With less than eight weeks remaining, that bustling National League pennant race may have a strange twist. The honored home advantage may prove to be like Johan and the whale—it ain't necessarily so.				
St. Louis, in first place by half a game, has more games remain-				

ing on the road (29) than at home (22). But the Cards are tops in the league with a 30-18 road mark for a .625 percentage.

Second-place Milwaukee has 25 left at home, 25 left on the road—but it shouldn't matter either way. The Braves are exactly the same at home 31-21 as away.

Brooklyn's third-place Dodgers are best at home with a 31-20 record and play 26 of their remaining 50 at Ebbets Field. But that home bulge is padded with a 16-4 record against the tailenders and the remaining 26 games in Ebbets are split evenly among contenders and the three-team second division.

Cincinnati splits its remaining 30 at home and away, with a 30-22 record at Crosley Field and a 28-24 mark abroad. Philadelphia has 26 remaining at home, 23 away, but the Phillies have been only slightly better in Connie Mack Stadium (28-23) than on the road (28-25).

The Dodgers added to their "get fat" trick against the Little Three with a 5-2 victory over the New York Giants last night in the only NL game scheduled. Cleveland ended the New York Yankees' winning streak at eight games with a 7-2 decision in the only American League contest.

The Brooks, now 2 1/2 games out of first, broke a 2-2 tie with a fifth-inning run that scored without a hit, then added two more in the seventh to overcome Willie Mays' one-man show for the Giants. The Dodgers couldn't stop Mays, who had four hits including his 25th homer good for two runs, until they had to.

Mays came up with two out and two in the ninth. Clem Labine relieved Don Drysdale and nailed Willie on an infield grounder.

Rav Crone lost it, with the Brooks taking the lead as Junior Gilliam walked stole second and moved around on a long fly and Elmer Valo's infield chopper.

Mike Garcia, who had a 100 percent batting average since Aug. 1, 1955, got the job done for the Indians with a nine-hitter. He walked six, but left 11 runners on base and was backed up by Gene Woodling's homer and a bases-loaded single that drove in five runs. Don Larsen lost it to remain winless against Cleveland in his career.

Argentinian Nails All-American Golf

CHICAGO (AP)—Virtually all the top-name golf pros were girding themselves today for the start of the game's richest event—the \$101,200 "World" championship.

While they waited for practice rounds on the Tam O'Shanter course where the battle for a \$50,000 first prize and \$50,000 exhibition tour contract begins a 72-hole grind Thursday, talk centered on Gene Littler.

Littler's course record-matching 63 yesterday, but rubbed out the fact that Roberto de Vincenzo won the All American title.

It was Littler's last-round effort that drew the applause, and not De Vincenzo's final 70 which gave the hefty Argentine, now a club pro in Mexico City, a 72-hole tally of 273—15 under par—and the \$3,500 first prize.

Littler's final round, equaling Lloyd Mangrum's mark set in 1948, lloyed him to second place with 27, worth \$2,500.

Sam Snead was third with 278. Then followed Paul Harney with 279 and Art Wall Jr., Dow Finsterwald, Fred Hawkins and Bob Rosburg at 281.

Littler would have won a \$10,000 prize for breaking the tourney mark if he eagled the last hole. Probably with thoughts of Lew Worsham's feat of 1953, when he eagled the 18th to win the "World" crown with the last shot in the field, Littler pulled out a wedge. He was 120 yards away. The shot was near perfect. It hit in front of the pin and skidded to a stop 2 1/4 feet beyond. He was down with a birdie 3.

"But where I really lost the record was on the sixth hole," said Littler, who has won the Tournament of Champions in Las Vegas three years in a row. "On the 445-yard sixth hole, a wedge shot hit the pin and stopped eight inches away. I got a par 4, but if the pin had been out, I'd have gone in."

The other All American winners:

Men's amateur—Crooner Don Cherry with 295 for a one-stroke margin over Howard Everitt, Northfield, N.J., salesman.

Women's pros—Patty Berg for the fifth time with 302, a two-stroke edge over Jackie Pung in winning the \$1,500 top prize.

Women amateurs—clifford Ann Creed, 18-year-old Opelousas, La., player with 320 for a 12-stroke bulge over Lois Drafke of Chicago and Sandra Clifford, Mexico City.

Close PCC Football Race Seen By Casanova

EUGENE, Ore. (AP)—Len Casanova, head football coach at the University of Oregon, voiced the opinion Monday night that the 1957 Pacific Coast Conference grid race would be a tight one.

Returning from a trip through California, Casanova predicted the PCC football schedule would resolve itself into a wide-open affair, with a half dozen teams having chances to win the crown.

Casanova said the probable winner would be the team that can capitalize on the breaks.

Lou Boudreau Faces Wolves In Kansas City

KANSAS CITY (AP)—Like Bobby Bragan of the Pittsburgh Pirates, Lou Boudreau may find Chicago is the end of the line in his job as a major league manager.

Boudreau will send his floundering Kansas City Athletics against the Chicago White Sox tonight in the opener of a three-game series in the Windy City.

It was there that the Pirates gave Bragan the heave-ho during a series with the Chicago Cubs last week.

Joe McGuff, baseball writer for the Kansas City Star, wrote from Chicago last night that if Boudreau "is dismissed the move probably will come here."

TAYLOR SOLD
SEATTLE (AP)—Joe Taylor, power-packed right fielder, was sold outright Thursday by the Seattle Rainiers to Cincinnati of the National League. He will report immediately to the Redlegs.

We wouldn't have to fight pests in a

Timberib building!

You couldn't run into a post inside a Timberib building if you tried to. There aren't any. In fact, there's nothing inside these durable arch-topped buildings except 100% usable space which you can get at the lowest cost of any equally permanent and handy structure.

The Timberib rafters which frame the buildings are engineered for rugged farm service. They are pre-cut, pre-fitted and pre-drilled to go up fast, even with regular farm labor. Available in several designs, in clear span widths from 32 to 60 feet.

If you are thinking about a building for machinery or grain storage, or a barn, loafing barn or utility building, see us now about the unmatched economies of Timberib.
