

Senate Passes Civil Rights Measure

The News-Review

Established 1873 28 Pages ROSEBURG, OREGON—THURSDAY, AUGUST 8, 1957 ★ 185-57 PRICE 5c

WAITING FOR DAYLIGHT is a U. S. Forest Service rescue team camped Wednesday about 1/4 mile from the crashed helicopter near Illahe Rock. Standing in the center is Dr. A. B. Monroe, with glasses and hat. Behind the doctor are Lloyd Rogers, News-Review staff writer, left, with flashlight; and Deputy Sheriff Louis Suiter, right, with arms folded. (Photo Wayne Woodman)

SURVIVOR — Betty Mosher, Mercy Hospital X-Ray Technician, prepares Michael D. Moore, 18, for X-rays. Moore, a forest service employe, was injured in a helicopter crash Tuesday evening about 55 miles east of Roseburg. The pilot, Bruce Forster, 29, of Berkeley, Calif., was killed in the crash. The helicopter was being used in timber inventory work by the U. S. Forest Service. Moore is a Michigan State University student working in the Umpqua National Forest during the summer. Helicopter Crash Survivor Reported In Good Condition

By WAYNE WOODMAN
Staff Writer, News-Review

The U. S. Forest Service worker who survived a helicopter crash Wednesday was reported in good condition today at Mercy Hospital.

Michael D. Moore, 18, Lansing, Mich., a member of a forest inventory crew, received only a bro-

In The Day's News

By FRANK JENKINS

Yesterday's big story—told in black headlines in print and repeated summaries over the air—Mrs. Eisenhower (known affectionately to all of us as Mamie) was operated on at Walter Reed hospital in Washington. The White House says the operation was performed for what is termed a "benign condition." That is to say, it wasn't cancerous.

Asked by newsmen about the precise nature of Mrs. Eisenhower's ailment, White House press secretary Hazelrigg pointed out that the surgeon who did the operation is a gynecologist. A gynecologist, he added, specializes in women's ailments.

He said the operation involved "nothing serious and was not an emergency"—that the surgery had been under consideration for some time. He reported that it disclosed "nothing malignant" and that the 59-year-old First Lady of the Land is in good condition.

Ah, the fierce white light that beats upon the great of the world! For them there is no such thing as privacy.

It is pleasant to be able to report that in this particular case it isn't mere morbid curiosity that

Sunset tonight, 7:26 p.m.
Sunrise tomorrow, 5:11 a.m.

Fire Weather — Fire danger low in northwest Oregon and along coast with lowest humidities above 40 per cent through Fridays. Continued moderate danger in interior of southwest and central Oregon.

Pilot Died Of Suffocation In Copter Crash

By LLOYD ROGERS
Staff Writer, News-Review

The real tragedy of Tuesday's helicopter crash was revealed today.

James Bruce Forster, the pilot, died of suffocation while hanging from his safety belt. This was learned today from coroner L. L. Powers, who said a post mortem examination revealed the cause of death.

Wednesday morning, while Dr. A. B. Monroe was ministering to the injured survivor of the crash, Michael D. Moore, "Mike" told of his efforts to get Forster out of the wreckage. He said he had no knife and efforts to cut the belt with a "Cration key" were futile.

The pilot was dead by the time the first person arrived on the scene. The helicopter was upside down and Forster was hanging by his belt, feet and head down.

Oakland Council Discusses Special Police Status

At a meeting of the Oakland City Council this week there was much discussion on the subject of the status of special policemen and hours necessary to be patrolled.

It was announced that gas used by the city will be divided between Nelson's Shell Station and M & D Town Garage. A letter from Roseburg was read pertaining to a meeting Aug. 27 to discuss building codes.

A check of \$269 was received from the garbage collectors, and Judge L. F. Stearns reported \$70 collected in fines last month. Levying of streets was discussed and it was voted to repair the grader. A radio for the ambulance belonging to Stearns and Little Mortuary for use in civil defense was discussed. All councilmen and city officers were present, reports correspondent Edith Dunn.

Oakland Man Critical In Attempted Suicide

A 62-year-old Oakland man, Charles Beguhl of Rt. 1, Box 97, was in critical condition at Douglas Community Hospital this morning after attempting to take his life with a gunshot. He was rushed to Sacred Heart Hospital in Eugene soon after with the bullet fired from a .22 calibre pistol still lodged in his head.

According to Vera Littel, deputy Douglas County coroner, Beguhl shot himself at his home about 9 a. m. today, apparently despondent with family troubles.

Beguhl lives about nine miles east of Oakland on Drivers Valley Road.

Sutherlin Youths Plead Innocent To Charges

Four Sutherlin youths arrested by Roseburg police Sunday night after they had allegedly prowled cars in a used car lot entered innocent pleas in municipal court this week. Two were charged with vagrancy and two with curfew violation.

Charged with vagrancy were Michael Joe Sellars, 18, and Clifford Ernest Whiting, 19. Curfew violation was charged to two 16-year-olds. Judge Randolph Slocum set Oct. 23 for trials for the four.

British Troops Poised To Take City Of Rebels

MANAMA, Bahrain (AP) — The first ground shots of the three-week-old Oman rebellion were reported fired Thursday at the desert village of Rada.

An official announcement said the fusillade from troops of the Sultan of Muscat and Oman, advancing with the support of British ground and air units, brought the quick surrender of the villagers of Rada.

The sultan's forces continued their advance on Firq, the rebel outpost three miles from the major rebel stronghold of Nizwa. Nizwa, in the central Oman Desert, is the headquarters of the rebellious Imam of Oman.

Previous shooting in the rebellion had been confined to British aircraft attacks on rebel positions, made only after leaflets dropped on the targets warned all to move out.

After a backbreaking day's advance from Fahud over rough tracks through soft sand in exhausting heat, the force that will storm Firq — if capitulation is refused — holds out here last night.

If Firq is held out, the attack will be led by a squadron of British-officered Trucial scouts. A heavy weapons company of Scottish Camerons will give mortar and machine-gun support if needed.

Local sources said the track into Firq was mined. They predicted resistance would be offered.

Izz is about 12 miles southeast of Nizwa. Brewer said earlier the Sultan's force at Izz was believed to number about 250 men. The British have two infantry companies and an armored car detachment.

In Manama, Bahrain, British headquarters for the Persian Gulf area, The Associated Press learned that contingents of warriors from nine tribes had reinforced the Sultan's force. Those warriors were reportedly designated the occupying force when Nizwa is captured.

Four Local Youths Plead Guilty To Disorderly Conduct

Pleading guilty to disorderly conduct charges arising out of a Monday night ruckus with Roseburg police, four local boys received sentences ranging from five days in jail to a \$10 fine.

The four were arrested following a ruckus under the wreckage when found by Dave Patterson, Illahe Rock lookout who had spent

(Continued on Page 2 Col. 3.)

Freight Service Will Be Probed

SALEM (AP) — Public Utilities Commissioner Howard Morgan announced Wednesday he will hold hearings on complaints that Southern Pacific Railroad freight service is inadequate in the Eugene and Roseburg areas.

The hearings will be held Sept. 9 and 10 at the Eugene City Hall, and Sept. 11 and 12 at the Douglas County Courthouse in Roseburg.

Morgan said the complaints were made by shippers, and that a general investigation now is under way.

"The complaints," Morgan said, "center about two main charges which allege that the railroad has reduced its switching limits along the line to the point that some shippers now are excluded from service, although previously their property had been within the switching limits, and that the railroad has ceased the practice of clearing freight car equipment prior to delivery to certain shippers."

Seven Boys Escape From McLaren School

WOODBURN (AP) — Seven boys Wednesday night escaped from the McLaren School for Boys here.

School authorities said one of the boys is from Corvallis, another from Hermiston and the remainder from Portland.

All are between 15 and 17 years of age.

Young Drunk Fined

A 17-year-old Myrtle Creek boy Wednesday was fined \$45 and \$4.50 costs when he pleaded guilty to being drunk on a public highway. He appeared in South Douglas Justice Court at Canyonville after being arrested by State police.

Khrushchev Accuses West Of Trying To Turn Germany Into Future Battle Ground

BERLIN (AP) — Russian Communist Party chief Khrushchev Thursday warned that the explosion of war over Germany would bring the United States under the threat of attack from hydrogen rockets.

Khrushchev told a special session of the East German Parliament the Western powers are trying to turn West Germany into a war base and are creating "an extremely serious situation."

"They want to use the German people as cannon fodder in their plans to conquer the world," the Red chieftain declared.

The speech parroted numerous other blasts from Khrushchev, Soviet spokesmen and Soviet propaganda organs. Presumably this one, it was intended to scare West German voters who on Sept. 15 elect a new Parliament and decide whether to retain the government of staunchly pro-western, anti-Communist Chancellor Adenauer.

Before Khrushchev spoke, East German Premier Otto Grotewohl restated his regime's endorsement of the long-standing Soviet proposal for the withdrawal of Russian and Western troops from German soil.

Warning that modern warfare could lead to the devastation of densely populated areas, Khrushchev declared:

"This (destructive power) should be kept in mind by statesmen of England, France and other countries whose areas would be in range of atomic and hydrogen weapons in case military operations start."

"Statesmen of the United States should also think about it as in our time, where rocket developments are rapid, distances cannot save any country from the effects of atomic and hydrogen weapons."

The Russian added that all these people must think about this who refuse to follow a peaceful policy and refuse to join in a disarmament agreement.

Khrushchev fired his broadside on the second day of his week's visit with a high-level Kremlin delegation to the restive satellite.

Khrushchev declared that the Big Four powers should retain responsibility for achieving German unity but restrict themselves to assisting negotiations between East and West Germany.

"If the West German government keeps refusing contacts with the East German government it shows that it does not want to solve the reunification problem the peaceful way," he said.

Khrushchev, despite his anti-Stalinist talk in Moscow during the past year, gave East German's Stalinist regime a comradely pat on the back Wednesday night.

Air Transport Plane Limping Toward Hilo

HONOLULU (AP) — A huge C-97 Military Air Transport plane carrying 57 passengers and a crew of 10 limped toward Hilo, Hawaii, Thursday with two of its four engines dead.

The Air Force said the double-deck plane — military version of the civilian Stratocruiser, was en route to Hickam Air Force Base on Oahu (Honolulu) Island from Travis AFB, near San Francisco, when trouble developed.

The aircraft carrier Bon Homme Richard was alerted to stand by in event the plane was forced to ditch.

Pacific Military Air Transport Service headquarters, however, said the pilot reported he had enough fuel to land safely and "no further trouble was anticipated."

The transport ran into trouble just past the point of no return — more than halfway out on the 2,250-mile flight. Two engines

Howard Bennett, 60, Drain Accident Victim

Howard Bennett, 64, Drain, was killed Wednesday at 1:30 p.m. when a heavy tractor he was operating for the David Hite Logging Co. of Cottage Grove flipped over on him, according to coroner L. L. Powers.

The accident happened along the Rice Valley Road, about 10 miles west of Highway 99.

Bennett, who lived in the Glen Coon Cabins at Drain, is survived by his wife. The body was taken to Stearns and Little Mortuary, Oakland, where funeral arrangements will be announced later.

His death was the seventh of the year in logging in Douglas County.

Brenda Wilson Will Rule Over North Douglas Fair

Brenda Wilson of Drain will be crowned queen of the North Douglas Community Fair Saturday, Aug. 24. The fair is scheduled for Aug. 29, 30 and 31 at Drain.

Shirley Wertz and Phyllis DeLauney, both of Drain, will reign as princesses. Included in the fair activities are teen-age dances, pet show and a midway. A pre-fair dance and a talent show are scheduled for Aug. 24.

Simonns Pleads Innocent To Hit And Run Charge

Appearing in municipal court this week on a charge of leaving the scene of an accident without leaving his name and address, Robert Keith Simonns, 53, 731 SE Stephens St., pleaded innocent.

Judge Randolph Slocum set Nov. 6 for trial. Simonns was charged in a private complaint with leaving the scene after allegedly backing his car into a boy's bicycle. His bail of \$150 was continued.

Seven Boys Escape From McLaren School

WOODBURN (AP) — Seven boys Wednesday night escaped from the McLaren School for Boys here.

School authorities said one of the boys is from Corvallis, another from Hermiston and the remainder from Portland.

All are between 15 and 17 years of age.

Only Dogs Accepted By Humane Society

Flooded with requests to accept unwanted pets ranging from cats to skunks, the Douglas County Humane Society this week announced that only dogs can be accepted.

Mrs. Paul Hult, a spokesman for the society, said that the organization hopes that some day cats and other pets can be cared for.

Presently, she said, facilities are limited so only dogs can be accepted. A \$1 fee is charged for this service in which the society tries to place the animal in a proper home. Any person in the county is eligible to place a dog for placement.

Mrs. Hult said the animal shelter at Winchester presently is handling more than 60 dogs per month.

Photographer Slugged By Dio Before Hearing

WASHINGTON (AP) — Labor terrorist Johnny Dio slugged a photographer and cursed him Thursday for taking his picture in the Senate office building, where Dio is to testify later in the Senate racketeering probe.

The dapper, blazing-eyed Dio planted a roundhouse swing with his left fist on the left ear of Stanley Tretick, a United Press photographer.

He called the photographer an S.O.B. in the spelled out version.

The blow did not knock down the photographer, and he did not swing back. Tretick said he did not plan to complain to police.

Dio, convicted extortionist, was paroled from prison so he could comply with the Senate committee's subpoena for him to appear as a witness.

Before the blow was struck, Dio had walked briefly into the committee's hearing room, but left when photographers and reporters clustered around him.

He refused to say a word, until his profane outburst that accompanied the swing of his well-manicured hand.

California Boy Rescued From 30 Foot Well

ARCATA, Calif. (AP) — A little boy who didn't panic although imprisoned 15 feet down in the darkness of a dry well clutched a looped rope and was pulled out safely Wednesday on the fourth try.

Three other times, just as firemen got 3 1/2-year-old Michael Swenson near the surface, he lost his grip and fell back, pulling sand down on him.

His anxious mother, Mrs. Dale Swenson, gasped: "I was more frightened than Mike was."

Mike fell feet first into the eight-inch-wide hole on the farm of T. F. Aultman, who had drilled the well in sandy soil Wednesday and covered it. Children removed the cover.

Mike's cries attracted his mother. He was pulled out 30 minutes later.

A doctor said he was in good condition except for nausea, caused by swallowing sand.

Arcata is near Humboldt Bay in northern California.

Mike's mother didn't panic but said, "I was more frightened than Mike was."

She said she looked out the window of the Aultman home, noticed that her only child wasn't with a group of toddlers playing in the yard, and immediately started hunting for him.

The other children, all about Mike's age, apparently had not missed him.

Mrs. Swenson quickly got the garden hose when she heard the boy's cries. She lowered it into the well and tried to pull him out. But his hands kept slipping off the hose. Then she called the Fire Department.

The engine company is about seven miles from the Aultman farm, down a paved county road, and firemen arrived within 10 minutes.

At first the firemen lowered the rope without a loop. Mike tried to hold on. But three times as he neared the surface his fingers lost their grip.

Each time he fell back, some sand fell on him. Rescuers constantly feared the well, without a casing, might collapse. On the fourth attempt, Mike shoved his hand through the loop. It cinched as the firemen hauled him to safety.

Appropriation Asked For Forest Protective

Congress is being asked by Sen. Wayne Morse and Richard L. Neuberger to appropriate \$184,101.89 to reimburse the Oregon Forest Protective Assn. and the State of Oregon for a proportionate share of the costs of fighting the Vincent Creek fire in 1951.

The fire which raged over several thousand acres of timber lands on the Smith River drainage in western Douglas County, embraced a considerable amount of federally controlled lands administered by the Department of Interior.

The amount specified in the Senate bill is the proportion of total cost compared to the percentage of public domain lands involved, the senators report.

Burglary Reported

Several boxes of cartridges and a case of soft drinks were stolen in a burglary which occurred at the Yoncalla Rod and Gun Club in the past three weeks, the sheriff's office reported Wednesday.

Mrs. Edith Ott's Arraignment Set

The arraignment of Mrs. Edith Ott on a charge of second degree murder will be delayed until probably next week, according to Dist. Atty. Avery Thompson.

She will be arraigned before Circuit Judge Carl E. Wimberly on his return from a trip to Eastern Oregon.

The Douglas County grand jury Monday returned the indictment, which had been rephrased after a demurrer to the first indictment had been sustained by Wimberly.

Mrs. Ott is charged with allegedly causing the death of 22-month-old Wendy Kay Ott, a Korean orphan she had adopted.

New Livestock Director Appointed To County

A new livestock officer for western Douglas County has been appointed by Robert J. Steward, director of the State Department of Agriculture.

Steward said Al Hosack, Forest Grove police chief since 1953, also will serve western Lane, Coos and Curry counties. Continuing to serve interior Douglas County will be Guy Hughes, who lives at Medford.

House Sets Bill Aside For Study

72-18 Vote Approves Controversial Issue With Jury Trial Setup

WASHINGTON (AP) — The House temporarily sidestepped a decision Thursday on what to do about the civil rights bill.

The bill, which the Senate passed Wednesday night on a 72-18 vote, was laid on the speaker's desk to give House leaders more time to sound out sentiment and consider compromise proposals.

For the time being, no attempt will be made to send the measure to a Senate-House conference to resolve differences with the bill which the House passed 286-126 on June 18. The House bill, closely following administration recommendations, is broader in scope and more stringent in enforcement provisions.

House Republican leader Martin of Massachusetts added substance to reports that President Eisenhower may call Congress back into special session unless he gets a measure he feels he can sign.

Eisenhower has objected particularly to a provision added by the Senate to require jury trials in all criminal contempt cases in the federal courts.

Martin told newsmen that if Congress finally passes a bill which falls to meet Eisenhower's specifications, he would personally recommend that the President veto it and call Congress back in November to try again.

Speaker of the House Rayburn of Texas, spokesman for the Democratic House majority, said he would have a statement Friday on what he thinks should be done. It was expected the House would decide then what action to take.

There was backstage maneuvering to line up supporters for a compromise which would limit the jury trial amendment to cases involving only the protection of voting rights.

Backers of such a measure roundly criticized the jury trial provision, but they helped supply the votes for Senate passage of this first bill of its kind to go through the Senate in more than 80 years.

KP Drum And Bugle Corps To Appear In Eugene Today

Forty girls in the Knights of Pythias Drum and Bugle Corps were scheduled to participate in the state American Legion convention parade at Eugene this afternoon.

The band was to make three additional appearances and possibly four. Besides the parade, which was at 3:30, performances are to be made at the Bon Marche Department Store between 7 and 8 p.m., on the lawn in front of the Veterans Memorial Building after the department store appearance and in front of the auditorium at the Lane County Fairgrounds about 9 p.m.

It is not known definitely whether the band would make an appearance about 2 p.m. in the vicinity of the Eugene and Osburn hotels. The Eugene appearances mark the third trip for the band this summer. The band appeared in the Portland Rose Festival, Douglas County Rodeo parade and at the Elks state convention at Coos Bay.

Last time the band was at Eugene was for the University of Oregon - University of Idaho football game, Aug. 24, the band will appear at the Shrine football game in Portland.

Mrs. Edith Ott's Arraignment Set

The arraignment of Mrs. Edith Ott on a charge of second degree murder will be delayed until probably next week, according to Dist. Atty. Avery Thompson.

She will be arraigned before Circuit Judge Carl E. Wimberly on his return from a trip to Eastern Oregon.
