

Congratulations to all you fine people for the elegant sign-up in our Third Timber Capital Tournament. And especially to the women's association. We can all be proud of our third attempt to get this long fall tournament in this part of the world to functioning. We can now feel sure that we are on the right road, and can look forward to bigger and better shows every year. Our initial attempt drew 45 men's teams and 22 women's, which was a very fine, 67 total.

LAST YEAR, after several postponements, and finally a date which conflicted with half a dozen others, we still had 42 men's and only 15 women's teams, for a total of 57. This year, we are favored by getting the tourney at the proper time, but badly handicapped by the "economic pressure." In spite of this, our entries total 64 teams, with 41 being men's and 23 women's. Thus our entries for women teams is the highest in our history, with the mens quintets only slightly below the previous high.

We'll get you the totals on doubles and singles next week, but are cramped for time as of this moment. We can add one exciting thought, though. Of the total 41 men teams, 17 are local, (held down by strike conditions, no doubt); while of 23 women teams, 12, or over half, are from the local association. This seems to us the most inspiring development, and is hard to explain. Anyway, we're no doubt all happy about it.

NOW, we want to invite some volunteers. Several out-of-town entries are coming in with five members, of whom four will be paired in doubles. We are asked to furnish partners for at least two women doubles and two men. It is also good business to have a couple pinch-hitters on the bench in case some outsider couldn't make it. Or, for that matter a local bowler.

THE TOWN IS BUZZING, and the buzz may spread nationally. The cause: Buzz Eaton is working for an all-time record for marathon bowling. You will find the final dope on it in today's paper. At the time this is written, 3 p.m. Saturday, Buzz had 222 games, with a total pinfall of 28,163, for a 171.9 average, and was still going strong, after 39 hours.

The world's record for continuous games without rest is 261, rolled in 61 1/2 hours. Second is 229 games in 57 hours. Buzz has rolled 222 games in 39 hours, or an average of six per hour. And no one thinks you can imagine that! He looks a bit peaked, but we all think he will set a new record before midnight. (That's last Saturday).

Provided he sets the record, his games, meals and drinks are all on the house. Should he falter, he will pay only for the actual cost of the pinsetters and service. We wish him luck and extend congratulations.

So now a few notes on just ordinary bowlers. Len Tyler rolled up a fat 254 line to lead the Commercial circuit. The same night, Royd Bruton had a 234 and Bob Smith a 231. Bruton also connected for a 211 game and a case of cola, as did Ed Klemmer and Ed Davis.

Dot Ellenberger had a nifty 502 set, including a nifty 182 and 183. Eldon Lee had almost the

Finals Of Tennis Meet Reached By F. McKeen

Fred McKeen moved into the final round of the Roseburg High School tennis tournament last week with a 6-0, 6-4 win over Bob Fies. McKeen is the only undefeated player in the double elimination tourney, but Dave Montgomery, Dick Ramberg, Mike Murphy, John Sandquist and Fies each have one loss and are still in the race.

Matches this week will pit Montgomery against Ramberg and Murphy against Sandquist. The two winners will play each other for the right to meet Fies. The winner of this match will play McKeen for the championship. If rain forces a postponement of the matches, McKeen will be declared the winner of the tourney.

Who pays if you are injured in an auto accident when the other driver is NOT insured?

If you have a bodily injury and lower cost of a Farmers auto policy with Farmers Insurance Exchange you are AUTOMATICALLY PROTECTED, up to the limits of Financial Responsibility Laws for personal injuries sustained through no fault of your own by you or relatives in your household. OSAA Basketball Clinic Scheduled Tuesday Eve

Tuesday night at 7:30 a basketball clinic for anyone interested in officiating basketball games will be held in the Roseburg High School gym. Conducting the meeting will be A. Oden Hawes, Assistant secretary-treasurer of the Oregon School Activities Assn.

The meeting will consist of the showing of a film called "Better Basketball," discussion of all new rule changes, general summary of all rules and the mechanics of officiating. Tests for certification will also be available to those wishing them.

This will be the only chance this season for new officials to sign up, according to Hawes.

Roseburg Jayvees Beat So. Eugene

The Roseburg Jayvee football team evened its series against the South Eugene team at one game apiece, with a 13-0 win Saturday afternoon on Finlay Field. This gives Roseburg a record of two wins and three losses on the season.

South Eugene 0 0 0 0-0
Roseburg 0 0 7 6-13
South Eugene scoring: None.
Roseburg scoring: Touchdowns, Fister 2, Conversations, Davis.

Central Junior High Wins Game

Scoring in each of the first three quarters the Central JHS eighth grade football team came out on top of Grants Pass by a 20-7 score in a game played Saturday afternoon in Grant. Pass.

Central scored the first time they got their hands on the ball with Gary Brumfield traveling 20 yards for the score. Brumfield then added the extra point on a line buck.

Grants Pass tallied its only touchdown in the opening quarter on a 20-yard off tackle run. The try for extra point was converted on a line smash.

Just before the end of the first half Brumfield took a reverse and went 30 yards into the end zone for the second Central score of the game. Larry Burbuck added the extra point on a line plunge. Bur-

back added the final Central score of the game early in the third period on a six-yard run through the middle of the line. The final score came after a drive of 40 yards. The extra point try was no good after the third attempt because of penalties.

Coach Bob Keady took 30 players to the game and used almost the entire bench during the game, but failed to add to their total. Central JHS 7 7 6 0-20
Grants Pass 7 0 0 0-7
Central scoring: Touchdowns, Brumfield 2, Burbuck, Conversations, Brumfield, Burbuck.

Final Tourney Held At Club

The final golf tournament of the year was held Sunday at the Roseburg Country Club. Winners of the nine mixed two ball tourneys held during the year were matched in the final affair. A total of 12 teams were entered.

First place in the tourney was snared by club professional Ed Oldfield and Mrs. Sam Kendall with a score of 46-13-33. Joe Perault figured in both the second and third places as he, along with Mrs. Jack Schvaneveldt took second with a score of 44-7-37 and he along with Mrs. Bob Harris took third with a score of 44-6-38. Fourth place winners were Sam Kendall and Mrs. Charles Tidwell

with 48-9-39. Winners of the three main tourneys held this year at the country club were presented with trophies at a dinner held Saturday at the Club. The trophies were presented by tournament committee chairman Sam Kendall.

Receiving the trophy for the spring handicap tourney was Roger Gee. The fall handicap trophy was given to George Luoma and the club championship trophy to M. L. Hallmark.

Dick Hoehn, Dartmouth college tennis and squash player, lost only one tennis match as a 1956 freshman.
