

Suffer "wrap-it-itus" woes? — Start with beautiful paper and just add a bow. This year you don't even have to make a bow. There is a big selection of lovely, fluffy, ready-made ones.

Make it a white Christmas — give her a modern range to ease her cooking chores. You'll benefit from this marvelous gift, too — through better, festive feasting every day.

### Toiletry Items Make 'Scents' For Her Gifts

Toiletries for the modern woman are both a necessity and a luxury. She requires them to add to her total loveliness... and when she uses them, she feels utterly feminine and deliciously luxurious!

Toiletries are increasing in popularity as gifts, especially at Christmas, for that reason. When in doubt as to the suitability of a practical or simply lovely gift, toiletries are right!

This year, even the little girls can begin to enjoy their own toiletries. Several manufacturers are offering a complete line of toiletries for young moppets.

These items are boxed for extra attraction—including cutout dolls, toys, charms for bracelets and the like.

For the early cosmetic stage, there are now many shades, all soft and proper, that will please the tastes of both mother and daughter.

Lipsticks for women, besides offering a multitude of exquisite shades, appear encased in elegant tubes. These range in price from a little above the usual cost of the lipstick to practically unlimited figures!

Perfume, cologne, all the liquid toiletries pour from bottles that even look expensive when empty. They are jeweled, gilded, shaped and ribboned.

Boxes for these items, as well as powders, bubble bath creations, soaps, make-up bases, nail polishes, and all the rest are most exciting, too.

Sets embracing the same fragrance of various types of toiletries make perfect gifts, as well. And, as with the individual items, these are often available in special Christmas packages or can be purchased in their year 'round setting.

"Extras" are included with many of the grown-up selections, too, though of course, much more sophisticated in nature than those of the little girls!

Delicate to see (but sturdy) "premiums" such as powder mitts with dusting powder enhance the gift of toiletries.

Luxury does begin to overshadow necessity in such items as 18-Karat gold-plated hair brushes. But it should "last a lifetime."

A gift of toiletries is always suitable — for every age — in any price. There are many wonderful, special-for-Christmas items, too.

Flowers 'grow' on you — in this delightful, delicately tailored blouse. The soft wing collar is completely reversible. Choose from either the three-quarter (shown) or long sleeve.

Soft silk scarf — makes a lovely Christmas gift. Field flowers in flung all over pastel grounds in this 36 inch square. It's hand-rolled and edged with a contrasting hue.

#### SOME GIFT HINTS

The seamstress, professional or amateur, loves to receive gifts to make sewing easier or more fun. If she really loves to sew, give her a pattern plus enough material, the zipper, buttons and thread for a new dress, robe or lounging outfit.

A dress form, or a gift certificate for one, will make her think you're the most thoughtful person ever!

#### PROTECTS YOU

The "UL" label attached to your new electrical appliance means that the appliance is as reasonably safe as science and engineering skill can make it. The initials stand for Underwriters' Laboratories, Inc., a non-profit laboratory founded more than 60 years ago.

Dishwashers are available in 24, 27 and 30 inch widths and can be used either as a portable or a permanently installed appliance.

#### Candy Treat To Delight Small Fry

Make some youngsters thrill with happiness this Christmas by giving her a gay plastic purse filled with delicious money candy!

**Money Candy**  
1 1/2 cups (12-ounce bottle) maple-blended syrup  
2 tablespoons butter  
1/4 teaspoon salt  
2 teaspoons grated orange rind  
Pour syrup into saucepan. Place over medium heat and bring to a

boil. Continue boiling, without stirring, until a small amount of syrup forms a brittle ball in cold water (or to a temperature of 290 degrees F.). Remove from heat. Add butter, salt, and orange rind; blend well. Drop candy mixture from tip of teaspoon into greased baking sheet, forming wafers 1 1/2 inches in diameter. Cool. Makes 4 dozen.

#### CLOTHING ECONOMY

Dryer-dried clothes and household linens last longer than those line-dried, with better retention of fabric color and texture, and less loss of tensile strength.

#### CANDLE "TIP"

For an inexpensive, large candle decoration — wrap a square paper milk carton in any bright Christmas paper. Add a paper "flame" to the top with cellophane tape. It's lovely!
