**China Painting:** Esther Gilliland lots 1 and 3; Mrs. Jack West lot 2  
**Decorated Greenware:** Pauline Coney

## Asiatic Flu Expected To Hit Many Americans

WASHINGTON (AP) — Surgeon General Leroy E. Burney estimates that an epidemic of Asiatic flu this fall or winter might strike between 13 million and 26 million Americans.

In an interview recently, Burney said he figured that many might be stricken in event of an epidemic, even if a newly developed vaccine is widely employed. About 60 million doses of the vaccine are expected to be available by Feb. 1. But the Public Health Service estimates the vaccine will be only about 70 per cent effective.

**TREE TABOO SAFE**  
LUDINGTON, Mich. (AP) — The City Commission plans to meet soon to scrap such antiquated city laws as running across a bridge and speeding at more than six miles an hour on a bicycle. But one old 1874 law the commissioners probably will retain makes it illegal to plant a tree in the middle of the street.

**AUXILIARY PICNIC**  
The American Legion Auxiliary will sponsor its annual picnic for hospitalized veterans on Labor Day. Volunteers are needed to help with the program, according to Mrs. Beatrice Brown, newly appointed service representative for the auxiliary.

**Yoncalla High Starts Year On Sept. 5**

By MRS. GEORGE EDES

The Yoncalla Union High School District will officially start its year Thursday, Sept. 5, reports Principal C. Wayne Flynn.

Teachers, however, will report for a two-day workshop Sept. 3 and 4.

All incoming freshmen have been asked to report for physical examinations and to register for classes Sept. 4. Girls will report at 10 a.m. and boys at 1 p.m. All athletes should report for their physicals at the same time as the freshmen boys.

Registration for others will be on Sept. 5.

The first day of school will be a full day, Flynn said. He said all students should bring lunches. No hot lunch will be served until the second day of school.

**Teachers Added**

New teachers on the staff this year are: Ronald Anderson, physical education, biology and general mathematics as well as coach of football and track; William Spelgatti, industrial arts and social studies as well as coach of basketball and baseball; Ray Post, vocal and instrumental music, French and English; and Miss Kathleen Woodside, home economics and girls physical education.

Drivers have been hired for the runs to Scotts Valley, Rice Valley, Shosong, Hayhurst and Red Hill. Bus schedules will be the same as in previous years.

**Improvements Noted**

Several improvements were made this summer to the buildings and grounds. Included are redecoration of all classrooms, halls and office and complete exterior paint job. The gymnasium floor was refinished and the roof improved. A new sidewalk was added in front of the new addition to the building and fill dirt was brought in for the new lawn to be planted.

**Huge Radio Program Contracted By CBS**

NEW YORK (AP) — The Columbia Broadcasting System has disclosed details of what was called one of the biggest radio network programming projects ever undertaken by a single sponsor.

The advertiser (Ford division of Ford Motor Co.) will spend \$12 million dollars for the series of programs that will use 933 station hours weekly on the full network facilities, CBS said.

Included in the list are Bing Crosby, Rosemary Clooney, Edward R. Murrow and Arthur Godfrey. A daily news roundup is also on the lineup.

The programming, with the exception of Godfrey, starts Sept. 2. Godfrey will launch a series of weekday programs Sept. 16.
