Dexter might be the winners of the Cascade League baseball action, but to Sutherland they are just another ball team as Sutherland humbled them by the score of 10-4 in a game played on the winners' field Sunday.

Putting together two runs in the first inning, three in the second and another run in the third, Sutherland rolled into a lead that they never gave up.

Walker gave up pitcher Frank Weber and Carl Bay, plus singles by Bert Avery and Tony Arana accounted for the two first-inning runs and a walk to Myers, a double by Bill Medford and a long home run by Jim Medford accounted for the runs in the second inning.

Dexter scored a single run in the top of the first inning and then added two more in the fifth and one in the sixth to account for their four runs.

After adding single runs in the fifth and sixth innings, Sutherland pushed across two more runs in

the seventh on one error and singles by Nub Beamer, Carl Bay and Medford. Medford with 3-4 was the top batter for Sutherland followed by Tony Arana with 2-4, including a triple. Ed Dowdy with 2-4 was the top batter for Dexter.

Dexter is finished in league play for the season, having a bye next week when they were supposed to play Drain, while Sutherland will be at Cottage Grove for their final league game of the season.

Fight Still On

NEW YORK (AP) — Promoter Emil Lence said shortly before noon Monday that on the basis of the most recent U.S. Weather Bureau forecast Monday night's Floyd Patterson-Hurricane Jackson heavyweight title fight would go as scheduled.

Lence said that widely scattered showers were forecast for late afternoon and this evening but that the weatherman was unable to pinpoint them.

"On that basis, we are going to go ahead," he said.

Loggers Lose In Rogue Loop

Glendale took it on the chin for the fifth time in league play Sunday as Camp White bounced up to defeat them by the score of 7-4 in a Rogue Valley League baseball game played at Glendale.

Wayne Berg started the Glendale fourth by reaching first base on an error and then went to third on another error on a ground ball by Ray Munyon.

Manager Tom Prestianni singled for the first run of the game, for Glendale, followed by two more singles by Troy Reynolds and Buddy Smart to give them the three runs.

Glendale added a single run in the last of the sixth inning on a triple by Reynolds and a single by Jack Snellings to take a 4-2 lead, but after adding a single run in the top of the seventh, Camp White went ahead for the last time in the top of the eighth with a pair of runs.

They added their final two runs in the top of the ninth. Top batters for the losing Glendale team were Prestianni and Reynolds both with 2-4, while Al Atkins with 3-5 and John Eggink with 2-3 lead Camp White at the plate.

Braves Still Lead NL By Half Game Count

His six-hitter enabled the Braves to defeat New York 5-3 and split a double-header with the Giants. It was his fifth victory in his last six decisions — all since he found the combination back on June 28.

With McDaniel's one-hit masterpiece winning the first game 4-0 and Joe Cunningham's 11th-inning homer the second 9-8, the Cardinals chopped Milwaukee's lead to half a game. The Braves had lost the opener to ex-mate Johnny Antonelli's six-hitter 2-0.

Brooklyn, with Johnny Podres winning his ninth, beat Cincinnati 7-2 to move within 1½ games of the top and drop the Redlegs 2½ games behind Milwaukee in a fourth-place tie with Philadelphia. The Phils had a happy day in Chicago, topping the Cubs 3-2 for Curt Simmons' 10th and 7-1 as rookie ace Jack Sanford won his 14th against three losses with a six-hitter.

Chicago's second-place White Sox moved up to within 3½ games of the front-running New York Yankees in the American League, defeating Baltimore 4-3 while the Yanks settled for a draw in a 7½-hour double-header with Detroit. Lou Sletter's clutch relief saved the first for the Tigers 6-5, but Bill Skowron's run-scoring triple off a weary Billy Hoef beat Detroit in a 15-inning nightcap.

Ted Williams, his bat mark up to 376, slammed his 29th homer, a double and two singles to lead a Boston comeback that beat Cleveland 9-8; and Kansas City won twice from Washington, 6-2 and 3-2 in 11 innings.

The Braves broke out with four runs on four hits in the fourth inning to win for Conley. Willie Mays hammered six hits in eight

trips, four in the first game. Gene Baker's double with two out in the second inning was the only hit off McDaniel, who didn't permit another baserunner in running his record to 5-2. Hoyt Wilhelm won his first in relief as the Cards scored three in the nightcap ninth to tie the score and set the stage of Cunningham's winning homer off Nelson King.

Gran Slammer

Carl Furillo's grand slam, Cincinnati's Brooks Lawrence his seventh loss in 18 decisions and was more than enough for Podres to win his ninth.

The Phils got two RBIs from

Paul Foytack won his 12th in the opener from the Tigers at New York, thanks to 2 1-3 hitless innings of relief from Sletter. Hoef went all 14 1-3 innings of the nightcap, losing when Skowron's triple followed a walk to Mickey Mantle with one out in the 15th. Bob Grim won in relief.

Bill Fischer's tidy relief pitching and Larry Doby's two RBIs featured the White Sox victory.

With Williams blasting away to win for George Susce over Don Mossi, Cleveland's Vic Wertz and Rocky Colavito wasted a big day at the plate. Each slammed two home runs, Wertz driving in five runs and Colavito three.

WHY DO YOU READ THE NEWSPAPER?

COPYRIGHT 1957, BUREAU OF ADVERTISING OF THE AMERICAN NEWSPAPER PUBLISHERS' ASSOCIATION, INC.

"I sit down with the paper every day to read it

and look for ads on things I need..."

one reason why people pay over \$3,000,000 a day for the privilege of reading and shopping from more than 57,000,000 newspapers daily. People like to ponder over a potential purchase... and the best place to ponder is in the newspaper.

Whatever you sell, wherever you sell it — nationally, regionally or locally — you'll get more help selling it through the daily newspaper... where people find time to listen to your story.

* From "The Functions of Newspapers for Their Readers," a study conducted for newspapers by Social Research, Inc.

Morning, noon or night, any day of the week, in the house or out, the newspaper remains to be read — and shopped — at the reader's convenience. Some folks like to read their newspapers before bed. Others relish them with the morning coffee.

This is one of the great pluses for an advertiser — as so many advertisers well know. An ad is read by newspaper readers when the readers feel like it. There is no intrusion upon the readers' time and therefore no resentment by the prospective customers.
