METERED GAS BEYOND THE MAINS!

GOOD NEWS FOR SUBURBANITES

Man, here's what you've been waiting for! Now your family can enjoy the convenience and economy of city gas out beyond the public utility mains. . . Now you can have your Propane (L.P.-Gas) metered as you use it!

Install METERGAS in your new home or adapt it to your present Propane system—and you're "right down town." METERGAS is metered Propane. You pay monthly for the gas you actually use, and you never run out of fuel! There's no tank or system to buy, and no financing is needed. Only a small annual rental on the equipment. Periodic free-inspection keeps your METERGAS System in perfect condition.

Now's the time to join over 9,000,000 other home owners who are enjoying low-cost, dependable Propane gas beyond the city gas mains!
