

## Glamour Gifts Favored By Youngest Misses, Too

The little Miss in the 6 to 12 age group need no longer suppress her desire to "dress-up" like mom and big sister. The selection of glamour gifts available for the youngest includes everything from the "skin out," in gifts that cater to her every dream.

Junior edition party dresses show distinct traces of Paris-design influence in rustling silks, sheer wools, corduroys and velveteens, many of them in very glamorous blacks!

Trim winter cottons in plaids and solids will go to school in style; skirts, flared or fashionably pleated can be worn with gift blouses and sweaters; the favored car coat becomes the smart "scooter coat" when transposed to this age bracket.

Even practical gifts are touched with glitter! Sweaters and sweater sets in wool, wool-blends and orlon are adorned for her with sparkling beads and pearls or

Make a holiday skirt — This delightful party skirt has its own buttoned-in petticoat. Trim to suit yourself or with these gay heart appliques included with skirt pattern.

## Copy-Cat Fashions Tops With Pop And Son, Mom And Sis

'Look-alike' fashions are the perfect gift for the mother-daughter, father-son combinations on your gift list.

Sports ensembles and pajamas are the most popular "copy-cat" items for young 'n' old males!

For the feminine combo there is more of a variety to satisfy both.

Always sure-to-please are — robes, gowns or lounging sets in identical styles and fabrics!

Sweaters, skirts, rainwear and accessories are tops in regular or petite editions.

Several misses to a family sometimes presents the problem of envy about gifts received. These exact-except-for-size models will please all—and equally on Christmas morning.

## Gifts She'll Slip Into Her Bag With Smartness

It's often said that you can discover a great deal about a woman by "the inside of her handbag."

Smart, neat women love to receive beautiful "purse-tidying" accessories as gifts!

For organization, a coin purse, pill box, fitted cosmetic case, memo book and address book with pencil, are practically indispensable.

Extra nice are key cases, petite hair brushes, small perfume flacons and lipstick mirrors.

For the lady that uses them, purse-size asstays are welcomed.

Though she may have these items, new and more luxurious ones are fun to receive: pocket flash light; jeweled and/or folded comb; pen or pen set; compact, and eye glass case!

If she's a career gal, she'll appreciate items for emergencies. A small sewing box, manicure case and first aid kit are all very useful.

To fool the eye — a fabulous but take little fur jacket that looks surprisingly like broadtail. This is a gift of high fashion coverage for holiday galas that she'll truly adore.

## For The Girls!

For young party-goers — The fitted velvet bodice is lavish with starched lace. The full, gathered skirt and button-on cummerbund are of Eastman Chromspun acetate. A delight in gray and white stripes, with its own petticoat.

Cozy Costume — Balbriggan pajamas to keep the pre-teen warm as toast. She'll love the look and feel of this striped, "Permathal" "Everglaze" cotton knit by Alamac.

Jacquard Cardigans — make a wonderful gift! The white ribbed collar sets off the three-color four-and pattern, border trim. In 100 per cent wool. (Also in women's sizes).

Gift for the "CPA'S" — Cotton Pajama Advocates! These perky pajamas feature polka dots in pleats! P.J.'s made of smooth cotton broadcloth with a four-inch sleeve-length allowance.

"Male" box — designed especially for men's tie-bars, cufflinks, key chains, etc. It's made of hand-rubbed mahogany with soft leather top and red lining. A roomy drawer is extra feature.

## Wide Selections Await In Choosing Teen Gifts

Whether she's looking ahead to college, the business world or marriage, there's a gift sure to evoke "ohs" and "ahs" from every teenager on your list.

"Something to wear" always comes first. Running the gamut from smartly practical to glamorous, the new youthful fashions and accessories are bound to thrill her.

Bulky cardigans, classic sweater sets and glitter trimmed sweater ensembles can be had in care-free miracle yarns, soft wools and wool mixtures.

The luxury of cashmere in newly vibrant shades is almost every girl's dream.

Skirts range from slim or flared woollens right for casual and school wear to sequined, quilted or appliqued affairs, for dates or proms.

There's a perfect blouse for her in the newest styles fashioned of drip-dry cottons, soft crepes, warm jerseys and floaty nylons, in tailored or dressy types.

Gloves, from wool mitts to suave kidskins; colorful scarves; big "tote" bags; demure evening purses; and exciting costume jewelry are finishing touch accessories.

Always thrilling too, is toilet water or perfume, for her enchanted evenings.

Lingerie is always welcome. No girl ever has enough slips, petticoats, nightgowns or pajamas. Dusters and robes are other valued additions to her wardrobe.

There's hardly a girl who doesn't dream of her own record player. Obtainable in many models, including portables, it will trot off with her to college or her own home.

A portable typewriter is an ideal, lifetime gift. Pearls, cultured or the fabulous fake variety also fall in this category.

## Fine Nylons Make Perfect Stocking Gift

Nylon hosiery, now in an array of exciting shades, is receiving attention as an important fashion accessory. Stockings color-keyed to the costume have become as essential as the right shade of shoes or gloves.

New hosiery tones have just a hint of color. Misty blues, for example, blend perfectly with the palette of bright to dark blues in new-season ensembles.

For the brilliant jewel tones in evening fashions — ruby red, emerald green sapphire, topaz and gold — stockings that faintly echo these colors look exactly right, especially when worn with shoes dyed to match the gown.

With the galaxy of new tones in hosiery, it is easy to choose the right shade, weight, and style to suit each costume and occasion for midlady. Especially now that size is no problem with lovely "stretch" nylons.

A gift of machine attachments is a grand one. Scissors for pinking and buttonholes, in addition to shears in three sizes, that cut well, are terrific extras for any sewing box.

Hem-markers, automatic pinners, spool racks or baskets and cutting boards save much time and energy for the seamstress.

Whatever it is, if she doesn't have it, the dressmaker on your list will be delighted with a gift of sewing equipment.

Everyone wants a tape recorder

Traveler or stay-at-home there's a place for a V-M tape-o-matic — the versatile portable tape recorder that can be used in business, at home, at school, for work and for fun, for recording and listening pleasure. Check this partial list of things the V-M tape-o-matic can do.

- V-M tape-o-matic in Your Home, Office, School or Church
- Records sound effects for your parties
- Plays recorded tapes for your listening pleasure. (And tape-o-matic can play STEREOPHONIC tapes, too!)
- Records big moments you'll keep forever — baby's first words, daughter's reaction to her very first formal, holiday fun, etc.
- Serves as sound-track for home movies.
- Records your favorite radio and TV shows.
- Makes a permanent, long-playing "album" of your favorite single photograph records.
- Permits "sound snapshots" of your vacations.
- Lets you record "letters" to family members and friends with tape recorders of their own.
- Records and keeps information you want from borrowed books.
- Records favorite stories your children can hear again and again.
- Records business conferences, sales talks, staff meetings.
- Helps you improve delivery of speeches.
- Speeds the work of taking inventory.
- Proves authenticity and adds drama to testimonials.
- Helps instructors prepare lectures.
- Records plays, and musical performances for playback and criticism.
- Preserves historic events, special educational broadcasts.
- Serves as a valuable aid in speech-correction classes.
- Records actual business dictation for use in training the secretary student.
- Records assembly programs, interviews with visiting celebrities for later classroom discussions.
- Stimulates interest by recording opening videos.
- Records wildlife sounds for study by biology classes.
- Records actual classroom proceedings for playback at IFA meetings.

V-M tape-o-matic gets things done in churches, in professional offices, in industrial plants... around the world. Come in TODAY for a demonstration.
