LOTUS KNIGHT PORTER

SATURDAY, FEBRUARY 1, 1958

—The News-Review, Roseburg, Ore. 5

DR. AND MRS. CLIFFORD H. BABBITT and daughter, Jennifer, 11, and sons, Bruce, 14, and Kevin, 2 years and four months old, make up today's "Family Portrait" society feature page. The pictures were taken in the beautiful new home of the Babbitts at 1213 SE Hawthorne Drive.

AT THE TOP LEFT the Babbitt family is photographed in the attractive living room of the home. All of the rooms overlook the Hawthorne Community swimming pool. At the top right, Dr. Babbitt is photographed in his study. At the center left, Mrs. Babbitt and her helper, Jennifer, are shown in the kitchen preparing the evening meal.

EVEN "RICKY" the parakeet pet of the family gets in the act with Jennifer and Kevin feeding him some bread with Kevin himself eating the top share of the bread. At the lower right in the family room, Dr. Babbitt and his sons look over their fishing equipment. Even though Kevin is still only two, he already is interested in going fishing. Bruce and Jennifer are already fine swimmers and divers and this coming summer it will be Kevin's turn to learn to swim.
