

### All Teachers At Glide Get Pact Offers

At its last regular meeting, the Glide School Board voted to require all teachers for the 1958-59 school year.

### Hearing Slated In School Fight In Washington

DAKVILLE (Grays Harbor County), Wash. — There's apt to be a hot time in the old town (of Oakville) Friday night.

The school board is scheduled to discuss in open session the resignations of School Superintendent A. L. Spitz and 10 of the 12 other teachers and the reopening of classes.

Two Won't Resign — No one so far has said officially how the trouble started. Those who resigned said only they blamed "a great amount of unreasonable hatred toward the administration, the school system, and teachers in general."

Meanwhile, 240 pupils were told to stay home and Blanche Penick, county school superintendent, said at Montesano the school would remain closed until the dispute has been settled.

### Police Break Up 'Coffee Break' Gang Of Gunmen

CHICAGO — Police broke up a "coffee break" robbery gang of three railroad workers Thursday, killing one gunman in an attempted holdup and capturing his two companions.

Two gunmen walked into a police trap as they started to holdup a south-side savings association. In a brief gun fight, one robber was slain. His companion fired at two detectives, who had been hiding in the loan firm of office, as he fled, but was captured later.

The third member of the gang, who had been in a getaway car but drove away at the sound of gunfire, also was seized by police.

Detectives said the two captured men admitted 10 robberies. One, Charles Scherzinger, 25, was identified by 17 victims of various holdups. Seized with Scherzinger was Ray Mullins, 29.

Killed in the crossfire at the Workmen Savings and Loan Assn was William F. Formella, 24.

The gang's method of operation was described by police this way: Three men, a laborer, a railroad yard worker, stage a robbery during a coffee break on their job. They eluded police by returning to their jobs immediately after each holdup.

Eight Candidates Enter Race For Governor (Continued from Page 1)

Friday morning. They are Reps. Al Ulman, Baker; Edith Green, Portland; and Charles O. Porter, Eugene.

But Rep. Walter Norblad, Stayton, only Republican in the Oregon congressional delegation faces a tough primary battle against former state Sen. Philip S. Hitenbeck, Oswego.

Frederick Holmer, state supervisor of elections, said he expected more than 100 candidates to file Friday.

The usual last-day surprises were in store, with much interest in the contest for the Supreme Court seat held by Justice Gordon Sloan, who was sworn in only last Monday.

So far, Sloan is unopposed, but several others are expected to file during the day.

Until mid-morning, only half of the 80 House members had filed for reelection. Of the 15 Senate vacancies, only eight incumbents so far have filed.

This would indicate a big turnover in the Legislature.

### Church Youths Schedule Money Raising Events

A cake sale to be held at City Drive-In Market Saturday from 9 a.m. until closing, is the first of a series of activities being sponsored by the high school Westminster Fellowship of the First Presbyterian Church to secure funds to send three delegates on a tour of Southwest Missions.

The special tour is being organized by the Synod of Oregon of the Presbyterian Church and will give 24 students the opportunity to get a first-hand look at the mission program being carried out by the church in the southwestern United States.

Three delegates will represent the local church, at a cost of \$125 each. The local Westminster Fellowship group is trying to raise a portion of each student's expenses.

The tour will include the Manouel School and Granada Mission in New Mexico; the Grand Canyon, and several neighborhood houses in the Los Angeles area and the San Francisco Theological Seminary in San Anselmo, Calif.

The tour will begin June 22 and end July 6.

### Myrtle Creek's School Budget Given Approval

Myrtle Creek School District's 1958-59 budget of \$695,861.97 has been approved, reports correspondent Ruth Evans.

Two items raised the new budget slightly over the present one. Supt. Al Neet said. More money has been set aside for the operation of the cafeteria and money will also be set aside for the cost of living adjustments for personnel, Neet said.

The current budget totals \$694,914.12. Neet pointed out that with the payment on the bonded indebtedness in the new budget all the bonds will be paid off by 1963 with the exception of two small issues.

With the payment from the new budget, the total bonded indebtedness will be \$412,000. The total amount allowed for payments in the new budget amounts to \$84,572.50.

The school district should receive considerable benefits from the state's basic support money, which could very well show a considerable reduction in the school millage for the coming year," Neet said.

Next school board meeting is scheduled for Monday.

### Sutherlin School Budget Adopted

Sutherlin School District's 1958-59 budget shows an increase of \$9,611 over that of the current year. The new budget has been set at \$330,644. Vote is scheduled for May 5, and publication is slated March 14 and 21. Budget hearing is scheduled for April 7.

The emergency fund has been increased from \$2,000 to \$6,000 in view of a possible increase in enrollment Herbert Osaki, News-Review correspondent, said. No construction of additional rooms is planned, although storage space will be built. The amount for capital outlay has been reduced by \$12,000.

Forrest Rehwalt is serving as chairman of the budget committee. Other members are Mrs. E. J. Bielma, O. L. Harvey, Harvey Brown and Ira Mann, secretary.

### Charles Brand, Former Resident Seriously Ill

Charles A. Brand, former resident of Roseburg, is critically ill at the Elks National Home in Bedford, Va., according to word received by Roseburg Lodge No. 328, of which Brand is a member.

A former orchardist, cafe operator and later an employee of The News-Review, Brand, following the death of his wife, a teacher of vocal music, went to Washington, D. C., where a daughter resides. He then entered the national home maintained by the Elks lodge for the past few years.

The lodge was informed that he had been hospitalized because of a heart ailment and that his condition is critical. His two daughters and a brother, Justice James T. Brand, of the Oregon Supreme Court, have been advised, the lodge was told.

### Japan Signs Agreement For Red China Trading

HONG KONG — A Japanese trade delegation said today the \$6-million-dollar trade agreement signed with Red China includes some machinery and other items on the embargo list.

### Injuries Lacking In Auto Collisions Thursday Night

Injuries were "luckily" lacking in a Thursday night collision which state police said was apparently the result of high speed on the part of one of the vehicles.

The accident occurred on the northbound access road from Highway 42 to Highway 99. It was investigated by a state officer who said he was about 200 yards ahead of the vehicles involved.

According to police reports, the accident occurred as Stanley Zwan, 18, Medford, was entering Highway 42 from Highway 99 and was speeding across the highway to the left lane.

A 1956 sedan, which police said was driven by Frank Allen Reed, 16, 208 SE Jackson St., came up behind, apparently at a high rate of speed, and went into a skid before it came out of the access road.

As it continued to slide, police stated, it collided with Zwan's car, and then went past it in a broadside skid for 150 feet. The vehicle skidded a total of 354 feet, the report states.

The 1939 car received a damaged radiator and rear fender and had to be towed from the scene. Reed's car, after some fender straightening, was driven away. It received heavy damage to the right front door and front fender.

Les Bogner, 16, Idley Rd., Box 119, was listed as a passenger in the Reed auto. Riding with Zwan were Tom Troxil, 16, Medford; Rodney Fowler, 15; Clair Coggins, 16, and Avery Lloyd Casbolt, 17, all of Phoenix.

### Faith Lutherans Plan Missionary From Tanganyika

Faith Lutheran Church will hear a message about mission work in Tanganyika, East Africa, the location of the largest mission field of the Augustana Lutheran Church, when Miss Inez Olson, missionary teacher will be guest speaker at the midweek Lenten service, Wednesday at 7:30 p.m. at the church, 1130 NE Malheur.

The work in Tanganyika in which Miss Olson has been engaged is a three-fold emphasis, reaching the native through evangelistic work and also through education and medicine.

Since most of Miss Olson's work is with school children, a special invitation is extended to the youth to attend this service. The combined senior and junior choirs will sing, "Children of the Heavenly Father."

Miss Olson will also be guest speaker Wednesday afternoon at a luncheon given for the women of the church at the home of Mrs. Steve Fowler, 1200 N. 1st St., at 1:30 p.m. Members are asked to get their reservations for the luncheon on or before Monday, by calling Mrs. Fowler.

The public is invited to attend the evening service.

### Rural Fireman Put Out Car Fire

Roseburg Rural firemen put out a fire early today on U.S. 99, approximately one mile south of the Roseburg city limits.

No one was with the car when it was discovered burning by Billy Mohr who was on an emergency ambulance run at the time. The fire front tire was on fire, Mohr said.

When the fire department arrived the blaze had burned the motor and was approaching the front seat, firemen said. The call was received at 5:25 a.m. It is possible the car was being pulled by another vehicle since a tow bar was attached to the front bumper, state police said. The car had California license plates. Owner of the vehicle was not determined.

A fire fire brought the Roseburg Fire Department to the Douglas Hotel, 267 SE Jackson St., Thursday about 2:12 p.m.

### Benjamin Zellman Pleads Guilty To Drunk Driving

Benjamin Arthur Zellman, 62 Days Creek, pleaded guilty in district court Thursday to drunken driving since 1953. Zellman is a resident of a public housing project.

Judge Warren A. Woodruff fined Zellman \$150 and sentenced him to ten days in jail on the driving count and suspended execution of judgment on the second charge.

Two charges were filed against Zellman after he was arrested in an auto accident which occurred Wednesday near Riddle. Zellman was placed under arrest by state police.

### Newsman See Nuclear Rockets First Test Site

ATOMIC TEST SITE, Nev. — One day this fall a railway car will back up to a concrete house on Jackass Flats and deliver the kick of a million miles.

On the railway car will be a nuclear reactor which is a device making an atomic bomb go off slowly. This nuclear reactor or one like it someday will provide the power to take man to the stars.

The concrete house — Atomic Energy Commission scientists here call it a test cell — has already begun rising from the wastes of this desolate, proving ground.

The free world's first testing site for nuclear rockets was thrown open to newsmen Thursday.

Robert Campbell of the Los Alamos Atomic Energy Laboratory, resident director of the 10-million-dollar rocket project, explained how the testing will be conducted.

First the scientists will design an atomic reactor which will heat some fluid such as liquid hydrogen and eject it at high velocity.

The reactor will be assembled at a building called the "Mad House." The "mad" stands for mechanical assembly and disassembly.

From the "Mad House" a remote controlled railway car will carry it to the test cell where it will be connected to instruments inside the cell. Then will come the firing, releasing a virtually inexhaustible supply of power.

Today's rockets and missiles are built in numerous sections or stages which are put together at sea level. No one stage has yet been made which will carry a rocket as far as man wants it to go. The liquid and solid propellant rockets of today burn out in a few minutes. Tomorrow's nuclear rockets can run for years without running out of fuel.

### Claude Hayden Passes Thursday

Claude H. Hayden, 65, former Los Angeles resident, died at the Veterans Administration Hospital in Roseburg Tuesday morning.

Hayden was born Feb. 11, 1893, in Illinois. He served in the Army during World War I. He is survived by his wife, Ethel, of Illinois.

Graveside funeral services will be at 1 p.m. Monday at the Veterans Administration Hospital in Roseburg. Burial will be in the Elks National Home cemetery, 8th and Commercial, Roseburg.

### Oregon State Jaycees Scheduled In Roseburg

(Continued from Page 1)

ice awards and three outstanding young farmers awards.

The distinguished service awards will be to Gerald Frank, Salem; Frank Keicher, Sherwood; and Rex Davis, Independence. State Treasurer Sig Unander will make the presentation in the running for first, second and third positions.

Leading the local delegation will be local Jaycee President Robert Raffensperger.

Saturday's agenda begins with a breakfast in the Gold Room at 7:15 A. Board of Directors meeting follows at 9 at the Elks Ballroom with Enbyok presiding, and speeches by welcome to the area by Roseburg Mayor Arlo Jacklin, Chief of Police Vernon Murdoch and Raffensperger.

Committee business will then be taken up with reports.

The noon luncheon at the Gold Room will feature Dr. Ben E. Hill, National Assn. of Manufacturers regional office in Portland, Don Hagedorn of the local Jaycees will be master of ceremonies.

Saturday afternoon, the convention will reconvene at the Elks Ballroom with reports from the national president and other Jaycees to be given. Forums will be held at 2:30 and 3:30. Ten District meetings are scheduled at 4 p.m. at various places in the Elks Lodge and the Hotel Umpqua.

### Flier Not Certain Communist Gunfire Shot Down Plane

SEOUL, Korea — A U.S. Air Force pilot said Friday he did not know whether ground fire that hit a comrade's F86 jet near the demilitarized zone came from Communist or friendly territory.

First Lt. Ronald E. Martin of Rock Hill, Mo., said "to my knowledge" neither plane was close enough to be hit by Communist fire.

An official Air Force release said Communist fire hit the plane Thursday. However, no protest has been made to the Communists.

Martin told a news conference he and the other pilot, who has not been identified, were flying a training mission and were heading for the second of two targets.

"Upon reaching it we encountered groundfire," he said. "At approximately the same time I noticed my lead aircraft burst in flame — temporarily. It continued down and I followed it down and saw it crash on the side of a ridge."

The 25-year-old pilot said he glimpsed a parachute drifting down on the Communist side of the demilitarized zone and then returned to his base at Osan.

### Army Charges 3 With Mistreating Young Korean Boy

SEOUL, Korea — The U.S. Army today formally charged two officers and a sergeant with mistreating a Korean boy who was beaten, lured and put into a small, nail-studded box after he was caught stealing.

The boy, 14-year-old Kim Choon Il, was discovered whimpering in the box Feb. 14 after being flown in a helicopter from the Ascom maintenance center, where he was caught, to Uijongbu 25 miles away.

An incident raised a storm of protest in South Korea and heightened the campaign for a status-of-forces treaty which would allow Korean courts to try U.S. servicemen.

Charges filed — Charges were filed against Maj. Thomas G. James, 40, Plymouth, Pa.; Capt. Marvin E. Kemp, 30, Kilmiclinch, Miss.; and Sgt. Robert E. Weidensaul, 32, Pottstown, Pa.

Daie for their court-martial will be set after further investigation of the charges.

All three were charged with assaulting Kim and stuffing him into the box. The specifications said Weidensaul cut off Kim's hair, and Kemp struck the lad with a stick and tarred his head.

James, who was relieved of command of his unit, the 8th Army Aircraft Maintenance Center and transferred to another outfit after the case came to light, March 1 also was charged with disobeying orders by transporting a civilian in a military helicopter.

The major and the captain were further accused of conduct unbecoming to an officer and a gentleman.

### Reconciliation Up To Soraya

COLOGNE, Germany — Authoritative sources said today that Queen Soraya has rejected every proposal to bring about a reconciliation between her and the Shah of Iran.

Those sources said that unless Soraya changes her mind within the next few days, it is likely a divorce will be announced next week.

Soraya is staying with her father, the Khali Efandiyari, Iran's ambassador to West Germany.

Reports circulating here say the Shah had sought Soraya's agreement to his taking an additional wife who might supply him with a male heir. Soraya is childless, and the Shah's first wife, Egyptian Princess Fawzia, produced only a girl. They cannot inherit the throne in Moslem countries.

Moslem men are allowed a maximum of four wives at once.

### Researchers Point Way Toward Cancer Vaccine

WASHINGTON — The Veterans Administration said today some of its researchers had uncovered evidence "that could point the way toward development of a vaccine treatment of some types of cancer."

The announcement indicated however, that there is no certainty of such a development. It said studies are being continued in the hope of discovering an anticancer weapon of that type.

The VA said the work is being done by doctors at its hospital in McKinney, Tex. It quoted Dr. Russell H. Wilson of that hospital as saying the research "indicates the existence of a natural defense mechanism of the body against cancer, the same type of body reaction which makes vaccine against polio and other diseases possible."

COUNCIL MEETS — A special Myrtle Creek City Council meeting was scheduled for today, according to Gerry Myllesbeck, city recorder. The meeting was originally set for Tuesday, but was cancelled because a quorum was not present.

### Anti-recession Bills Developed By Democrats

WASHINGTON — Democratic senators pushed ahead today their efforts to develop an anti-recession program including public works, tax cuts, housing and highways.

Sen. Sparkman (D-Ala) predicted the Senate would pass, probably Tuesday, a housing bill he said would produce at least 200,000 more homes this year than under present programs.

Sen. Gore (D-Tenn) said he was confident the Public Works Committee would approve by Thursday his bill to speed up the already large federal highway program.

There also was a good chance of action on two resolutions which introduced, forty-seven Democrats and six Republicans joined in sponsoring resolutions, designed to prod the Eisenhower administration into stepped-up spending on military and civil public works projects.

Johnson said he had been told that as of Dec. 31, the total unexpended balance for civil and military public works was \$3,700,000,000.

Sen. Douglas (D-Ill) said he would offer a proposal to slash personal income and federal excise levies by \$4,400,000,000 a year. But tax cutting appeared to have less support at this time than the other measures.

Meanwhile, the Federal Reserve Board started a third round of cuts in the discount rate, approving a reduction from 2 1/2 to 2 per cent for its New York, Philadelphia and Chicago banks.

### Hospital News

Mercy Hospital Admitted — Surgery: Ronald Morrison, Roseburg; Mrs. Julia Hill, Winston.

Medical: Mrs. Rex Roberts, Lee Thomas, Roseburg; Mrs. Ernest Winger, Mrs. Arvil Sanders, Sutherlin.

Discharged — Mrs. Harry Anderson and baby, Tamara Joan; Mrs. Mamie Rutter, Larry Cooley, Roseburg; Frank Hillery, Mrs. George Monroe, Winston; Mrs. Fred McCormack, Myrtle Creek.

Douglas Community Hospital Admitted — Medical: Lawrence Steele, Roseburg; John Schoofield, Roseburg; Susan Bradley, Sutherlin.

Discharged — Mrs. Kenneth Byland and baby, Randal Scott; Mrs. Commodore Cole, Mary Ralton, Mrs. James Hensley, Mrs. Jack Leonard, Donald Lewis, Shannon Doyle, Mrs. Carlos Hamilton, Roseburg; Mrs. Charles Pinon and baby, John David, Glide; Mrs. George Kelley and baby, Jess Allan, Winston; Mrs. Roy Stone, Myrtle Creek; Mrs. Warren Good Sutherlin; Mrs. Marvin Bilderback, Oakland.

### Terrific Storm Over Hawaii Ends

HONOLULU — The worst rainstorm in recorded history ended yesterday, leaving heavy property damage and one death.

The Weather Bureau forecast occasional showers today but cheered tourists with a promise of sun as well.

Eighteen inches of rain fell on Hawaii's principal island to beat all records kept since the turn of the century. In one sodden area 24 inches were reported unofficially. A record 14.55 inches fell in 24 hours ending at 8 p.m. yesterday. The previous one-day record was 13.52 set in 1917.

Scores of homes were inundated or otherwise damaged.

A 37-year-old fisherman was swept off a sampan by a giant wave at the height of the storm and presumably drowned.

### Committee Seeks Peace In Strife-Torn Cuba

HAVANA — A "National Conciliation Committee" was set up last night with the backing of the Roman Catholic Church to work for peace in Cuba.

The committee, made up of two former vice presidents, a banker and a priest, said in a statement it plans to conduct "the necessary interviews with the government and with all the opposition groups to get their respective points of view."

The statement did not say whether talks were planned with Fidel Castro's rebels, whom President Fulgencio Batista's government regards as outlaws rather than legitimate political opponents.

### Hall Elected Myrtle Creek C of C Head

Robert Hall Thursday night was elected as new president of the Myrtle Creek Chamber of Commerce. He succeeds Robert Adams, reports correspondent Ruth M. Evans.

Other new officers named in the annual election were: Don Martin, vice president; Darrell (Red) Haneman, secretary; Frank Young, treasurer; and Adams, Al Neet, Jerry Warren, Bill Landry and Ren Sims, directors.

It was announced that the Chamber will begin a membership drive immediately. The new president will soon select a membership chairman.

Featured speaker at the annual meeting was the Rev. Cyril Dorsett, who served in Jamaica, B.W.I. for 20 years. His subject was "The rebirth of Jamaica."

The British West Indian colony in 1957 achieved home rule by proclamation of Queen Elizabeth. The Rev. Mr. Dorsett said the colony built toward internal self-government by boosting its educational level, building a solid economy on agriculture and then building politically.

### Deer Creek Club To Landscape School Grounds

By MRS. CHARLES FORREST — Plans for planting and landscaping the school grounds were discussed at the recent meeting of Deer Creek Community Club.

Calvin Christensen was given franchise to purchase the materials and have curbing installed prior to landscaping. During the short business meeting, children were entertained in an adjoining school-room by Mrs. Charles White.

Following the meeting, everyone saw the movie, "Lassie Come Home" Refreshments were served.

Mr. and Mrs. Wilbur Webb of Dixonville plan to rebuild their home which burned Monday evening. They will live, meanwhile, in a trailer house on the property.

A home extension meeting originally scheduled at the Webb home was held instead at the J. P. Brumback home, "Sandwiches" were the subject for the meeting.

A recent meeting of 4-H leaders held at Pine Grove Church, when Mrs. Charles Manske was appointed leader in a sewing group on Buckhorn Road.

Broadwater has a beginners group at the P. W. Hamer home on Wednesdays.

Mr. and Mrs. Waldon Hatfield and children spent the weekend in Portland. While there they visited an uncle, J. Pinkerton, at the W. S. Underwood home.

Curbing was installed last week at Deer Creek School. Boy Scouts of Troop 45 plan to plant trees Saturday.

### Heavy, Wet Snow Falls In Midwest

By THE ASSOCIATED PRESS — Heavy, wet snow slowed traffic in parts of Oklahoma and Kansas Friday.

The Oklahoma Panhandle was blanketed with more than nine inches of snow. Highways were blocked and schools were closed.

The fall in Kansas included six inches at Garden City, five inches at Goodland and Hill City and four inches at Dodge City.

Sleet peppered the St. Louis area in Missouri.

Rain persisted in Southern California, thunderstorms hit Texas and Mississippi and the precipitation extended into the Ohio Valley.

### WOMAN CLEARED

ALBANY, Ore. — Mrs. Hazel Westenberg, who had been accused of being an accessory to a murder, was cleared Thursday by a Linn County grand jury.

She was arrested after the fatal shooting Feb. 19 of Thomas Phillips at the Westenberg home on Lyons. Her husband, Bruce Westenberg, is awaiting trial on a second-degree murder charge in connection with Phillips' death.

### FRIDAY MEETINGS

Azalea Grange, 8:15 p.m. Jan. Feb. — March birthdays to be honored.
