

Senate PO Group Would Up Postal Rates To 5 Cents

WASHINGTON (AP) — The Senate Post Office Committee voted Thursday to raise postal rates by about 750 million dollars a year, including a 5-cent charge for non-local letters for the next three years.

The committee voted to recommend to the Senate a considerably higher total rate boost than the 527 million-dollar increase passed by the House last year.

Nearly all of the extra revenue would come from boosting the rate on intercity letters to 5 cents, instead of 4 cents on all letters as the House provided.

The present letter rate of 3 cents has been in effect 26 years.

The committee vote was a victory for President Eisenhower, who asked the Senate to amend the House bill to include the 5-cent non-local rate.

Among those voting for the temporary 5-cent rate in committee were Sens. Neuberger (D-Ore) and Church (D-Idaho).

Joseph Lane PTA Sets Monday Program

The Joseph Lane PTA will hold its monthly meeting Monday at 7:30 p.m. The program will be in commemoration of Founder's Day and past presidents will be honored.

Mrs. George J. Halladay, guest speaker, will talk on the proposed community junior college for this area. Mrs. Halladay has been an active participant in promotion of the junior college plan and has done a great deal of study and preliminary work in connection with it. Everyone is invited to hear her speak.

Refreshments will be served following the program.

Bookkeeping Course For Adults Scheduled

Richard Boss, head of the Roseburg adult education program, announced Thursday that a basic course in the principles of double-entry bookkeeping, Bookkeeping I, will begin next Tuesday at Roseburg High School.

The course will be taught by Ralph Snyder. It will last 10 weeks, with two-hour periods being held each Tuesday starting at 7 p.m. A tuition fee of \$12 will be charged, said Boss.

Class time will be used primarily for lecture and discussion, with written work being completed outside of class.

GLENDALE PTA

Due to a conflict in dates, the PTA visitation night of the Glendale public schools, previously announced for Feb. 25, has been changed to Monday evening, Feb. 24, from 7 to 8:30 p.m. The PTA meeting will be held at 8:45 on the same date, in the elementary school building, reports Mrs. G. B. Fox, co-president.

Film Producer Al Lichtman Dies

HOLLYWOOD (AP) — Al Lichtman, sometime burlesque house usher who became a movie pioneer and producer, some of Hollywood's most successful pictures, is dead at 70 of a heart attack.

The producer of "Boys Town," "The Wizard of Oz," "Green Dolphin Street" and other films succumbed Thursday at his home.

Lichtman had been an executive and guiding force in such enterprises as Famous Players, Metro-Goldwyn-Mayer, United Artists and 20th Century-Fox and a key figure in development of wide-screen CinemaScope.

In 1919 he was associated with Mary Pickford, Douglas Fairbanks, William S. Hart and David W. Griffith in the formation of United Artists, distributing firm, of which he became president.

In 1935 he reorganized Metro-Goldwyn-Mayer and made the deal for the distribution of the fabulously profitable "Gone With The Wind." He was executive producer for M-G-M from 1938 to 1949. He joined 20th Century-Fox in 1949 and resigned as head of distribution in 1957. He returned last year to produce "The Young Lions."

Lichtman leaves his widow, Rosa; a brother, Fred, Suffern, N.Y.; a sister, Mrs. Sarah Katz, Bridgeport, Conn.

Slide On Freeway Is Being Cleared

LOS ANGELES (AP) — Two of the four inbound lanes on the Pasadena Freeway which had been blocked by a landslide were reopened Friday. The route normally carries 120,000 cars a day.

Highway crews worked through the night by floodlights on clearing the freeway.

The fourth lane, alongside the slipping hillside, will stay closed while the earth work removal progresses.

An earthen dike was built to catch any more falling dirt and rocks. Highway engineers said the mountain will be terraced after the clearing is finished. Heavy rain Wednesday brought on the landslide.

An enormous traffic jam on side streets developed. Police estimated that 50,000 motorists headed for work had to take other routes.

The slide occurred on what police called "moving mountain." In 1937 a slippage just north of the present one covered Riverside Drive 15 to 25 feet deep for a distance of 500 feet, carried down power lines, broke water mains and damaged buildings.

Fund Launched To Help Transplant Live Organs

BOSTON (AP) — The Jimmy Foster Fund, which may help surgeons to transplant living organs of non-related people, was launched Thursday at Peter Bent Brigham Hospital.

Charles F. Adams, chairman of the newly formed fund, said doctors are on the threshold of the possibility of transplanting living organs.

The fund is named in memory of Jimmy Foster, 14, Pocatello, Idaho, who died despite receiving a healthy kidney in a transplant operation from his identical twin, Jerry.

Menshikov Says Soviet Boss Not Absolute Ruler

NEW YORK (AP) — The New York Herald Tribune today quoted Soviet Ambassador Mikhail A. Menshikov as saying that Soviet Communist party boss Nikita S. Khrushchev must consult his colleagues and win their consent.

A Washington dispatch to the newspaper reported that the ambassador contended that Khrushchev's role is much misunderstood in this country and that the party boss, far from being an absolute power, is still one in a collective leadership.

Mission To Open With Saturday Night Service

A non-denominational, non-profit mission will open Saturday night at 7:30 at 751 Sheridan St.

Truman To Tell Why Democrats Will Win

WASHINGTON (AP) — Former President Truman, apparently in a "Give 'em hell" mood, has been talking politics around town. But he said he's holding his ammunition for a fund-raising dinner Saturday night.

A Democratic victory "is in the air, and I'll tell you why Saturday night," he told newsmen.

Botulism Serum Rushed To Save Illinois Family

HAVANA, Ill. (AP) — Three victims of botulism last night received vital doses of serum which was brought here in 7½ hours from Newark, N.J., by helicopter, two commercial flights and state police.

The serum was administered to the patients — a brother and his two sisters. Doctors also planned to give the serum to nine other members of the family, as a preventive measure.

Stricken at a family dinner were Lyle Stone, 16, and his sisters, Joan Stone, 13, and Mrs. Doris Majewski, 24.

Dr. J. W. McHarry, who treated the three, traced the sickness to some home-preserved string beans consumed at a family reunion Wednesday night.

McHarry told a newsmen that the only known cure is an anti-toxin contained in a so-called horse serum. To get the serum, which costs and estimated \$72 a vial, a rush request had to be relayed by the Lederle Laboratories regional offices in Chicago to the Pearl River, N.Y., plant.

CORA'S CIRCLE

Tuesday will be a work-day for members of Cora's Christian Circle at the Pine Grove Church in Dixonville. Kitchen cabinets and plumbing and restrooms are being installed, and there is general cleaning to do. Those attending are asked to wear clothes suitable for such work, reports correspondent Mrs. Charles Forrest.

Nora Boyle, 69, Passes At Phoenix

Norah Kinnan Boyle, 69, former resident of Camas Valley, passed away at Phoenix, Ariz., Feb. 18, from a cerebral hemorrhage.

She was born in Florence, Kan., 1889, obtained her education in Blackwell, Okla., and taught school there. She was married to Harry C. Boyle in 1919 and moved to a homestead on the North Umpqua River.

Mrs. Boyle taught school in the Peal School near Glide until she moved to Camas Valley in 1932. She was a charter member and organizer of the Federated Garden Club of Camas Valley; member of American Legion Auxiliary; Camas Valley Grange; Douglas County Red Cross chairman during the war years, and hospital chairman for the Veterans Hospital for the American Legion.

She and her husband moved to Phoenix in October, 1957, due to his health. She is survived by her husband, Harry C., Phoenix, Ariz.; a nephew, Frank Kinnan, and niece, Mary Beth Kinnan, both of Camas Valley.

Funeral services have been set for Saturday, Feb. 22, at 9 a.m. at the A. L. Moore and Sons Mortuary, Phoenix. Interment will follow at a Phoenix cemetery.

Einar Mohn Sees Harmony In Union

SAN FRANCISCO (AP) — The newly named chairman of the Western Conference of the Teamsters Union says a transition in the union's leadership was proceeding "harmoniously."

Einar O. Mohn, who arrived in San Francisco Thursday for a two-day meeting with the conference executive board, said all Teamster leaders are cooperating 100 per cent in the change.

Mohn refused to comment on the sentencing to jail of former Teamster President Dave Beck, possible plans to reorganize the conference or what was being discussed at the meeting here.

Mohn said he felt the headquarters of the Western Conference, which includes the 11 Western states and has 275,000 members, should be in San Francisco. The headquarters is now at Seattle.

"I'll probably bring the matter up our next meeting," he said.

Wages and Salaries	\$106,433,578
Taxes	\$ 45,335,793
Additions to plants, equipment, roads, timber and timberlands	\$ 56,836,753
Employees at Dec. 31	20,435
Taxes paid per employee	\$ 2,218
Net income per share	\$ 1.76
Dividends paid per share	\$ 1.00

Last year Weyerhaeuser invested about \$57 million in new plants, equipment, roads and timberlands. This was done to improve and expand facilities for manufacture of building materials, pulp and paperboard. Also a merger was effected with the Kieckhefer Container Corporation and The Eddy Paper Company, operating paperboard mills in the East, and 30 plants throughout the nation producing shipping containers, milk cartons and other specialty packages. The purpose was to improve the long-term prospects for increased utilization of the forest crop and to provide a broader market for the Company's paperboard production.

These events indicate some of the important steps the Company is taking toward building a permanent forest industry.

* While lumber production was almost equal to 1956, and plywood and pulp production was up, total sales were down 4%, largely due to lower lumber and plywood prices. Lower prices, together with higher costs, caused a decline in earnings from \$2.10 per share in 1956 to \$1.76 in 1957.
