

Glendale Resident Undergoes Surgery On Malignant Mole

By MRS. GERALD B. FOX
Howard Edson Jr., son of Mr. and Mrs. Howard Edson of Glendale, underwent surgery at a Eugene hospital for a malignant mole recently.

Edson had been working on his car when the tumorback of the car fell, striking his back and causing the mole, which had been giving him trouble for only a few weeks, to hemorrhage. It was found that the malignancy had spread and he was in surgery the next day for eleven hours. Reports this week indicate that Edson is in good shape and his physicians are extremely hopeful concerning his condition. His wife and mother are with him in Eugene, where his father, postmaster in Glendale, has been driving back and forth when it is possible.

Edson's two children are with his sister Mrs. Richard Reid and family in Grants Pass. Edson coached in the high school several years ago.

Among the sightseeing trips taken while the visitors were here was a visit to Winchester Bay in which the two couples caught ten Silver salmon.
