SEAL-O-MATIC
ASPHALT SHINGLES
defy wind and water

In an actual test J-M Seal-O-Matic Shingles withstood the terrific blasts of an aircraft engine. Wind and water were driven at 100 m.p.h. against a panel of these shingles for an hour, with frequent gusts up to 140 miles per hour... not a tab lifted... not a drop leaked through.

Here's the secret of this amazing shingle. A stripe of special petroleum resin is factory-applied on the underside of each shingle. The sun's heat seals it to the underlying shingle, defying even high winds to pry it loose. Drop in and let us give you a personal demonstration of these patented Seal-O-Matic Shingles.

Instant obedience! Your touch is its command. Start! Neutral! Low! Drive! Reverse! Merc-O-Matic Key-board Control does just about everything but salute. It's so advanced you can even release the Toe-Set parking brake by pushing a button.

COMMANDS THE ROAD LIKE A GENERAL

You're in charge on any road. Here's two tons of solid authority... slung low (less than 4 1/4 feet high) to take the tightest turns... built wide (more than 6 1/4 feet) to hold the roughest roads... made mighty (up to 290 hp) so you can do the exceptional with matter-of-fact ease.

AND HAS ROOM FOR AN ARMY

No need to pull in your elbows. There's room for dad's legs, mother's hats, and for the family to grow in.

For The Big M is the widest car in its field. In fact, there's so much hip room and shoulder room, you'd have to buy one of America's 3 most expensive cars to beat Mercury's seating space. Remember, too, that only Mercury brings you Dream-Car

Design. Only Mercury has Floating Ride—the most effective combination of bump-amortizing features ever put between you and the road. And only Mercury offers you innovations like the power seat that "remembers" and a Power-Booster Fan in the Montclair series. Best of all, Mercury prices start just above the lowest. No need to be wealthy—just wise. See for yourself—at our showroom.
