Teamsters Board To Frame Reply To Union Charge

LOS ANGELES — The Teamsters Union Executive Board members scattered to their home cities today, preparing to reassemble in Washington in one week to give, in person, their reply to AFL-CIO charges that the big union is under corrupt influence. President Dave Beck said the answer to the AFL-CIO Ethical Practices Committee will be "a courteous statement." When a reporter asked if it could lead to the 1,400,000-member Teamsters leaving the combined labor organization he said "I don't know."

Russia Implies New Missile Has 5,000-Mile Range

MOSCOW — The Soviet press implied Thursday that Russia's intercontinental guided missile has a range of about 5,000 miles. The Russians' original announcement claimed the missile could strike anywhere in the world but gave no range. Two long, detailed articles on the general subject of long-range rockets appeared in the Soviet press. Neither, however, claimed to give a special description of the new missile. However, the technical articles in Soviet Aviation and Komsomol Pravda were apparently written with a first-hand knowledge of missiles. Komsomol Pravda described an intercontinental ballistic missile as one with a range of more than 8,000 kilometers (4,960 miles). It said the missile is guided only on the first part of its journey and from then on it travels like an artillery shell. Intercontinental missiles, the paper added, attain speeds of 10,000 miles an hour, are multistaged and are highly accurate. It said there was no defense against it. The paper described in detail the U. S. missile, the Smark and Atlas and said neither was so fast, long-ranged nor as powerful as the weapon it had outlined. Soviet Aviation had said Wednesday the new missile was extremely accurate.

SGT. LOWELL D. MCKEUN has joined the staff of the Roseburg Marine Recruiting station as an assistant recruiter. Sgt. McKeun's last assignment was at El Toro Marine Air Station, Santa Ana, Calif., where he was stationed for three years.

19 Norwegians Airlifted From Arctic Ice Floe

WESTOVER AIR FORCE BASE, Mass. — The Air Force reported Thursday four of 19 Norwegian seamen were lifted from an Arctic ice floe where they had been marooned five days. The Air Force expected the other 15 would be plucked to safety during the day. A helicopter from the 53rd Air Rescue Squadron based at Thule, Greenland, picked up the four Westover and landed them at Westover. The men were 750 miles from Thule. They were taken aboard the motorship Teistem probably a Danish vessel. The Air Force said the men all appeared to be in good condition and apparently had not suffered from exposure. The seamen fled to the ice floe after their 297-foot wooden freighter Polarbjorn was crushed Sunday in an ice pack. First news of the plight of the Polarbjorn came on Sunday when its captain, John Blaver, radioed that he and his crew would have abandoned ship because of the ice pressure.

U. S. Gives Poland New And Favorable Trade Agreement

WASHINGTON — The United States has given Communist Poland a new and favorable trade status, nearly equal to that of any of this nation's allies. The Commerce Department Wednesday announced relaxed rules which will permit Poland to get such strategically valuable U. S. goods as industrial machinery, steel mill products, machine vehicles. The loosening of export restrictions was promised last June when the two countries signed an agreement loaning Poland nearly 40 million dollars, to be used to purchase U. S. agricultural products and mining machinery. Aid Promised Another 40 million dollars worth of aid was promised, contingent on congressional approval of a surplus disposal bill. That measure has been enacted. The agreement stemmed from events in Poland last fall, when the Poles asserted a degree of independence from Moscow control. Communist Yugoslavia also has a trade status similar to that of noncommunist Western nations, but the U. S. government does not regard Yugoslavia as a Soviet satellite. Under the new rules, Poland now can import surplus U. S. agricultural commodities on a barter basis, becoming the first Soviet Bloc nation to gain the privilege.

4 Non-Resident Students To Be Admitted Here

Four non-resident students were given permission to attend Roseburg High School at a Roseburg School Board meeting Wednesday night. One condition was made. If the students do not have a legal guardian in Oregon, one must be appointed. The students are Roy Harrell, John L. Meador and Terry D. Reardon, all tenth graders, and Gary Welch, a 12th grader. The board accepted the resignation of James A. Hennebeck, sixth grade instructor at Wilbur. Two teachers were appointed, Ronald Brown will teach the sixth grade at Wilbur and James McAlister will teach mathematics and serve as freshman coach at the high school. Most of the board meeting was taken up with the considering of a contract between the school district and the county court for operation of Robin Dale School. Next school board meeting is scheduled for Sept. 14.

Red China May Deport American Youth On Tour

LONDON — The Americans visiting Red China started out today on a tour of northeast industrial centers, leaving behind in Peiping one of their number who is slated to be deported. The British news agency Reuters reported that Shelby Tucker, the American in ill favor with the Communist, was at the railway station to wave goodbye to his fellow tourists. They will visit Changchun, Dairen and Tientsin before returning to Peiping next week. Tucker, a 22-year-old Oxford University student from Pass Christian, Miss., expects to be deported Saturday for refusing to turn over his passport to Chinese authorities. Reuters said he was awakened at 1 a. m. Wednesday by Communist officials and told that unless he changes his position he will have to leave China. Tucker has taken the stand that he will not use his passport in contravention of the prohibitions stamped in the document. They include the stipulation that it is not valid for travel to China. Five others besides Tucker declined to give up their passports when they arrived in Peiping but later turned them over for examination.

No Clues Unearthed On Missing Couple

PENDLETON — The search party seeking a young girl and a man in the Blue Mountains northeast of here was reduced Thursday to a dozen men. Sheriff Roy Johnson said 24 men Wednesday had unearthed no clue to the whereabouts of Lillian Hodges, 16, or Barney Blackwell, 22, both Kennewick, Wash. The hunt will continue on a small scale, the sheriff said, "until we get something more definite." Both the missing persons were members of the same picnic group. Miss Hodges disappeared after she left the group for a hike. Then Blackwell failed to return home after telling his wife he was taking his car into the woods to do some mining work and to work on a cabin. Seven persons will comprise the board. The advisory body will consist of four persons in the educational field and three laymen, one of whom will be a psychologist or doctor. M. C. Deller, superintendent of the Roseburg district, will serve as a member on the committee. Board members Dudley Walton and Wayne Crooch were appointed to serve. The other five members will be selected by Deller, Walton, Crooch and two members of the county court. Duties to the advisory board will be to prescribe the criteria or standards of admission of students, pass upon individual applications for admission and serve in an advisory policy making capacity. Central Douglas will be operated by the Roseburg School District under the school standards of the State of Oregon with the ultimate aim of making the school a standard state school so as to permit direct financial aid from the basic school fund of the state and from any other funds of the state available to aid in the education of mentally retarded children.

District 4, County Reach Robin Dale Agreement

(Continued from page one) charges, they should have paid \$44,571 on an income of \$84,758.10. Concealed Information The conspiracy indictment, in two counts, charges all six defendants concealed and misrepresented Beck's actual income. Maximum penalty for income tax evasion and for conspiracy is five years in prison and a \$10,000 fine for each count. Immediately after the indictments were returned, federal Judge John C. Bowen issued bench warrants for the six men. He raised Beck's bail from the \$5,000 set after the May indictment to \$25,000 and set bail for the others at \$5,000 each. Beck, attending a Teamsters executive board meeting in Los Angeles, greeted news of the new indictments with an "I'm not guilty" cry. Larceny Charged "In addition to the income tax evasion charges, Beck and his son have been indicted by a King County (Seattle) grand jury on grand larceny charges. They are accused of selling un-owned automobiles and keeping the money." Beck did not testify during the federal grand jury investigation which just concluded. Seventy-two witnesses appeared before the 16 men and five women, including many Teamsters officials. Beck, Jr., the Sheffermans and Gessert, a committee of Sept. 12 as the date for arraignment of the six men. Persons close to the court said it is likely the case will be tried early next year. Belief was expressed the charges returned against Beck Sr. Wednesday will be consolidated with the May 2 indictment for simultaneous trial.

Tax Evasion Charges Levied Against Beck

(Continued from page one) Deller Advises Inquires Go To Principals Roseburg schools Supt. M. C. Deller announced that inquiries concerning the opening of school, bus schedules, registration procedures and other items should be directed to the principal of each school concerned and not to the superintendent's office or local news media. Information regarding the senior high school can be obtained from Harry Jacoby, principal. Parents of pupils residing in north Roseburg on Garden Valley Road and in the Winchester - Wilbur area should contact R. R. Brand, principal of Joseph Lane for information regarding that school. Robert McKee principal of Central, will answer inquiries for junior high pupils in the remainder of the school district. Elementary principals to contact are: Eli S. Hall, Rose; Calvin Peterson, Green; Lyle Eddy, Fullerton; Robert Anderson, Melrose; James Hayden, Benson or East Roseburg; Earl Ladd, Huxford; Riversdale and Garden Valley; Ben Smith, Wilbur or Winchester, and Roy Crain, Riverside or North Roseburg.

Congress Moves Toward Passage Of Aid Measure

WASHINGTON — An adjournment-bent Congress was set to pass finally today a \$3,435,810,000 money bill to pay for military and economic aid to friendly nations around the globe. The compromise bill, including \$2,768,760,000 in new funds and \$667,050,000 in re-appropriated funds from previous years, was agreed upon by Senate and House conferees yesterday. The compromise figure is 244 million dollars more than the House originally voted and \$235,900,000 below the Senate amount. The last of the year's appropriations bills, it represents a slash of \$1,004,400,000 from President Eisenhower's original foreign aid request in January. Sen. Knowland (R-Calif.) reported Thursday President Eisenhower was "disappointed" that the conferees had not been able to agree on the higher figure voted by the Senate. Knowland said, however, that Eisenhower recognizes that the Senate conferees did everything possible "in an effort to win agreement on the Senate amount." The president, Knowland added, is "highly appreciative of the bipartisan support he received in the Senate, and from House members who helped bring the figure up." Knowland talked to reporters after a breakfast meeting with the President at the White House.

Canadians Seek Train Robbers

WOODSTOCK, Ont. — Police and railway inspectors Thursday sought three masked gunmen who pulled off Canada's first train robbery in 29 years. They suspected an inside job. "Dressed in railway employees' clothes, the trio locked up eight postal employees Wednesday and took at least \$5,000 to \$6,000 in cash from a mail car of the Toronto-to-Windsor run. Postal authorities said the total loot couldn't be figured immediately but payroll money is regularly shipped by train through this area of southern Ontario. George A. Shea, police director of Canadian National Railways, said it appeared a door of the mail car was left unlocked. "In railroad mail operations, that is a cardinal sin," he added. Two Physicians Named In Action For Damages A damage action for \$153,106.20 was filed Tuesday in circuit court against two Roseburg physicians by Charles E. Sherman, who charges that negligence in their treatment of him required the amputation of his leg. Named as defendants are Drs. A. B. Munroe and J. M. Hutson. The complaint alleges that they treated him for a broken leg on Dec. 11 after he had been in an automobile accident. The plaintiff claims that the cast was so tight that circulation was impaired and that gangrene set in. He also claims that the doctors did not take sufficient care to check on the circulation in the leg.

Freighter Sinks, 94 Said Missing

BUENOS AIRES — The captain and crew of an American freighter were questioned today in an effort to determine the cause of a collision that sank an Argentine steamer and left 94 persons missing. The 217 persons aboard the river steamer City of Buenos Aires. No one aboard the freighter Mormacsurf, owned by the Moore-McCormack lines of New York, was injured. Only slight fog was held that some of the missing might have reached safety after the river boat went down Tuesday night in the Uruguay River 78 miles north of Buenos Aires. Argentine officials said Capt. Kenneth J. Sommers of Marin County, California, and other crew members of the Mormacsurf were "being detained incommunicado." They stressed that such procedure was normal to give authorities the opportunity to take testimony. The 7,800-ton Mormacsurf-loaded with grain and canned meat—steamed into Buenos Aires harbor yesterday, a 15-foot section of her bow bent 45 degrees to starboard by the collision. PLEADED GUILTY, FINED Pleading guilty to drunk driving, Lewis Elbert Lawrence, 26, Harrisburg, was fined \$100 and sentenced to 10 days in the county jail Wednesday by District Judge Warren A. Woodruff. Lawrence was arrested by State Police Wednesday. TEN LEPERS KILLED SEUL (AP) — Ten lepers were killed and another 21 seriously injured last night in a fight with a group of villagers near Samchongpo, 50 miles west of Pusan. The villagers had demanded that the lepers move out of a settlement near the village. Police said a fight broke out when the lepers refused to move.

Seat Bail-out Accomplished At Ground Level

PATUXENT, Md. — A plucky British airman has successfully made the first test in the United States of a new aircraft ejection seat which permits bail-out at low altitudes—even near ground level—from speedy jets. Royal Air Force Flying Officer Sidney Hughes blasted himself out of a two-place F9F Navy Panther jet here Wednesday just as the plane left the runway at a speed of more than 130 miles an hour. He was catapulted 80 feet into the air, and a parachute then allowed out to drop him to a feet-first landing. James Martin, inventor of the seat, told reporters it was only the second ground level test ever made by man. The other was made in England. Secretary of the Navy Gates, who witnessed the demonstration at the Naval test center here, described the device as "the greatest thing in aviation safety since the parachute."

Registration Will Continue At Junior Highs

Registration for Roseburg junior high school students will continue through Friday morning, Romayne Brand, Joseph Lane principal, announced. Originally, students were to register Wednesday and Thursday, but because not very many students registered the first day it was decided to extend the registration time. Friday from 9 to 11 a. m. all students who did not register the first two days may do so, Brand said. Students who attended Rose, Benson and Fullerton elementary schools will register and attend Central Junior High School. All other junior high students should register at Joseph Lane.

Korean Speaker Set At Westside Church

Chae Yoon Kwon, a Korean Bible College student, will be guest speaker Sunday at the Westside Christian church. He came to America a year ago to study for the ministry at San Jose Bible College in San Jose, Calif. His father was the first Church of Christ minister in Korea, and was killed during the Communist invasion. It is Mr. Kwon's desire to train for the ministry and return to Korea to aid in the work of the church there. He will speak in place of the pastor, George Knox, who is on vacation, and may be heard at the 11 a. m. and 5:30 p. m. services.

Vacationers Forced To Flee Tahoe Homes

FALLEN LEAF, Calif. — A brush and timber fire near the south end of Lake Tahoe, which forced scores of vacationers to flee their summer homes, was brought under control Thursday after destroying three homes. Hundreds of volunteers, including several women, aided fire fighters in combating the flames. Parvin Shaw, Lake Valley district fire chief, said the fire burned more than 50 acres of timber. Forest Service crews and volunteers ferried the vacationers across Fallen Leaf Lake to safety after the blaze got its start in a two-story house between Fallen Leaf Lodge and Highway 89 and raged uncontrolled through the area.

Band To Play For Youth Center Dance

The Roseburg Youth Center will be open Friday for a recreation night with Roy Phillips band to provide dance music. Pool will be offered to those interested, and the snack bar will be open. Those attending are urged to get membership cards now. The cards entitle the holder to enter all dances, with records, free. There will be a slight charge when a band is furnished.

Mystery Writer Craig Rice Dies

LOS ANGELES — Mystery writer Craig Rice, 49, whose tough, hard-boiled characters fought and shot their way through 25 books, was found dead in her apartment Thursday night. She had been in ill health for some time and confined to her bed for a week. Cause of death was not disclosed. Miss Rice's body was discovered by another mystery writer, R. DeWitt Miller, owner of the apartment building. Miss Rice, a native of Chicago, took her pen name from names of relatives. She was married five times. She began writing poetry at 9. At 18 she was writing for Chicago newspapers, and at 19 for radio. Her best-selling mysteries included "Having Wonderful Crime," "The Sunday Pigeon Murders," "Trial by Fury," "The Luckey Stuff" and under the pen name Daphne Sanders, "To Catch a Thief."

Sen. Thurmond Keeps Up Filibuster Against Bill

(Continued from page one) atomic energy bill in July, 1954. A 1953 all-night sitting featured the record-setting speech of 22 hours and 26 minutes by Sen. Morse (D-Ore) against the submerged oil lands bill. At least two persons listened to most of Thurmond's long discourse. One was his attractive wife, who was in and out of the senators' rooms. The other was Clarence Mitchell, veteran negro lobbyist for the National Assn. for the Advancement of Colored People.
