WHILE CAR PRICES WENT UP THROUGHOUT THE INDUSTRY, THE PRICE OF THIS CAR WENT DOWN

Here's good news for people who are tired of reading about higher prices for 1958 cars: Ford has priced many of its new '58 models lower than corresponding 1957 models!

In fact, Ford Custom 300's are priced as much as \$50 lower than last year. This is based on an actual comparison of manufacturers' suggested retail delivered prices.

Who'd ever guess it's the lowest priced of the low-price three

In case you haven't yet gotten around to pricing this elegantly styled 58 Ford Custom 300, put your mind at ease. When you compare manufacturers' suggested retail delivered prices, you'll find that this Ford is priced lower than any sedan in its field. And Ford has the lowest-priced station wagon and convertible, too!

But price isn't everything. The 58 Ford made history, too, as the first car ever to use the whole world as its test track! This meant taking the all-new Interceptor V-8, combining it with new Cruise-O-Matic Drive, and tackling some of the roughest roads we could find on three continents. This terrific power team (available with up to 300 hp) proved that it can handle any driving you'll ever have to do... while saving you up to 15% on gas! Start your savings for '58 with a lower-priced Ford!
