LOST IN BLIZZARD—An intensive air-ground search is underway for Dennis Wurschmidt, 12, lost in a blizzard when he wandered away from a Boy Scout outing in Grindstone Canyon of California's Mendocino National Forest. About three feet of snow has fallen since the boy—"an inexperienced woodsman," was lost.

Minority Group Seeks To Halt Merger Of Firms

PORTLAND — A minority group of stockholders went to court Wednesday to halt a merger of Hyster Co. of Portland and the smaller Martin Machine Co. of Illinois.

They said the proposed merger was a move to get the Hyster Co. under Nevada laws where millions of dollars in surpluses could be frozen and not paid out in dividends.

Ernest G. Swigert, last year's president of the National Assn. of Manufacturers, is president of Hyster. He and other officers were named in an injunction suit filed in state circuit court.

The suit said the company was planning to become a Nevada corporation and under the laws of that state, it said, an estimated \$11,715,383 in surplus funds could be frozen and stockholders would lose rights to new stock issues.

The suit said that Hyster had not been paying dividends commensurate with earnings because Swigert and one of the directors, Harvey Black, have other income in excess of \$100,000 annually and substantial dividends on the stock would create a tax problem for them.

In addition to the injunction, the minority group asks that at a special stockholders' meeting called for Feb. 3 to vote on the merger, each preferred share be allowed 200 votes instead of only one. That is to counter a previous 200 to 1 split of common stock.

The minority group's suit was filed by Dr. Winifred H. Buermann, Alvin E. Gunderson and George F. Paulsen.
