### Morse Says Ike's Farm Plan Hits Little Man

WASHINGTON (AP) — The President's farm message Thursday "reflects a policy of destroying the ability of the small farmers to continue on the land," Sen. Morse (D-Ore) said.

"The administration's theory," he said, "is to force small farmers, by an economic squeeze, into a congested area where they will join the ranks of unemployed and unskilled labor."

The Eisenhower farm program, Morse predicted, will result "in even greater surpluses."

The administration, he said, is trying to force REA co-ops "to swallow the sugar-coated strychnine pill of private finance," which will cause them to "die by the scores as a result of interest rate increases and skyrocketing overhead charges."

All WW I veterans and wives are invited to attend. Represented will be barracks from Grants Pass, Medford, Cave Junction, Roseburg and Tri-City. Election of district officers is the main item of business on the agenda.

Election of officers of the South Umpqua barracks organizations is for the next regular meeting, Feb. 20.

## General Motors Announces Layoff

SOUTH GATE, Calif. (AP) — General Motors Corp. has announced the layoff of 700 temporary employes at its Buick - Oldsmobile plant here.

The layoff affects workers hired last fall and took effect at the close of work Friday. It is for an indefinite period, a company spokesman said, to adjust production in line with dealer inventories and sales.

The layoff reduces the work force from about 4,500 to about 3,800 and will cut production to below 500 units daily. Production has been 600 units daily from two 40-hour-a-week shifts.

GM said employment at its Fisher body and Chevrolet assembly plant in nearby Van Nuys is 41 percent higher than a year ago.
