Archery Meeting Set At Tri-City

By RUTH EVANS A second meeting of a group of interested archers will be held Wednesday at 7:30 p.m. at the Veterans Memorial Building in Tri-City.

Plans were made to promote an archery show in the South Douglas area, at the first meeting. Tentative date for the show to include talks by prominent people in archery; demonstrations of skill by top archers in Oregon; a movie on bow hunting in Canada, and displays of various archery equipment has been set for Nov. 12.

I. M. Wells of Tri-City conducted the meeting and brought out the point that it might be wise to form one parent archery club and have various branches of the club in each of the surrounding towns.

There will be no attempt made to organize a club prior to the archery demonstration. Any person living in Southern Douglas County interested in archery, is welcome to attend the Oct. 23 meeting.
