

National Consecutive Kegling Record Set By Eaton Sunday

JUST A LITTLE SORE says marathon bowler Bus Eaton about his thumb late Saturday night just after breaking the national record of 261 straight games without rest. Bus started his bowling at 12:45 a.m. Friday morning and finished the record breaking game about 10:30 p.m. Saturday. He finished with a grand total of 280 games and might have gone even further if blisters hadn't developed on the thumb. (Staff Photo)

Bus Eaton Finishes 49-Hour, 15-Minute Stint At 280 Mark

A man who thought "it looked like an interesting thing to do" set a new national mark for bowling consecutive games Saturday night at the Roseburg Bowl lanes.

Thirty-five year old Bus Eaton, local lumber truck driver, finished his stint at 2 a.m. Sunday morning, some 49 hours and 15 minutes after he started, with 280 straight games under his belt. He beat the old record of 261 games set in 1931 by Paul Garfield of St. Louis, Mo. at Saratoga Recreation in Maplewood, Mo.

Eaton beat the record at 10:27 p.m. Saturday when he rolled a 133 score on his 262nd game. For the 262 games he averaged 169.68 on 44,456 pins in 45 hours and 42 minutes. At the 262-game mark he had 883 strikes, 1,075 spares and 265 errors.

He finished his marathon at 2 a.m. Sunday when he rolled a 132 game. His final average was 161.6 pins per game on a total of 45,203 pins. He had in his 280-game total, 926 strikes, 1,138 spares and over 300 errors.

Averages 161.6

Local pinmen compared his feat to be the equal of rolling three complete leagues seasons by the average bowlers who roll three games per week in one league for 32 weeks. In terms of dead weight, pinmen figured that the 3,202 times Eaton threw his 16-pound ball down the alley represented handling about 26 tons of weight in the 49 hours and 15 minutes.

Eaton, presently unemployed, found that he had lost six pounds from his 5-9 frame after the feat. He weighed in at 164 before he started Thursday night and scaled 158 soon after he finished bowling early Sunday morning.

Upon completing his 262nd game amid the cheers of a large crowd gathered around alley 16, Eaton accepted the greeting, answered a long distance phone call, then re-juvenated set about for further record-setting.

He said that he felt at this stage as good or better than he had when he started. However, by the 272nd game he said he "started really deteriorating fast." "During the 280th game his thumb developed a new blister he said. This necessitated his "forcing the ball" which in turn he said "wore me out."

Decides To Quit

Upon completing the 280th game, Eaton was examined by a physician and a pulse reading of 120 per minute was taken. With his pin per game average falling gradually and all the other factors taken into consideration he decided to terminate the marathon.

Through his entire performance, Eaton's meal-taking consisted of one sirloin steak (which he did not finish), a couple doughnuts, numerous candy bars, two milk shakes (one with an egg in it), cokes, milk, root beer and lots of orange juice.

He arose Sunday morning about 7:30 and said "he felt fine." He said his fingers, after throwing hand "felt a little stiff." He was bothered by a blister early in the going, about the 110th game, which also hurt his throwing and brought on a series of splits.

Eaton pointed to the fact that a "perfectly centered Manhattan ball" was largely responsible for his hand's endurance and he also cited that over the entire distance the automatic pin-setters at the alleys functioned without fail.

He bowled on alley 16 some 280 of his games. Three times during the course of the marathon he switched to alley 13 for cleaning periods on alley 16 and for some 2 1/2 hours on Friday night his game per hour pace was slowed down while he shared the alley with a regular league team.

Merchant Marine

Eaton's tentative plans are to join the merchant marine for the winter. He has served there for nine years in the past. He plans to return to his trucking operation here next year again.

He is married and the father of three youngsters, aged five, four and two. Eaton has lived here since 1951 when he moved here from Portland.

One accomplishment which Eaton was quite proud of, among others, was the fact that during his entire kegling stint, he didn't throw a "gutter ball" on his first throw in each frame.

Five Teams Share League Lead After Cleveland And Colts Lose

By THE ASSOCIATED PRESS

Philadelphia bounced Cleveland, Detroit stunned Baltimore — and just like that it's a jump today in the National Football League.

Five teams hold a share of first place. Everyone's been whipped at least once and what looked to be a possible pullaway for the Browns and Colts now has all the earmarks of another flip-flop donkeybush.

Both the Eagles and Lions created the chaos yesterday by getting even with opponents they'd bowed to quietly in earlier games. The Eagles beat Cleveland 17-7 and Detroit upset Baltimore 31-27. The Colts had led 27-3 midway of the third period.

Cleveland's loss dropped the Browns into a first-place tie in the Eastern Conference with New York's world champion Giants, who routed Pittsburgh 35-0 in their home opener. Detroit and Baltimore share the Western Conference leadership with San Francisco, which pulled even at 3-1 by cuffing Green Bay 24-14.

Bears Whip Rams

In other games, the Chicago Cards routed Washington 41-14 to Pittsburgh for third in the East both only a game off the coldest pace, and Chicago's slumbering Bears finally got into the win column, calling on Rookie Willie Galimore for four touchdowns in a 45-14 rout.

Four touchdown passes by John

ny Units—giving him 12 for the brief season—fired Baltimore into a 27-3 lead when the revving Lions got to work. Detroit still was down 27-10 with only nine minutes remaining but rallied behind a Bobby Layne-to-Hopalong Cassidy pass combination to pull it out with three quick touchdowns two in the last 90 seconds. Layne's 29-yard loss to Cassidy did it with 45 seconds left.

Rookie quarterback Sonny Jurgenson was the Eagles' big man as he passed for one touchdown against the previously unbeaten Browns and scored another on a sneak.

Steelers Handcuffed

Veteran Chuck Conerly passed for 155 yards and two touchdowns for the Giants against a Pittsburgh team that never got past New York's 25-yard-line.

Y. A. Tittle handled the brunt of the 48ers offense, throwing for two touchdowns and plunging for another.

Galimore, ran for four touchdowns from within the Rams' 20. The Bears led 34-13 before two late Los Angeles touchdowns.

Sutherland UVL Grid Contests Highlight Week's Prep Slate

Several key games are in store this week for the schools of Douglas County as they move into the latter stages of the season. A total of 11 games highlight this week's action, with the Sutherland-Douglas and Sutherland-Myrtle Creek games being the big ones.

Both Sutherland and Douglas have two games on their schedule this week as they will make up the game cancelled against each other. They will start the week's activities on Tuesday when the Bulldogs will travel to meet Douglas in a 2 p.m. game. Both teams are unbeaten in league play so far and this could point out the top team in the district.

Sutherland will go on the line again Friday against Myrtle Creek in an 8 p.m. game on the Bulldog field. Myrtle Creek dropped its first league game last Friday to Douglas and will be out for some sort of revenge.

The Roseburg Indians will stay at home this Friday to tangle with Crescent City in their next to last home game of the year. Last week's game against North Bend was called off due to the flu, but Coach Brad Ecklund of the Indians has hopes that his team will be back to top shape for this one.

Troy Slates Lions

In the second game of the week for Douglas they will travel to meet Cottage Grove Friday night in Cottage Grove. This gives the Trojans a total of three games in one week.

Glendale will host the powerful Powers team in a Friday afternoon contest at Glendale. The Wildcats had last week's game against Oakland postponed several of the Oakland boys were down with the flu. Powers is regarded as one of the state-wide powers and could give the Wildcats a lot of trouble.

After winning its first District 5-A-2 game of the season, Drain hit a bad streak and is now tied for the cellar position with Creswell and one with three losses each. This Friday they will play host to Willamette in an 8 p.m. game. Willamette is one of the five teams tied for second place in the standings with a 2-2 mark for the season. The Warriors were stomped last Friday by league leading Elmira 48-6.

Oakland will step into the B-league ranks this week with a game against Yoncalla scheduled for 2 p.m. on the Oakland field. At the present time Yoncalla is at

PULLMAN — A piece of 2-inch pipe weighed heavily on football enthusiasm at Washington State College Monday and it pitched the Rose Bowl shouting here down to conversational tones.

Quarterback Bob Newman's conversion attempt after the second fourth-period touchdown in a dramatic comeback against Oregon Saturday hit the left upright on the metal goal post and d bounced back.

Thus, a 14-13 Oregon margin was preserved, the Cougars lost the lead in the four-team race for Pasadena in the Pacific Coast Conference and a budding Rose Bowl demonstration among the 5,500 WSC students withered and died.

Meanwhile Oregon, by its victory, moved into the conference lead with three victories and no defeats and was in the driver's seat in the race toward the Rose Bowl. Oregon's only loss has been to Pittsburgh, 6-3, in an inter-sectional clash.

The Ducks meet California in a big one at Eugene next Saturday while WSC plays Southern California in the Los Angeles Coliseum.

Frenzy Planned

The WSC student body was ready to break out in a wild exhibition of football frenzy had the Cougars been ahead at the final gun in this big game between the only two eligibles undefeated in the PCC.

Among the student rooters in the crowd of 18,000, it must have been embarrassing to have a WSC Rose Bowl banner tucked under the seats — at least until the last 11 minutes of the game.

Oregon Coach Len Casanova had thrown a 4-4-3 defense at Cougar passers Newman and Bunny Aldrich, stopped the WSC aerial game and watched his Webfoots drive methodically on the ground for one score, then get another on a 35-yard pass play by Leroy Phelps and Jim Shanley.

Ukes Snap OSC Win Skein, 26-7

Corvallis — Oregon State's football team came home Sunday with more to worry about than its 26-7 defeat by UCLA at Los Angeles Saturday.

Several players were on the injured list as coach Tommy Prothro prepared to open drills for next Saturday's game with Washington at Seattle.

Joe Francis, ace tailback, was knocked unconscious when tackled Saturday, and still was having dizzy spells. Bill Robertson, trainer, believed, however, Francis will be all right.

George Enderle, reserve tackle, suffered a bad ankle sprain that probably will keep him out this week. Starting end Dwayne Fourmier also had a sprained ankle. Regular blocking tack Ted Searle and reserve tackle Ed Kachelauhill had less serious injuries.

The Braves, ranked No. 7 in the Associated Press poll, had no alibis for their first defeat of the season. They conceded that they were simply outplayed.

The Braves' only touchdown came in the fourth quarter—the only period in which the Bruins failed to score. A 34-yard pass from reserve halfback Larry Sanchez to Jerry Duman put the ball on the USC one, and halfback Jim Stinnette went over. Sanchez converted on a run.

The Bruins went 67 yards by land and air with the opening kickoff for their first touchdown. A 49-yard drive in the second quarter gave them a 13-0 halftime lead.

In the third quarter Coach Red Sanders' men cashed in on a pass interception and a fumble for two more touchdowns.

The feared Beaver backs were outplayed continuously by UCLA's halfbacks Don Long, Kirk Wilson and Chuck Kendall and fullback Barry Billington.

Huskies Beaten By Stanford Saturday

SEATTLE — The Washington Huskies, still searching for their first football victory of 1957, will stay at home this weekend and see if the fugitive will come to them — in the person of the Oregon State Beavers.

They came to life twice Saturday against Stanford — but Stanford had three lives. The invading Indians let Washington's Homecoming Day crowd of 36,000 have a brief taste of leadership, then rolled to three touchdowns and left the Huskies still winless after five starts.

The score was 21-14. Washington started with a bang, scoring on an 80-yard march in the first quarter. The Huskies finished explosively with a 67-yard touchdown drive. But in between they had the look of a fuddled firecracker.

Stanford struck 57 yards in 9 plays to knot the count at 7-7 as the second quarter opened. Before the gun sounded for recess the Indians had another, after Gary Van Galder cornered a Washington fumble on the Washington 16. It took 8 plays to put it over.

That made the count 14-7 and Stanford ran it to 21-7 in the fourth period with a march of 75 yards. A tricky reverse and a galloping fullback named Chuck Shea kept the Huskies befuddled. As it turned out, Stanford needed the insurance counter.

Stanford had only a slight edge in first downs, 15 to 13—but it also had only a slight edge in touchdowns, but edge enough.

HIGHTSBURG DOG THIRD

SCOTLAND, Mich. — Ludwig von Weisenhof, a Weimaraner dog trained by Ray Tanquay of Eugene, Ore., won the open all-age stake at the Highland field trials here.

The dog is owned by J. B. Oliver, Palm Springs, Calif. A dog owned by Bob and Lee Kellison, Scotsburg, Ore., was third in the trials.

Pirates Nail Fifth Straight

End Wes Young picked a Henley pass out of the air in the final period of play Saturday and ran it back 55 yards for a Glendale score to give the Pirates a hard-earned 13-7 win in a District 6-A-2 game played at Henley.

The interception was the second of the day for Young and broke a 7-7 tie to give Glendale its fourth league victory of the season and the fifth win of the year against no defeats.

It was an uphill battle for the Pirates as Henley opened the scoring the first time that they got their hands on the ball. A 15-yard off tackle run gave them the score and a successful kick gave them the extra point.

Glendale started its first drive of the game late in the first quarter and scored the tying touchdown early in the second period on a one-year line smash by Ray Benson. The drive covered 65 yards and was the longest drive of the game. The extra point was added on a pass from Troy Reynolds to Young.

Neither team could manage a score in the third period of play although Glendale reached the Henley 10-yard line on two different occasions only to lose the ball on downs.

Young then picked the pass out of the air in the final period for the tie-breaking touchdown. Not a hand was laid on him during his 55-yard gallop. The extra point was no good on an attempted pass.

Glendale scoring: Touchdowns, Young, Munyon. Conversions, Young.

Southern Oregon and Oregon College of Education—both displaying offensive power—are deadlocked for first place in the Oregon Collegiate Conference with 2-0 records.

Southern Oregon dropped previously unbeaten Oregon Tech out of a first place tie Saturday night by clipping the Klamath Falls team, 33-12.

A freshman from Calgary, Alta., was the key factor in OCE's 31-6 crushing of Portland State. Quarterback Jim Bowler accounted for 250 of his team's 553 yards gained as the Portland team suffered its third straight loss in conference play.

Fred Haney Re-Hired

MILWAUKEE — Fred Haney's only worry now is answering the thousands of congratulatory letters he received after his Braves won the World Series.

The game, little manager said as much Saturday when he signed a new one-year contract to manage the world's champions in 1958.

The pact, by far the best he has received in his 34 years as a player and manager in the majors and minors, calls for an estimated \$40,000.
