

With The Garden Clubs Around Douglas County

GOOD EARTH

The Good Earth Garden Club installed the following officers recently: Mrs. Alda Brumbach, president; Mrs. Ada Melton, vice president; and Mrs. Lula Neves, secretary-treasurer.

The installation ceremony was read by Mrs. Nadine Stearns, district director, who was assisted by Mrs. Clara Baldwin, retiring president.

Mrs. Stearns talked on the state

garden club convention held in Coos Bay, and told of the work the Umpqua district has planned at the Veterans Hospital and asked that someone from the club be appointed to help with that work.

Mrs. Vera Banning was named club delegate to assist with the work at the hospital.

Mrs. Allegra Harris was appointed committee chairman in charge of the club booth at the county fair. Other committee members are Mrs. Vera Banning and Mrs. Gene Paulson.

Mrs. Harris reported on work already completed and further plans were made.

It was decided to postpone the club picnic until July. The next meeting will be at the home of Mrs. Bernice Thiele July 18 at 1 p.m.

SUTHERLIN GARDEN CLUB

The Sutherlin Garden Club has Mrs. O. L. Torrey, president; Mrs. Vern Lesinger, vice president; Mrs. Bud Holm, secretary;

Mrs. W. M. Thompson, treasurer; Mrs. Dwight Beck, director for one year; and Mrs. Lloyd Moyers, director for two years.

It was decided to participate in the folies with the Business Women's Club in September, and Mrs. Ralph League was appointed chairman.

It was decided to have a booth at the Douglas County Fair, and Mrs. Bud Holm will be in charge. Mrs. Vern Lesinger and Mrs. W. M. Thompson will be in charge of the Douglas Timber Days children's games that will be held in August, and Mrs. H. K. Halvorsen will have charge of the float to be entered in the parade.

The outgoing president, Mrs. H. K. Halvorsen, was presented with a gift from the club. The next meeting will be July 18 at the Halvorsen home.

The installation meeting was held at the home of Mrs. Cal Gilman, with Mrs. Jake Francis and Mrs. Douglas Geddes as co-hostesses for the luncheon, reports Mrs. Brittain Slack.

RAINBOW GARDEN CLUB

The Rainbow Garden Club went to Sutherlin to visit fuchsia gardens and nurseries on its monthly field trip.

Members met at the home of Mrs. Howard Cracott and went in a group to Sutherlin. They visited Ann's Fuchsia Gardens, Mrs. E. R. Holm's gardens, and Mrs. Aldrop's nursery.

Final plans were discussed for holding the installation of officers dinner meeting July 2 at the Red Barn on the North Umpqua Highway above Glide.

Members making the trip were Mrs. Myrtle McAlpine, Mrs. Marion Harryman, Mrs. Neva Conrad, Mrs. Juanita Woodall, Mrs. Nora Craycroft and Mrs. Robbie Lee Cooper, reports correspondent Rosa Heinbach.

The aircraft carrier USS Saratoga is the longest and widest ship ever built (1,032 feet long, 252 feet extreme breadth).

Oregon's '57 Strawberry Crop Will Be Largest

PORTLAND — Oregon's 1957 strawberry crop probably will be the biggest in the state's history, the Department of Agriculture said Friday.

The season's bumper crop has been swelled to 79½ million pounds by the delivery of 17½ million pounds of berries to market in the past week.

Two weeks of harvest time are left, the department said, and production probably will break the record yield of 81,800,000 pounds, set in 1955.

The predictions of record yields came only a short time after heavy rains and a picker shortage had threatened to ruin the crop.

DEATH CAUSE CHECKED

PORTLAND — Further tests will be made to determine the cause of death of Mrs. Margaret Heem, 45, wife of a county sheriff's deputy.

She was stricken Thursday and died at a hospital. An autopsy was performed but that did not fix the reason for her death, the coroner's office said.
