A WORD TO THE WISE:

Harry invites everyone to come and inspect the newly remodeled store. Over 4,000 square feet of floor space has been added, making Harry's one of the largest new and used furniture dealers in Oregon. We have made special purchases for this event — one of the greatest sales ever held in this area. This is not old, worn-out or shop-worn merchandise, but the latest in styles, fabrics and designs — NEW '57 MERCHANDISE at unheard-of low prices. Harry's is out of the high rent district—so all you have to pay for is the furniture. We buy strictly factory-direct, pay no middleman's profit. Listed here are just a few of the reasons why Harry's is the largest volume dealer in Southern Oregon. Plenty of free parking, free delivery and bank terms on approved credit.
