American Davis Cup Team Angry, Ready For Aussies

MELBOURNE, N.S.W. — Hard knocks have put the U.S. Davis Cup team in a "fighting mood" and Capt. Bill Talbert thinks it might pay off with a victory over Australia in next week's challenge round.

"It's one of the biggest factors in our favor," the crew cut non-playing captain said today. "This is a team which overcame tremendous odds to get where it is. Now it's in a fighting mood and it feels it could go all the way."

Talbert was so enthusiastic he feels the United States has its best chance since 1954 at the Cup that means tennis supremacy.

Talbert said the squad members have been brought close together with the knowledge that they're on a patch-up team because top-flight players such as Ham Richardson, Dick Savitt and Budge Patty turned down berths.

Extra pressure was put on the squad with the illness of Herbie Flam, the No. 2 singles player, Talbert added.

"There is no doubt that we were lucky to get past the Belgians in our unsettled state," Talbert said. "Winning the interzone matches at Brisbane gave us fresh impetus and incentive. Nobody is afraid of Australia now. The boys are straining at the leash to get to them."

What has impressed Talbert most is the grim, bulldog spirit of 34-year-old Vic Seixas.

"If Vic should go into the challenge round with that same spirit and determination," said Talbert,

Williams Sets Slugging Mark

CHICAGO — Boston's Ted Williams, winner of his fifth American League batting championship with .388, was certified for the slugging crown Friday with the highest major league mark in 16 years, .731.

The slugging title is determined by dividing total bases by the number of times officially at bat.

Williams in 1957 hit for 307 total bases in 420 trips, including 38 homers, 28 doubles and one triple in winning his ninth slugging title.

New York's Mickey Mantle, voted the A.L.'s most valuable player last season, was second in slugging with .665, followed by Washington's Roy Sievers with .579. Sievers led the league in homers with 42 and runs-batted-in with 114.

Mantle drew the most bases on balls, 146, of which 23 were intentional. Williams was next with 119, including 32 intentional, high in that department.

Other leaders:

Hit most by pitched balls — Minnie Minoso, Chicago, 21; striking out — Jim Lemon, Washington, 94; grounding into double plays — Jackie Jensen, Boston, 22.

Major league records broken: Most pennants won by one club — 23, New York, most years 100 or more home runs — 34, New York; highest fielding percentage, league, season — .979; most errorless games, club, season — 30, Baltimore; fewest errors, league, season — 1,018; fewest complete games pitched by club, season — 26, Kansas City.

East-West Shrine Teams Hold Drills

SANTA CLARA, Calif. — Both squads hold two practice sessions Friday in preparation for the East-West Shrine game in San Francisco Dec. 23.

Thursday West coach Jack Curcio of Utah put his squad through a two-hour familiarization drill at nearby Stanford in the afternoon after giving over the morning to picture taking.

Curcio said he hadn't settled on permanent assignments for his 24-man group yet.

Coach Rip Engle of Penn State specialized his East squad on defensive patterns. There has been speculation the West will concentrate on aerials because of the East's large, powerful line.

Notre Dame center Frank Kutcha arrived at the East camp Thursday night.
