Locals Lose In Overtime To Grants Pass By 48-46

One lone field goal by Paul Lindquist of Grants Pass in the first overtime period gave the Cavemen a 48-46 victory over the Roseburg Indians Friday night on the Grants Pass floor.

The Indians had come from a 41-31 third quarter deficit to go ahead 43-42 with a little more than five minutes left in the game. Bob Steele, 5-7 junior guard of the Indians, dropped through four straight free throws to pull them within one point and Larry Sloan dropped in a field goal to give Roseburg its first lead since midway in the first quarter.

Sloan's field goal gave Roseburg a 43-42 lead and after he put in a free throw gave the locals their largest margin of the game since the opening buzzer, at 44-42.

Steele and R. O. Beamer paced the Indians the first half with five points apiece, while Sparlin with eight points was tops for Grants Pass.

After falling behind by the 41-31 count at the end of the third panel, Roseburg hit for 10 straight points to start the fourth quarter before Mike Leonard hit a free throw for the Cavemen. This made the score read 42-41 with Grants Pass still on top.

Included in the fourth period spurge by the Indians were six out of six from the free throw line by Steele's free throws by Sloan and Gary Cripps and a field goal by Wes Jackson.

Steele carried off scoring honors for both teams with 14 points.

Regulation Ends, 46-41

Fred Thomas of the Cavemen dropped through a field goal to tie the score at 44-44 for the sixth time of the game and Lindquist added a free throw for a one-point Grants Pass lead. Another free throw by Jerry Putnam with less than one minute left in the game gave the Cavemen a 46-44 lead, but Steele tied the game up for the seventh and last time with a layup just as the final buzzer sounded to make the score 46-46.

Both clubs battled each other to a standstill during the first part of the overtime and then, with less

Governors Of Oregon, Ohio Promoting A Little Wager

COLUMBUS, Ohio — The governor of Oregon has told the governor of Ohio he'll give odds that Oregon's football team will triumph in the Rose Bowl.

The governor of Ohio accepted a bet Friday "but replied: '... may I say that I admire your hopeful optimism, but I most certainly will not take any such advantage of you when it seems quite apparent Ohio State will be a certain victor.'

"Actually, I should give you odds."

This good-natured kidding between Oregon Gov. Robert D. Holmes and Ohio Gov. C. William O'Neill came about through a telegraphed wager of an Oregon fir tree against an Ohio buckeye tree to the state entrant which wins the Pasadena, Calif., football classic Jan. 1.

The governors will meet at the Rose Bowl.

After presenting his telegraphed challenge, Gov. Holmes added: "I think we should be able to find an appropriate place in the landscape of our capital grounds for the buckeye tree, to grow as a symbol of Oregon's victory. If you feel that you should need odds for the wager, I would be pleased to stake a (Douglas) fir tree twice the size of your buckeye."

Gov. O'Neill, in accepting the challenge "without delay, lest you change your mind," replied: "I have already picked out a

Pro Football Playoff Game Stirs SF Excitement, Talk

SAN FRANCISCO — The big playoff game between the San Francisco 49ers and the Detroit Lions in the Western Conference of the National Football League is just a day away and excitement here has reached fever pitch.

The 49ers had a narrow squeak yesterday when halfback Joe Arenas got shaken up in a four-car collision. But their hopes jumped today as the 32-year-old star made practice and said he would "rattle and roll" Sunday.

The sudden death playoff with a TV blackout in a 100 mile area around Kezar Stadium has caused considerable comment — most of it unhappy.

Anti Trust Studied

Even official Washington has taken a gander "at the TV situation with the Justice Department looking for possible violations of anti-trust statutes.

And both the Lions and the 49ers expressed displeasure with the NFL decision that would force them into sudden death play if the regulation game ends in a tie.

But the fans are resourceful in the face of a sellout at 60,000-seat Kezar.

One enterprising group found out they could pick up the Chico, Calif., TV station signal atop the Fairmont Hotel on San Francisco's Nob Hill.

They proceeded to build a 200 foot aerial to aid reception. Chico, outside the blackout area, is carrying the game.

Since selling tickets to watch the game on television would be illegal, the group of five formed the Pro Ball Fan Club of the West and set dues at \$5. If you belong, you can see the game free from one of two rooms rented at the hotel. The rooms have a capacity of 2,500.

National TV

Other fans without tickets will stream to places like Reno and Lake Tahoe to watch the home-towners on television. The game will be telecast nationally by CBS, starting at 1 p.m.

The main concern over the sudden death aspect of Sunday's game was the possibility one team might not get a chance at the ball offensively.

It will be the winner of this game who meets the Cleveland Browns Dec. 29 for the league championship.

Bulldogs Spring Upset On Drain

After blowing a first half lead, the Sutherlin Bulldogs came from behind in the final period to edge the Drain Warriors, 36-34, in a non-league game played at Sutherlin Friday.

Sutherlin jumped out to an 8-2 lead at the end of the first quarter and still held a 17-12 advantage at halftime, but the Warriors hit for 14 points in third period against only eight for Sutherlin to take a 26-25 lead at the end of the third quarter.

Eddie Johnson with seven points and Bob Seaton with six were the two main reasons for the Drain rally in the third panel.

Glendale Overcomes Glide Rally To Post 37-36 Win

A last-second basket by Bill Hale gave the Glendale Pirates a close 37-36 basketball victory over the Glide Wildcats, Friday, on the Pirate floor.

Glendale had led throughout the entire first three quarters, but the last period rally by Glide pulled them even about mid-way in the final panel. Bill Eswine hit from the key for the Wildcats to give them the first lead of the game at 36-35, but Hale dropped through his only field goal of the evening seconds later to give Glendale the hard-earned win.

The Pirates took a 14-8 first quarter lead as Buddy Smart hit for eight points. Eswine with six topped the Glide scorers. The Pirates then moved out to a 21-14 lead at halftime, but Glide started to roll late in the third period to pull with three points at 28-25 just as the final period started.

Smart with 17 points was the leading Pirate scorer, followed by Hale, Ray Munyon and Bill Barrong with four points. Eswine with 14 points topped all Glide scorers, followed by Danny Kinne with nine.

Glendale also won the jayvee game 25-21, with George Humphries hitting for 10 points. Roland Reed with nine points was high for Glide. Glendale led at halftime 22-11.

Oakland Nails First Victory Of The Year

A second half rally gave the Oakland Oakers their first victory of the season over the Camas Valley Hornets by a 56-50 count in a non-league basketball game played at Camas Valley Friday.

Camas Valley led throughout the first three quarters, after taking a 16-12 lead at the end of the first quarter and increasing it to 33-28 at halftime.

Mae McCellan and Byron Baker with 10 points apiece were the main reasons for the Hornets' success in the opening half, while Don Ralls with 10 points and Layton Ferguson and Larry Baird each with nine points accounted for the entire first half total for the Oakers.

With Baird hitting for another 10 points in the second half, Oakland moved from a 44-33 third quarter deficit for the hard-fought win. McCellan with five points was the only Hornet able to hit in the closing half as Baker drew his fifth personal foul early in the fourth period and could add only three points to his first half total of 10. McCellan ended with 15 points, high for the Hornets, with Baker's 13 next high.

Baird ended as high for the game with 19 points for the Oakers, followed by Layton Ferguson with 15 and Ralls with 12.

Camas Valley took the jayvee tilt of the evening by a 42-32 score over the Oakers, after holding a 30-23 halftime lead. Kiser with 15 points was high for Camas Valley, while Bill Parker with nine was tops for Oakland.
