Sutherlin Christian Church Meets For Business, Dinner

By MRS. BRITTAIN SLACK

Christian Women Fellowship of the Sutherlin Christian Church met for its regular meeting with Ada Abeene as hostess.

After the potluck dinner the devotional and business meeting was held with Mary Kribs reading the scripture and prayer. Her missionery story was that of a young man who tried for years to get to Lhasa, the capital of Tibet. He spent a long time in missionary work among the Tibetians but never could get to the capital. According to statistics, only one white man has ever been allowed to enter Lhasa and he was disguised.

A letter was read from Doernbecher Children's Hospital in Portland thanking the women for a box of nightgowns and sacks. A box of school supplies is ready to go to Colegio Biblica of Eagle Pass, Texas, which prepares Mexican young people for the ministry.

The work chairman was instructed to purchase hand towels for the church kitchen and material for a quilt. The secretary was instructed to write a letter of thanks to Helen St. John and Carl Harris for the plywood sheets donated on the CWF for cupboards.

Elsie Perkins was appointed hostess chairman and Helen St. John was reported ill. The next meeting will be Feb. 13 with Mary Kribs and Dorothy Longbrake as hostesses.

Men's Group

Sutherlin Christian Church Mens 90 and 9 group met for a potluck supper, served before the devotional and business meeting which was conducted by George Warren, president.

Mrs. Mary Kribs gave the opening prayer and Frank Grubbe sang a solo. Troy Thompson, Sutherlin High School principal, was the speaker of the evening and his topic was, "Ten ways to become a Christian."

During the business meeting a report was given by the treasurer of funds raised within the group to give assistance to a student from the church who is attending Northwest Christian College at Eugene.

A vote was carried to sponsor the attendance of the Church Christian Endeavor group at the state CE convention to be held in April.

A report was given on the basketball team sponsored by the 90 and 9.

Women Meet

Mrs. Ted Roadman was hostess at her home on the Umpqua for the January Deaconess meeting of the Sutherlin Christian Church. In the absence of Eleanor Woollett, Mrs. Roadman conducted the business meeting which opened in prayer by Mrs. Mary Kribs.

Ada Abeene used the theme, "The Lord Knows," for the devotions and a circle of prayer was held at the close of the service.

Mrs. Roadman served refreshments to the group.

First Visual Sighting Made Of Explorer

CAMBRIDGE, Mass. (AP) — A Manhattan, Kan., moonwatch team apparently made the first visual sighting—with naked eye—of America's satellite, Explorer, Sunday night, Dr. J. Allen Hynek, assistant director of the Smithsonian Astrophysical Observatory, said Monday.

He explained that a study of reports gave more evidence for than against the validity of the Kansas team's sighting report.

Dr. Hyneck said the apparent brightness of the satellite was "very surprising."

The observers placed it at fifth magnitude—or equal to that of a faint star. This is several magnitudes brighter than the 80-inch, half-foot wide ricket had been expected to appear.

Hynek said the moonwatch team reported extremely clear air and ideal observing conditions. Five members of the moonwatch team sighted the object by using a combination of radio-tracking and visual observation.

The time of 8:44 p.m. (EST) checked within one minute of a prediction worked out from a telescopic sighting a day earlier from Alamagordo, N.M.

Federal Aid Foe Calls Education Bill Scheme

WASHINGTON (AP) — Rep. Gwinn of New York, top Republican on the House Education Committee, has denounced President Eisenhower's education bill as a political scheme to get votes.

"The audacity of this bill is dumbfounding," Gwinn said. "Its real title should be the 'teacher pay bill of 1958, and its vote-getging possibilities'."

Gwinn's statement, prepared for House delivery, gave added impact to predictions by Speaker Rayburn (D-Tex) and Rep. Martin of Massachusetts, the GOP leader, that a school bill will have trouble getting through the House this year.

Gwinn, a long-time foe of federal aid to education, last year helped kill a 1½-billion-dollar school construction bill.

Last month's permit total included one new dwelling for $9,100, while the rest of the volume and permits were allocated to smaller jobs and remodeling in businesses, residential garages and similar jobs.

LONDON (AP) — The Manchester Guardian has teported three U.S. - educated Chinese students tried to assassinate Red Chinese Premier Chou En-lai last July 28.
