*One Blazing Match.
can destroy a Forest*

Only one match, carelessly tossed away, may result in the destruction of thousands of acres of growing trees. It's so easy to prevent this needless loss, for which all of us pay. Simply break your match before you throw it away. Then you it's out. Never toss away a burning cigarette. Never leave a camp fire without knowing not a spark remains. The danger of forest fire is never over. Exercise care at all times.
