rate was \$3.30 per 100 pounds. This amounts to an 18 per cent reduction.

A one hundred pounds of fresh meat, shipped from Kansas City to San Francisco and the north Pacific Coast, would be rated at \$2.39, compared to a previous \$3.13 charge, Hennings reported.

Hennings said present rates on packing house products at a minimum weight of 30,000 pounds would be reduced on the same basis as fresh meats except where rates are presently lower.

Fire Levels Building; Cause Not Determined

Fire this morning destroyed a one-story combined shop and living quarters at 1383 SE Douglas Ave.

The building, owned by L. F. Thorne, was occupied by Ed Baehleiner, according to the Roseburg Rural Fire Dept. which answered the call. A city fire engine answered the call but returned to the station when the rural department took over.

The department reported that no cause for the blaze has been determined and that no estimate on the loss has been made. Neither the building or the contents were insured.

Urgent Plea Continues For Information On Cat

No word has yet been received on whether the Glendale cat which bit a small girl there showed indications of rabies.

The doctor who ministered to 13-month-old Kathy Owens has again issued a plea that the owner of the cat call V-E-Rnon 2-6400 with information on whether the cat was ill. The child was bitten by the cat Sunday and was killed by her father, Andrew Owens, before it could be determined if it was carrying rabies.

BODY RECOVERED SHAMOKIN, Pa.

SHAMOKIN, Pa. — A 19-year-old miner buried under 50 tons of shale for 36 hours in a coal mine cave-in was found dead last night.

Hope had wanted for Frank Puffenberger as the searcher, working in shifts, were hampered by sliding rock and walls of the shaft that had to be shored.

O'CONNOR WEDS — NEW YORK — Basil O'Connor, 65, head of the National Foundation for Infantile Paralysis, will be married Wednesday to Miss Hazel Royall, 43, at 2 p. m. in the New York City City Hall.

Unusual Books Discovered During Wilbur Remodeling

By MRS. LEWIS BUNTCLIFF

A large number of unusual books were removed from the attic of the Wilbur school recently, prior to remodeling of the building.

Many of them were very old, among them congressional records dating back to the early 1800's. There were also a number of Oregon histories and old German Bibles. The books were the property of the old Umpqua Academy, and the more valuable one have been stored at the courthouse until they can be placed in a museum or suitable place. Others, including many old classics and fiction books, are being stored at the Wilbur Church.

Mr. and Mrs. Charles Sands are home after a ten day trip to Washington. They visited their son, Dick, at Portland and the Allen Christie's at Bellevue, Wash., then drove back by way of the coast, visiting a number of points of interest and staying over in Long Beach.

Gayle Thompson and Fay Merritt from Coos Bay were weekend guests at the home of their aunt, Mrs. Ed Blondell.

Norma Ruth Pennington spent two days in Portland last week receiving medical treatment.

Mr. and Mrs. Harry Baird, former Wilbur residents, have written friends here of the birth of their first great-grandchild. A son was born recently to their grandson, Jim Adair.

Ricky and Gary Brown of Quail Lane spent the weekend with their grandparents, Mr. and Mrs. R. E. Brown, while their parents were in Grants Pass on business.

Mr. and Mrs. William Tate and son, Dick, of Milwaukee, were recent visitors at the W. E. Thompson home.

Mr. and Mrs. Carl Lehman of Eureka, Calif., have been visiting with her mother, Mrs. D. P. McKay at Wilbur, and other relatives in this area.

Corrin Blondell, who was one of this year's graduates of Roseburg High, has accepted employment in Coos Bay.

Mr. and Mrs. Bernard Grubbe drove to Portland recently to visit Mr. and Mrs. Alfred Hedman, and attend the wedding of her nephew, Dr. Richard Stonebrink.

Marjorie Carroll has joined her husband, Pvt. Lawrence W. Carroll in Anchorage, Alaska, where he is stationed with the Army.

Mr. and Mrs. Earl Irish of Portland spent the weekend at the home of her uncle and aunt, Mr. and Mrs. Lins Emmons on Coles Valley Road.

Mr. and Mrs. Roy Harvey and daughter, Kathy, and Shirley Harvey drove to Vancouver, Wash., last week. Roy attended the reunion of the class of 1947 of the Ogden Meadows High School at the Union Hall. The school building was burned down a number of years ago.

Peggy Hopkins Joyce, Glamor Girl of 1920s, Dies Of Throat Cancer

NEW YORK — Peggy Hopkins Joyce, glamor girl of the 1920s whose marital ventures brought her fame and fortune, died last night of throat cancer. She was about 64.

Miss Joyce entered Memorial Center for Cancer and Allied Diseases June 1 and fell into a coma a few days ago. At her bedside was her sixth husband Andrew C. Meyer, retired banker of New York and Woodbury, Conn.

Born near Norfolk, Va., as Margaret Upton, Miss Joyce was first married at the age of 16, and soon after she won a Broadway as a "bit of beauty" in the "Ziegfeld Follies" and Earl Carroll's Vanties.

Wide publicity attended her marriages and subsequent divorces, especially when she broke up with her third husband Stanley Joyce of Chicago, a multimillionaire lumberman. Details of her divorce suit against Joyce disclosed that, during their marriage, he had given her jewelry valued at \$1,400,000, a Florida home with a marble swimming pool, and a villa on the French Riviera.

During the course of journalistic ventures she wrote a novel, and an autobiography, covered the Ruth Snyder-Henry Judd Gray murder trial as a reporter and conducted a newspaper column—Miss Joyce is a domestic pet which can be nourished with checks, which can be tamed with jewels, and of which one can be rid of with alimony.

Bessie Maddox Passes Today

Bessie Florence Maddox, 64, of Myrtle Creek, died early today at the home of her son, Darrell Bowman, of Myrtle Creek, after a short illness.

She was born in Myrtle Creek, October 3, 1892, and lived there all her life. She was married to Robert L. Maddox, July 3, 1919, in Eugene.

Survivors, besides her husband, include three sons, Darrell Bowman and Warren Maddox, both of Myrtle Creek, and Robert Maddox of Redding, Calif.; two brothers, Claude McCarty and Joseph Dyer, both of Myrtle Creek, and one sister, Mrs. Homer (Capitola) Abbott of Myrtle Creek.

Funeral services will be held Sunday at 2 p. m. in the Christian Church at Myrtle Creek with Rev. Earl Sample officiating. Interment will follow in the IOOF Cemetery in Myrtle Creek.

Ganz Mortuary is in charge of arrangements.

Hospital News

Mercy Hospital Admitted

Medical: Mrs. Merle Lilienthal, John Rader, Winston; Mrs. Gerald Hedrick, Winchester; Mrs. William Francis, Sutherland; George McDowell, Mrs. Larry Piekarski, Roseburg.

Brewster's Trial Recesses While Kennedy Honored

WASHINGTON — The contempt of Congress trial of teamster leader Frank W. Brewster was in recess Thursday while the government's only witness was receiving an honorary degree.

Robert F. Kennedy, chief counsel of the Senate rackets investigating committee, was receiving the degree from Assumption College in Worcester, Mass.

The trial, which started Wednesday, will be resumed Friday. U. S. Dist. Judge John J. Sirica is hearing the case without a jury.

Brewster, chairman of the 11-state Western Conference of Teamsters, is accused of unlawfully refusing to produce union records and to answer questions before the Senate investigations Subcommittee last January.

Kennedy was counsel of that subcommittee and now is chief lawyer of the special Senate committee which took over an investigation of labor-management racketeering from the subcommittee.

Kennedy, on the witness stand briefly late Wednesday, said that before calling Brewster the subcommittee had information which he indicated that (1) some reports Brewster filed with the Labor Department "were not accurate" and (2) there had been misappropriation of funds of the Western Conference and its subsidiary, Joint Council 28 of Seattle.

Principal issue in the trial is whether the subcommittee had authority to inquire into internal affairs of labor unions.

Rose Festival Gets Under Way; Queen Selected

PORTLAND — The annual Portland Rose Festival was under way Thursday, following selection of a queen for the event.

The new queen is 18-year-old Alice Eastman, a brunette senior at Lincoln High School here. She was selected before a crowd of 18,000 in Multnomah Stadium Wednesday night.

A busy round of activities began Thursday for the queen, starting with the annual wheelchair parade at the Veterans Hospital Thursday morning.

A number of bands and marching units paraded in various sections of the city Thursday. Among them were Bremerton and Grants Pass high school bands, an Army band from Ft. Lewis and the Knights of Pythias girls' band from Roseburg.

Night entertainment shows will be held at the stadium Thursday and Friday nights. Air safety officials forced the festival to drop one planned entertainment feature. That was the planned performance of a young aviator while dangling from a helicopter.

The officials said it was too dangerous to have a helicopter hovering over the stadium. They also moved the precision flying exhibition of the Navy's Blue Angels from Swan Island near downtown Portland, to the airport.

Nine Navy ships were scheduled to tie up at the harbor wall here to remain for the rest of the festival.

The junior rose parade is scheduled Friday and the main floral parade on Saturday.

Miss Eastman, an honor student, said she plans to use her Rose Festival scholarship to attend Willamette University at Salem.

Railroads Settle Wage Dispute

CHICAGO — Major railroads and the 20,000-member Conductors Union last night settled an eight-month wage dispute with a three-year contract calling for pay hikes totaling 26 1/2 cents an hour.

The agreement was announced by the National Railway Mediation Board after negotiations between the railroads and the Order of Railway Conductors and Brake-men.

A mediation board member, Leverett Edwards, said provisions of the new contract follow a "pattern of those accepted by unions representing about 94 per cent of all railroad employees."

Under the terms of the new contract, road conductors will receive an immediate raise of 1 1/2 cents an hour. This boost is retroactive to Nov. 1, 1956, the end of the last contract period.

An additional 7 cents hourly will be made effective Nov. 1, 1957, and another 7-cent raise will go into effect Nov. 1, 1958. The new contract also contains an escalator clause that provides for cost of living adjustments.

Road passenger conductors averaged \$659 monthly under the previous contract. Road freight conductors earned an average of \$647.

Mayflower II Completes Historic Ocean Voyage

PLYMOUTH, Mass. — Mayflower II, replica of the original Pilgrim ship, ended her long voyage from Plymouth, England, Thursday.

The ship docked at the harbor shortly after 11 a. m., towed by a Coast Guard craft and surrounded by a big fleet of yachts and other small craft.

Church bells pealed a welcome as the 92-foot bark appeared around Gurnet light, marking the harbor entrance.

Mayflower's arrival marked the end of a 5,000-mile, 54 day voyage reenacting the historic trip of the Pilgrims in 1620.

Idaho Power Tax Writeoff Issue Argued By Senators

WASHINGTON — Sen. Kefauver (D-Tenn.) said Thursday there is "a serious question" as to whether the Idaho Power Co. obtained special tax benefits through misrepresentation, but Sen. Wiley (R-Wis.) challenged him to find "anything crooked."

Kefauver is chairman and Wiley a member of a Senate Judiciary subcommittee on monopoly matters which questioned Thomas E. Roach, Idaho Power Co. president, about tax write-off certificates the firm obtained in connection with two dams it is building in the Hells Canyon area.

Kefauver said inconsistencies in the record of the case raise questions as to "whether the tax certificates were obtained by misrepresentations."

Kefauver said Idaho Power told the Federal Power Commission it had "faint hope" for a tax write-off and would build with its own money three dams which would flood the site of a proposed federal Hells Canyon dam in the Snake River. The company then got a write-off, Kefauver added.

Wiley said Idaho Power apparently "changed its mind" and then sought and obtained a write-off. "Is there anything crooked in that?" Wiley asked. "Just what are we fishing for here?"

Kefauver questioned Roach closely about Idaho Power's construction plans, noting that to qualify for the tax write-off both Brownlee and Oxbow dams must be completed by Dec. 31, 1958. Brownlee is about half completed.

Roach said the FPC license covering the company's dams specifies that Oxbow must be completed by 1961, but that the company can complete it next year.

Roach said he decided to have Oxbow built in 1958 soon after April 1, 1957, when the Supreme Court upheld the legality of the company's FPC license.

Roach insisted his decision to build Oxbow in 1958 was made before the tax write-off certificates were issued.

Asked whether Oxbow would cost more than had been estimated as a result of a "rush-up" construction schedule, Roach said it "may not cost a cent more." Idaho Power never has underestimated construction costs, he declared.

AP, Telegraphers Dispute Continues

NEW YORK — The Commercial Telegraphers Union began Thursday counting votes by traffic employees of the Associated Press who were asked by a negotiating committee to authorize a strike in a wage dispute.

The contract expired at midnight Monday but was twice extended until midnight Thursday. CTU members operate and maintain teletype and Wirephoto equipment in the offices of The Associated Press throughout the country. Approximately 650 employees are involved.

The union rejected an advisory arbitration award of \$4.35 weekly plus a deferred group insurance benefit of 27 cents weekly. The Associated Press announced its willingness to accept the award. Subsequently the union offered to settle at \$6.24 weekly.

Wesman Worthy Again Refused Passport

WASHINGTON — The State Department's Passport Division has tentatively refused, after a hearing, to renew the passport of newsmen William Worthy.

The decision, still subject to final approval, can be appealed first to a special State Department board and then to the courts if the application is rejected each time.

Worthy, employed by the Baltimore Afro-American, defied the State Department's ban on travel to Red China last December. His passport expired last March 4.

WINNER — John Diefenbaker, 61, Prince Albert, Sask., lawyer and leader of Canada's Conservative party, is shown in Regina June 10 after House of Commons election results showed his party will form the next government in Canada. Diefenbaker is expected to replace Louis St. Laurent as Prime Minister. (AP Wirephoto)

Bourges-Maunoury French Premier

PARIS — A resigned, reluctant National Assembly early today confirmed Maurice Bourges-Maunoury as France's 22nd post-war premier by a majority of less than 50 votes. The action ended a three-week Cabinet crisis.

Both the preballot debate and the 240-vote itself reflected the Assembly's lack of enthusiasm. Seventy-three deputies abstained.

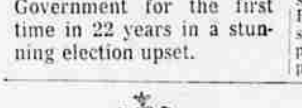

Bourges-Maunoury fell 58 votes short of an absolute majority of the Assembly's 395 members. But only a majority of those voting was needed to install him.

Bourges-Maunoury's program on which he took office virtually duplicates that of his predecessor, Socialist Guy Mollet. The new Cabinet chief, who was Mollet's defense minister, promised the Assembly continued vigorous military action against the Algerian rebels, limited political reforms in the rebellious North African territory, new taxes and fewer imports to rebuild France's almost-gone stock of foreign exchange.

CONFIDENCE SEEN

NEW YORK — Meade Alcorn, Republican national chairman, says the stock market reaction to President Eisenhower's upset stomach was indicative of the people's confidence in the President's policies.

MUST RESIGN — Canada's Prime Minister Louis Saint Laurent (above) must now resign to allow the formation of a new coalition government. His Liberal Party lost control of the Government for the first time in 22 years in a stunning election upset.
