

Skating Classes Being Planned At Rolletta Rink

E. G. Erickson, proprietor of the Rolletta skating rink, 2235 NE Diamond Lake Blvd., announces that a series of weekly skating instruction classes will be held in addition to the regular Saturday morning session.

Erickson said instruction will begin Monday night, Nov. 18, when the first of a series of sessions to be called "club nights" will be held.

Tuesday afternoons at 1:30, pre-school children and their parents will take instruction. A two-hour period known as "ladies matinee," during which skating instruction will be given to women and refreshments will be served, also will begin at that time.

From 3:30 until 5:30 on Tuesday afternoons, school children will receive primary instruction. Children who know how to skate but who haven't had professional instruction also will be taught further skills at that time.

Advanced classes will be given on Fridays from 3:30 to 5:30 p.m. Erickson also said the rink will be open for public skating on Sunday afternoons in addition to week-day nights.

Camas Valley PTA Has Bookmobile Talk

Speaking on the services of the county library at the Camas Valley PTA recently, Charlotte Hyre, county librarian, stated that patrons of the bookmobile have access to books in Roseburg and the state library.

Also, through special arrangements people can get books from five major library centers located at various points in the United States. Miss Hyre also displayed a number of books from the kindergarten to the adult level. She reported 12,000 books circulated from the bookmobile during October.

Irwin Smith gave a report on the Cub Scout group during the business meeting. The group voted to sponsor a fun night on Dec. 13. Refreshments were served.

Roseburg High Teacher Attends Radio, TV Meet

Mrs. Gladys Monger, librarian at Roseburg High School, recently attended the first meeting of the Oregon Education Assn. Committee on Television and Radio.

Mrs. Monger was appointed to the state committee for a three-year term.

The committee seeks to provide leadership in giving direction to the development of educational television and radio.

OLDSMOBILE for 1958 is offering a restyled body, including horizontal trim, a thin roof line and new rear fender blades. Choice of three Rocket engines is available in the Oldsmobile, which has a smoother automatic transmission and air suspension as options. The Oldsmobile went on display today at Pal Motors, Ltd., 529 SE Stephens St.

Gaillard Promises Top Priority For Rebellious Algeria

PARIS (AP)—France's new premier today gave rebellious Algeria top priority in his legislative program.

Cited into office after the nation's longest postwar Cabinet crisis, Felix Gaillard told the National Assembly he would demand adoption of the Algerian home rule bill on which the last government of Maurice Bourges - Mounoury foundered Sept. 30. But Gaillard said he would accept amendments

to give greater weight to the votes of French residents.

That might appease the French in Algeria. However, it appeared likely the Arab rebels would reject Gaillard's bill, just as they did Bourges - Mounoury's. The rebels demand independence.

The 38-year-old financial expert, youngest French government chief since Napoleon Bonaparte, said the second order of business would be to ease the grave financial crisis. He promised a strict 1958 budget and 100 billion francs—238 million dollars—in new taxes, and said he would ask for special financial powers, presumably to cut expenses by decree.

Although he did not mention it

in his speech, Gaillard also is expected to seek a loan from the United States or West Germany to meet the acute foreign exchange shortage.

Carnival Slated Tonight At Camas Valley School

Preparations are now complete for tonight's Camas Valley High School Carnival.

It starts at 7:30 p.m. The carnival will have 10 booths for entertainment and will give away three prizes, including a deep fryer and a live turkey.

Student chairman of the event is John Wheeler.

Parent Teachers' Member Drive Starts At Benson

A Parent Teachers Assn. membership drive is now under way at Benson School in Roseburg.

The drive is being incorporated into a room contest. Each student that brings parents' dues from home wins a "Sputnik." Dues are 50 cents per person.

The room with the most "Sputniks" at the end of the contest will win a cash prize. The contest started Nov. 4 and will run through Nov. 15.

Many interested parents may contact members of the membership committee; Mrs. Dorothy Cacy, OR 3-3338; Mrs. Miriam Downend, OR 3-4609; or Mrs. Friede May, OR 2-1839, for further information.

Topic Demonstrated At Melrose Extension Unit

Suitable dress for the occasion was the topic demonstrated to the Melrose Home Extension Unit recently at the home of Mrs. Don White.

Mrs. White and Mrs. Bert Young, project leaders, led a discussion on color and style lines and their importance to good taste in clothing.

It was decided all those wishing to attend the demonstration on candy making may do so, but there will be no regular meeting in December. The time and place of the January meeting will be announced later.

Thanksgiving Dinner Planned At Riversdale

Riversdale Grange has planned a Thanksgiving dinner for members and their families Nov. 28 at 6 p.m.

Members are asked to bring their own table service and two dishes from the following list: salad, dessert or hot dish. Games and dancing will complete the evening.

The harvest festival held recently was reported as a success. Money earned will be used to send two 4-H members to summer school in Corvallis, and make needed improvements on the hall, reports correspondent Addie Schneider.

Junior Class Play Tickets Go On Sale

Tickets for the annual Roseburg High School junior class play, "Ten Little Indians," go on sale today in front of Penney's and Miller's department stores.

The play is slated for 8 p.m. Nov. 22-23 in the high school auditorium. A three-act mystery by Agatha Christie, it stars Marilyn Martin and Don Loomis.

TAX COLLECTIONS UP

PORTLAND (AP)—The Internal Revenue Service Thursday said it collected \$314,746,000 in income taxes in Oregon during the past fiscal year.

In the previous fiscal year, the department collected \$498,205,000.

A NEW KIND OF CAR IS BORN!

Tomorrow at Your Pontiac Dealer's!

BOLDEST ADVANCE IN 50 YEARS!

THE GOLDEN JUBILEE CAR!

It's a revolution on wheels—boldly planned from the very beginning as a Golden Anniversary showpiece for Pontiac and General Motors.

This one you really must see—here is a car unlike any you have ever known! This Golden Jubilee Pontiac is actually an all-new breed of cars—in four brilliant series and 16 sleek models covering virtually every price bracket.

In all of them you'll find engineering advances so daringly different yet so basically sound that they will trigger the next big change in automobile design. You'll find a few of these ideas illustrated here, but even they can't begin to tell the full story.

Why not be among the first to discover the newest. When you meet this bold new Pontiac, you're in for a driving thrill that is impossible to duplicate in cars of conventional design. So make it a point to see your Pontiac dealer soon and prove to yourself that no car in history ever left yesterday so far behind!

Ever-Level Air Ride*

The most perfect suspension system ever designed—and Pontiac's revolutionary Aero-Frame is specifically designed for it! Air cushions on all four wheels literally float you over the bumps... keep the car perfectly level regardless of load or road!

*An extra-cost option.

Aero-Frame STABILITY

Here is the biggest basic construction change since the early days of motoring. Pontiac's revolutionary new frame design is lighter, stronger, more stable than the conventional box type used on other cars.

Quadra-Poise ROADABILITY

Only the wheels know where the bumps are! Pontiac's new suspension geometry ends dive, sway and bounce to bring you the smoothest ride, easiest handling you've ever known!

Circles-of-Steel SAFETY

Pontiac's completely new body construction surrounds you with girder steel protection—above, below, fore and aft. Now you can drive with wonderful new peace of mind!

Tempest 395 PERFORMANCE

Try Pontiac's new jewel-action response! Scores of exclusive engineering innovations make Pontiac's hefty power plant a miracle of smoothness... and you can choose from four horsepower ratings including Tri-Power Carburetion* and Fuel Injection*.
