

Our Invitation to You!

**MAKE OUR DOUGLAS COUNTY FAIR
BOOTH YOUR MESSAGE CENTER...**

Phone OR 2-1012

To have your important messages delivered to fair exhibitors, visitors and participants. Several fleet-footed page boys will be on duty to page the party you desire and deliver any messages you might wish to convey. This is a FREE service of your own daily newspaper, The News-Review.

This is the booth to look for, too, when you desire information about exhibits, special features or program events. Girls will be on duty to furnish this information and answer telephone calls. The page boys can easily be identified by their all-white garb and calypso hats. Remember, this is the place to go for information about the fair — and the number to call is ORchard 2-1012. We invite everyone to make use of this free service.
