

Norman Stapleman Takes Council Oath

Norman Stapleman, new Yoncalla City Council member, was sworn in at this week's meeting of the council.

Stapleman succeeds Clyde Powell, who resigned because he will be working out of town too much. Stapleman was appointed to serve the 3½-year balance of Powell's term.

At the same meeting, Stewart Mathis was appointed new fire marshal, reports correspondent Mrs. George Edes.

In other action at the meeting, the council accepted an insurance contract on city trucks and property. The contract was made with Charles Emery of Emery Insurance Co. of Yoncalla.

Two requests were made from the audience at the meeting. Mrs. Edith Wykowsky asked the council to take action in widening A Street and putting up speed limit signs. After much discussion, the council decided to investigate.

The second request came from Bud Arnold in behalf of the Yoncalla Athletic Club. He asked that the city grade a road leading from the high school to the baseball diamond. The council indicated it would have the job done.

The council also decided to have some recently purchased filter material for the water system insured. The council bought 14 tons of "filter aid" recently from the Great Lakes Carbon Corp. of Terrebonne, Ore. Keith McKirdy trucked the filter material from Terrebonne to Yoncalla.

Klamath Falls Airport Rededicated Wednesday

KLAMATH FALLS — Air Force officials Wednesday rededicated the Klamath Falls municipal airport, where a fighter base is being established.

It was named Kingsley Field, for the late Lt. David Richard Kingsley of Portland, Ore., Congressional Medal of Honor winner in World War II. A pilot on the Ploesti oil field raid in Rumania in 1944, he gave up his parachute to a wounded gunner.

"Because of defense force installations like Kingsley Field, we Americans and the free world can rest tonight and every night with greater security and peace of mind in the hope that a sacrifice such as Lt. Kingsley made need never be repeated," said Maj. Gen. Hugh A. Parker, commander of the Western Defense Force.

Youth Center To Open For Recreation Tonight

The Youth Center in Roseburg will be open tonight for recreation and activities.

Plans for a summer program for the center will be made at 8 p.m. Monday at a meeting of directors, officers and teen-agers. The meeting will be at the center.

Havice Services Set For Monday

Graveside funeral services are scheduled Monday at 2 p.m. in the Civil Bend Cemetery for Andrew Vernon Havice, 58, resident of Northeast Gardner Street in Roseburg.

Havice died in a local hospital Wednesday. He was born Feb. 27, 1899, and had lived in Oregon for the past 21 years. He had lived in Roseburg 10 years.

Surviving are his wife, Mabel of Roseburg; a daughter, Mrs. Warren (Irene) Staple, of Roseburg; a son, Clarence, of Roseburg; and two sisters, Mrs. Clara Thom of Pine Bush, N. Y., and Mrs. Hazel Miller of New Brighton, Pa.

The Rev. J. T. Howard of the First Southern Baptist Church of Roseburg will officiate at the funeral services. The chapel of the Roses is in charge of arrangements.

Four Top Soviet Leaders Accused Of Treachery

(Continued From Page One)

chenko, premier of the Ukrainian Republic of the USSR.

Kalchenko said Kaganovich had made "grave and unfounded accusations" against the leaders of the Ukrainian Republic. Kalchenko said this was done while Kaganovich was secretary of the Central Committee of the Ukrainian Communist Party under Stalin's reign.

Kalchenko's accusations were made at a meeting of party propaganda workers in Kiev Thursday and published in Pravda and other papers Friday.

Marshall Zhukov, who vaulted into the membership of the policy-making Presidium in the Kremlin shakeup, told the Russian people the Soviet armed forces will rally solidly around the Communist Party.

In a speech which appeared in all the papers, he said the Soviet Army, Navy and Air Force would "defend our state to their last breath."

Until the Kaganovich accusation was voiced, Molotov had been the most bitterly accused of the four leaders.

But the big question in Moscow Friday was what was going to happen to the four.

Khrushchev and Premier Bulganin packed their bags for a trip to Czechoslovakia.

Other Charges Against Former Judge Dropped

HILLSBORO — Dist. Atty. Francis Linklater Tuesday said the third and final charge will be Harry M. Seabold, a former Washington County judge.

In two earlier circuit court trials, judges directed verdicts of acquittal for Seabold, who had been accused of irregularities in a land sale.

Linklater said the third charge involved much of the same matter as in the trials.

Little Town That Isn't There Dedicated

GEORGE, WASH. — George, Wash., became a dateline without a soul Thursday.

But 3,000 persons and the governor of the state of Washington stood in the sagebrush land of the Columbia Basin and dedicated a town that is not. Except on the plotting board of a promoter.

The 40-acre site has a main street lined with cherry trees. At the terminus of the street is a tall flagpole topped by a hatchet. Owner of the site is Charles E. Brown, who bought the property from the Reclamation Bureau, built roads and curbs and planted the cherry trees. He named it and predicted it someday would be a healthy farm community in the vast irrigated area near Grand Coulee Dam.

Gov. Albert D. Rosellini told the 3,000 persons who attended the dedication ceremonies he too agreed the town of George, Wash., had a great future.

Teletypewriter System Pioneer Dies In Texas

TEXARKANA, Tex. — C. E. Palmer, 80, owner of newspapers and radio stations in Texas and Arkansas and a philanthropist particularly interested in character education of youngsters, died of a stroke Thursday night.

He owned or held interests in newspapers at Texarkana, astride the Texas-Arkansas border, and El Dorado, Hot Springs, Camden, Magnolia and Hope in Arkansas. Palmer's radio interests were in Texarkana, Hot Springs and Camden.

He pioneered the Teletypewriter system for newspapers and set up the first such wire circuit in the United States. The system permits teletype type to be set by perforated tape instead of by direct tape can be transmitted between cities by wire.

Todd And Elizabeth En Route Home Today

SOUTHAMPTON, England — Relax, world. Mike Todd and Elizabeth Taylor are on the high seas for five days, en route home.

For a time Thursday night there was some doubt that the sawed-off, cigar-chewing American showman and his pregnant actress wife would get away on the liner Liberté — Liz had misplaced their passports. But the American consul in Southampton came to the rescue with temporary papers.

An amused witness to the furor was Michael Wilding, Miss Taylor's last husband before Todd. "Look at him," said Todd in their London hotel room, "he's laughing."

"Yes, I am laughing," said Wilding. "It all sounds so familiar."

Kansas Wheat Harvest Dealt Stunning Blow

By LEO MARKS

KANSAS CITY — Heavy harvest rains have dealt a low blow to the nation's breadbasket, and it could be a stunning one for the farmer.

Kansas may produce 50 million bushels less than last year. The same glut situation, in a lesser degree, appears true for Texas and Oklahoma.

But what effect the adverse weather will have on the price of wheat nationally remains to be seen. Agriculture Department officials in Washington said they expect no sharp increases. About 900 million bushels from past crops now on hand is more than enough to absorb the blow, they said.

Price quotations in the affected area, however, show symptoms of rising.

There has been so much rain that Kansas fields look like rice paddies. Last week alone 15-inch totals were general over the state. Rain, hail and windstorms have beaten the grain down into a twisted mass of broken stems, matted like wet fur on the back of a soaked cat. Some fields are considered complete losses.

The sun finally broke through this week in Kansas and some harvesting got under way. "It hasn't been this bad in 17 years," one grainman commented. Meanwhile, deterioration, weeds and rust—a fungus—were taking their toll of the ripe grain.

Woman Scalped When Propeller Catches Hair

SAN PABLO, Calif. — Mrs. Lucreta Galbraith's scalp was torn from her head after her long dark hair was caught in a cabin cruiser's propeller shaft Thursday.

Mrs. Galbraith, 50, San Francisco, her head wrapped in toweling to stop bleeding, was rushed in an ambulance to Brookside Hospital in this San Francisco Bay city.

Surgeons sent Deputy Sheriff Lester Clark racing back to the boat harbor to cut free the scalp skin, tightly tangled by hair to the shaft.

Clark rushed back with the scalp and surgeons stitched it on Mrs. Galbraith's head. They hope the operation will result in a successful healing and restoration of scalp and hair.

Hugh Roy Cullen, Oil Millionaire, Succumbs

HOUSTON, Tex. — Hugh Roy Cullen, 76, oilman who earmarked over 100 million dollars for philanthropy after building a tremendous fortune with a pet theory, died last night.

He had been ill for three months. Cullen struck many a gushing oil well by drilling deeper in areas major companies and other successful independent operators had abandoned.

Before his death he wrote checks for nearly 60 million dollars in gifts. He also pledged the Cullen Foundation over 100 million based on future income from oil properties. The University of Houston, the greatest beneficiary, has received an estimated 30 million dollars.

Hungary Spares Lives Of Uprising Leaders

BUDAPEST — Hungary's communist government has spared the lives of a playwright and a journalist for whom Pablo Picasso and other Red intellectuals in the West applauded.

The death sentences against Joseph Gall, 27, and Gyula Obersovszky, 30, for participation in last fall's anti-Soviet revolt were commuted by the Justice Ministry. Gall's sentence was reduced to life in prison and Obersovszky's to 15 years.

Cowboy Killed As Bull Stamps On His Chest

PRESCOTT, ARIZ. — Great, humpbacked Brahma bulls, so vicious that they have thrown 21 of the 27 cowboys who tried to ride them in rodeos during the last two weeks, killed a rider Thursday and injured two others.

Six thousand spectators saw the enraged bulls at the 70th annual Frontier Days Rodeo.

One of the bulls stamped on Odie Sullivan's chest as he was bringing him out of the chute. The 27-year-old rider from Kanab, Utah, died shortly afterwards in the hospital.

NEW CHIEF of the Winston-Dillard Rural Fire Dept. is Mike Neely. He was named this week to succeed Barney Shepherd, who resigned recently. (Paul Jenkins)

Presley Lead Dies In Wreck

BILLY THE KID, Wyo. — A promising career of movie starlet Judy Tyler, 24, was blotted out in a head-on collision of two automobiles at this southern Wyoming roadside hamlet.

Fatally injured was her bridegroom of less than four months, Gregory Lafayette, also 24, a television actor of Hopewell Junction, N.Y. He died in a Laramie, Wyo., hospital a few hours after the Wednesday night crash.

Miss Tyler, who just completed the lead role opposite Elvis Presley in the movie "Jailhouse Rock," was killed instantly as was Donald D. Jones, 23, Hanna, Wyo., riding in the other car.

Told of the tragedy, Presley said in Memphis, Tenn., "Nothing has hurt me as bad in my life. All of us really loved that girl. I don't believe I can stand to see the movie we made together now."

Volunteer Searchers Seek Missing Youth

LEWISTON, Mont. — Volunteers searched a heavily-timbered mountain area near here Friday for a missing 17-year-old boy who has been three days without medicine he needs daily to prevent exhaustion.

The boy's father, Claude Foster of Billings, Mont., said that his son, Robert, must take the medicine for a thyroid condition.

The youth has been missing since Tuesday, when he disappeared from a Southern Baptist Assn. camp hiking party in Central Montana, 22 miles northeast of here.

Earthquake Deaths May Exceed 1,500 Figure

TEHRAN — Official sources say the earthquake in north Iran was the world's most devastating since 1949.

Aid teams still were unable to reach many of the 100 villages reported destroyed Tuesday. But a government spokesman said last night the number of Iranians killed would reach well over 1,500. A member of Parliament put the figure at 3,000.

The earthquake-battered area curved for 500 miles from the Soviet Azerbaijan border on the north-west, southward around the Caspian Sea and back to the border of Soviet Turkmen on the north-east.

Bobby Locke Winner Of British Golf Open

ST. ANDREWS, SCOTLAND — Bobby Locke of South Africa won the British Open golf championship Friday by shooting rounds of 68 and 70 on the final 36 holes for a 72-hole total of 279.

Two American entries, Cary Middlecoff and Frank Stranahan, finished far behind with total of 289 and 291, respectively. Both Middlecoff and Stranahan shot 74 and 72 on the last two rounds.

SEE BOMB FLASH

KLAMATH FALLS — A number of residents of this Southern Oregon city saw the flash from the powerful atomic device that was exploded early Friday morning at the atomic test site in Nevada.

"It lit up half the sky," one observer said.

The testing site is some 600 miles southeast of here.

Heavy Concentration Of Icebergs Reported

NEW YORK — A heavy concentration of icebergs in dense fog off Newfoundland was reported Friday by the captain of a Greek liner. New York upon the ship's arrival here.

Captain George A. Georgiou said he never before had seen such a concentration in that area at this time of year.

He said 50 icebergs, one looming 150 feet above the water, were counted on the ship's radar in a 12-hour period, starting at 6:30 p.m. last Monday. Six other vessels in contact with the New York counted 250, he said.

Portland Area Food Prices Up 3.1 Per Cent

PORTLAND — Food prices in the Portland area for the mid-April to mid-May period were up 3.1 per cent compared with the same period a year ago, the federal Bureau of Labor Statistics reports.

The index also was up nine-tenths of one per cent compared with the previous 30-day period, the bureau said.

Leading the list of increases were fruits and vegetables which jumped 4 per cent. Meats, poultry and fish were up 1.8 per cent and dairy products up .4 per cent.

Four Persons Killed In Crash Near Ontario

ONTARIO, Ore. — Two cars smashed head-on on a curve in U.S. Highway 30 in Eastern Oregon Wednesday, killing four persons and injuring two others.

State Police Sgt. Russell Haynes identified the dead as: Olaf M. Berg, 59, Seattle; Charles Marlin Baker, 40, Salt Lake City, and two women, one in each car, who were not identified.

Girard Weds Candy Formally; Charges Levelled

CAMP WHITTINGTON, Japan — GI William S. Girard and the Japanese girl who offered to serve any prison term he might be given were married again Friday in a simple church ceremony.

"This is a very happy event," the smiling, 21-year-old soldier said after the Methodist rites in Camp Whittington's small white chapel.

The 27-year-old bride, Haru (Candy) Sueyama, said in English into a microphone: "Thank you very much."

Then the couple drove to the home of friends inside the camp for a wedding party. Girard is restricted to the base pending the outcome of an international wrangle over whether Japan or the Army should try him for killing a Japanese woman while on guard duty last January. He had to return to his barracks — without Candy — tonight.

On the wedding eve an American congressman added fuel to the controversy over the Girard case, declaring that official Army reports indicated Girard had lured Mrs. Naka Sakai to her death on a U.S. firing range a few miles from here.

But Rep. Burleson (D-Tex.) said in Washington the Army had testimony from another soldier that Girard urged him to throw out shell casings to attract Mrs. Sakai a scrap collector, and that Girard had told the woman to pick them up. Burleson is chairman of a House subcommittee which investigated the case.

Two Killed As Driver's Attention Distracted

DANVILLE, Va. — Because a little boy dropped ice cream on his father, two little girls were killed and a third critically injured on U.S. 58 five miles east of here Thursday.

James H. Fallon, 27, Sutherland, told state police the car he was driving swerved off the highway when he looked down to brush away the ice cream dropped by his son, who was standing on the front seat.

The car struck three sisters, fatally injuring Patricia Anne Dillard, 9, and Cynthia Louise Dillard, 7, Ringgold. A 4-year-old sister was in critical condition in a Danville hospital.

Fallen was charged with manslaughter.

Two Railroad Crewmen Safe As Train Plunges

EDENTON, N.C. — Two railroad crewmen were plucked from the murky waters of Albemarle Sound early today after two diesel engines and the first three or four cars of their freight train crashed through a trestle spanning the sound.

Rescue workers searched for three other crewmen reported missing.

Tremendous Atom Bomb Exploded In Nevada

(Continued from page one)

skipped over Las Vegas, 75 miles to the south, but were felt in many California communities more than 300 miles away. No damage was reported. The shocks, likened to the sharp jolts from sonic booms, took more than 20 minutes to reach California.

A witness in St. George, Utah, 100 miles distant, said the flash was like "looking at the sun." It was "very bright" in Klamath Falls, Ore., 500 miles away, in Los Angeles, 500 miles away, it lit up all the heavens.

Observers on News Nob, 13 miles from ground zero, the most overwhelming effect was the arrival of the heat wave, followed by terrific concussion waves which roared in over the desert.

Fifteen minutes after the explosion, the Marines climbed out of their trenches and removed their gas masks.

Then they headed for a loading zone.

A great flock of helicopters whirled in from their base behind News Nob. Amphibious tractors swarmed into the loading area. The copters picked up 886 Marines and the tractors took 204 aboard.

Then they moved into an area theoretically held by an enemy which had been blasted with an atom bomb.

The Marines' mission was to seize, consolidate and defend this objective.

With the Marines in the trenches were 400 military observers, including an advance party of Canadians who will participate later in the series.

Approximately 126 aircraft participated in the test.

Big Fireworks Display, Rodeo Attract Crowds

later that a portion of the planned show did not materialize because supplies were not shipped, but the audience seemed to be pleased with the display.

Among the larger standard presentations were Old Glory in color, the Statue of Liberty, a large pin-wheel merry-go-round, a "battle-ship battle" featuring roman candles for shells being fired from each at about 60 feet, a seal ball-balancing act, a tree-shaped structure with magnesium flares, a color wheel and a half harvest moon.

About a half dozen smaller pieces also were shown.

Donations totaled \$364. The balance of costs are underwritten by five city service clubs and the city.
