Oakland PTA Hears Scholarship Speaker

Kenneth Williams, Oakland High School principal, spoke on scholarships at the regular meeting of the Oakland PTA.
Mrs. Vern Little, vice president, announced a food sale will be held in the future, and the treasurer reported a balance of \$252.48.
Mrs. Shirley Brown's first grade room won the banner for having the most parents present. C. H. Hughes won the door prize.
Neil Fuller, science teacher, gave a talk on rockets.
Several folk dance numbers were given by Pixie Fitch, Sheri Watson, Sara Sorenson and Larry Sorenson. Fourth grade mothers served refreshments, reports Edith Dunn, correspondent.

No Chance Seen To Expand Camp White Vets Home

WASHINGTON — The Veterans Administration has advised Sen. Morse (D-Ore) it sees no possibility of expanding the Camp White, Ore., veterans home into a hospital "in the foreseeable future."
The agency's stand was disclosed by Morse in making public a letter to Don McNeil, manager of the Jackson County Chamber of Commerce, in which he pledged cooperation in seeking reconsideration of the decision.
William S. Middleton, the VA's chief medical director, earlier had advised Morse and chamber officials the proposed expansion was not considered advisable "mainly because of the difficulty which would be experienced in obtaining and retaining the professional personnel necessary to maintain the desired standard of care and treatment."
Middleton noted also there was a question of policy involved as to the "extent to which the federal government should provide facilities for nonservice-connected disabilities."

Douglas Fir Boy Scouts Schedule Recognition Court

Douglas Fir District of Boy Scouts will hold a recognition court of honor for all higher ranks of Scouting and Exploring at the Riverside School gym in Roseburg March 7 at 8 p.m.
All boys who have advanced to the rank of Star, Life or Eagle, and/or Explorer equivalent sometime in the past year will receive special recognition. An invitation is extended to all adult Scouters of Eagle rank to participate and be recognized in the Eagle recognition ceremony.
It is hoped recognition of this kind will encourage younger boys in the troop and post to advance so they in turn will have the opportunity for this kind of recognition.

Damage Suit Filed Upon Oil, Electric Companies

SACRAMENTO, Calif. — A suit asking 14 million dollars was filed here Tuesday against three oil companies and the Pacific Gas and Electric Co.
The suit, filed by a group of landowners in San Joaquin and Sacramento counties, said the four firms limited production and fixed prices on natural gas from a Northern California field.
The oil firms named as defendants were the Bankline Oil Co., Honolulu Oil Corp. and the Aerada Petroleum Corp.
In the suit, the four firms were charged with conspiring to hold down production at the Thornton wells and dictating prices because PG&E is the field's only outlet for gas.

Kimberly To Head Pulp, Paper Assn.

NEW YORK — John R. Kimberly, who heads one of the pioneer paper companies of the Middle West, was elected president of the American Paper & Pulp Assn. Thursday.
Kimberly, president and board chairman of Kimberly-Clark Corp., Neenah, Wis., has been first vice president of the association the past year.
A spokesman for U.S. newsprint companies reported they now have enough capacity "to meet all publisher requirements for the immediate future."
Arthur G. Wakeman, retiring president of the Newsprint Service Bureau, declared the manufacturers are concerned "over the depleting of pulp reserves created by increasing costs of production and expensive unused capacity."
Wakeman, president of the Coosa River News Print Co., Coosa Pines, Ala., and vice president of Kimberly-Clark Corp., said U.S. mills have increased newsprint capacity from 839,000 tons a year in 1946 to 2,100,000 tons, a gain of 150 per cent.
Canadian producers, he said have raised their productive capacity 56 per cent over the same period from 4,641,000 tons to 7,239,000 tons.

Democratic Party Holds Strong Lead Over GOP

PORTLAND — The Democratic Party holds a 140,798 to 114,749 lead over Republicans in registered voters in Multnomah County, the registrar's office said Wednesday.
This Democratic lead of 260,049 is down more than 3,500 from the edge the Democrats had at the time of the November, 1956, election.
At that time Democrats in Multnomah County led 156,433 to 128,709.
Total numbers of both parties are down chiefly because of clearing out of non-voters' names. The numbers will increase during registration for the May primary.

Morse, Neuberger Among Sponsors To Aid Bill

WASHINGTON — Sens. Morse and Neuberger, Oregon Democrats, are among seven senators sponsoring a bill to provide billions of federal aid to states for school buildings and equipment, and teacher salaries.
The measure would authorize payments to states totaling a billion dollars the first year, two billions the second year, three billions the third year and four billions the fourth.
In the year starting July 1, 1958, payments would be at the rate of \$25 for each school age child. These would increase to \$50 during fiscal 1959, \$75 in 1960 and \$100 in 1961.

Thor Missile May Be Sent To United Kingdom

WASHINGTON — The four intermediate range ballistic missile squadrons to be sent to the United Kingdom may all be equipped with the Air Force Thor weapon. That would exclude the Army Jupiter in that area.
The plan — certain to arouse new outcries in Army quarters — is under consideration, it was learned today.
Officials had announced earlier that both types of missiles would be used by units to be deployed overseas by late this year, with one squadron Thor-equipped and the next one having Jupiters.
